SEATTLE AND SAN FRANCISCO RY. AND NAVIGATION CO.—Projected: Seattle to Palmer, Wash., 35 miles. In operation July 1, 1901: Seattle to West Seattle, Wash., 4 m.; Seattle to South Seattle, Wash., 5 m.—total, 9 miles. Gauge, 4 ft. 8½ in. Rail (steel), 60 lbs. Chartered March 27, 1899, for the purpose of building and operating a railroad from its coal fields near Palmer, Wash., to the City of Seattle, and to operate steamship lines carrying coal and freight from Seattle to San Francisco, Honolulu, Alaska, and other Pacific points. The line is operated between South Seattle and Leary, about 35 miles, under a perpetual joint contract between the Northern Pacific Ry. Co. and this company, and a like contract exists between this company and the Northern Pacific Ry. Co. from South Seattle to Seattle. The company owns and is operating valuable and extensive coal fields near Palmer. In Oct., 1899, the company purchased the property of the Seattle Warehouse and Terminal Co., consisting of docks and warehouses at West Seattle, and 4 miles of railroad track between West Seattle and Seattle, on the shores of Puget Sound and Elliott Bay. The company operates tracks along the waterways of Puget Sound and Elliott Bay of about 8 miles, and owns in fee several large tracks of water front. On Nov. 2, 1900, owing to disputes among certain stockholders, a temporary receiver was appointed; the controversy being settled, the receiver was discharged on Nov. 20, 1900.

Financial Statement, Jan. 1, 1902.—Capital stock authorized, \$3,000,000. Funded debt, \$981,000 (\$1,500,000 auth.) 1st 5s of April 1, 1939. The remaining \$519,000 of bonds are reserved for extensions and improvements and for the purchase of vessels.

2. History.—Consolidation, April 1, 1901, of the original Buffalo and Susquehanna RR. Co. (see MANUAL for 1900, page 67) with the Galetton and Eastern RR. Co., the Susquehanna and New York RR. Co., and the Northern Susquehanna RR. Co. In April, 1901-June, 1902, the company, either directly or through the Buffalo and Susquehanna Coal and Coke Co. (organized May 24, 1901, and controlled by this company through ownership of all its stock and bonds), acquired control of large tracts of coal lands located at Tyler and Du Bois, Clearfield County, Pa. These properties are estimated to be underlain with about 50,000,000 tons of bituminous coal of good quality for steam and coking purposes. Still further purchases of the same kind are contemplated. A special market is to be created for this coal by the construction of iron furnaces by the Buffalo and Susquehanna Iron Co., on terminal property on the lake front at Buffalo, N. Y., to which point the railroad is to be extended.

3. Issue of Preferred Stock.—In April, 1902, an issue of \$4,000,000 of 4 per cent. non-cumulative preferred stock was authorized, and about \$1,000,000 thereof has been issued. The proceeds of this stock are being invested in additional coal properties, in new equipment and in an extension of the railroad from its present southern terminus at Sinnemahoning to Tyler and Du Bois, Pa., where the coal lands are situated.

4. Leased Lines.—The Wellsville, Coudersport and Pine Creek RR. and the Addison and Susquehanna RR. are leased to the Buffalo and Susquehanna RR. Co. for 50 years from April 1, 1901, at a nominal rental. Their stocks and bonds are owned by the Buffalo and Susquehanna RR. Co., and the results of their operation are included in its income account.

10. Funded Debt.—The funded debt outstanding on June 30, 1902—total, \$3,640,000 as per general balance sheet—consisted of the following (additional particulars are in the Ready Reference Bond List—see General Index):

\$498,000 1st 5s of Oct. 1, 1913, secured by direct first lien on 101.53 miles of road. They are additionally secured by deposit with the trustee under the mortgage of the entire stock and bond issues of the Wellsville, Coudersport and Pine Creek RR. Co., and by lien on about 75,000 acres of hemlock timber lands and the timber standing thereon. Bonds to the amount of \$1,470,000 have been issued, but \$545,000 thereof have been retired by action of the sinking fund, and \$427,000 have been exchanged for 1st refunding mortgage bonds, leaving \$498,000 outstanding on June 30, 1901. No more bonds can be issued under this mortgage. The sinking fund retires each year, in October, an amount of bonds equivalent to the sum found by dividing the total amount outstanding by the number of years to the maturity of the mortgage. The bonds are subject to call for the sinking fund at par, in the order of their numbers, beginning with the highest.

\$3,142,000 1st refunding gold 4s of April 1, 1901, secured by a first refunding mortgage on the entire property of the company, subject to the lien of the 1st mtge. 5 p. c. bonds on the property covered by that issue. Also collaterally secured on 3,000 acres of the coal property referred to in

Section 2 and on the Addison and Susquehanna and Wellsville, Coudersport and Pine Creek RRs., by deposit with the trustee under the mortgage of the securities representing the direct ownership thereof. The authorized issue is \$15,000,000. Bonds amounting to \$3,500,000 are issuable against the present property of the company, for refunding purposes, etc.; \$2,000,000 are reserved for the purpose of acquiring terminals; \$2,500,000 for the purpose of acquiring coal properties; and \$1,500,000 for new equipment. The remaining \$5,500,000 of bonds, together with any of the bonds reserved as before stated, but not used for such purposes, may be issued for the purpose of constructing or acquiring additional railroad, at an average rate not exceeding \$25,000 per mile, or for betterments and other corporate purposes. Bonds in addition to the \$15,000,000 may be issued for double tracking at the average rate of \$15,000 per mile. Principal and interest are payable in gold, free of all taxes. Provision is made in the mortgage for a sinking fund of three cents for each ton of coal mined from the property pledged thereunder, to be set aside annually and invested in bonds if they can be purchased at 110 p. c.; but bonds can not be drawn for the sinking fund.

THE ROCK ISLAND COMPANY.

History and Finances.—Organized July 31, 1902, under the laws of the State of New Jersey. The authorized capital stock of the company is \$150,000,000, to consist of \$54,000,000 non-cumulative preferred stock and \$96,000,000 common stock. The company has made agreements with the Chicago, Rock Island and Pacific RR. Co., under which, in consideration of deliveries of its preferred and common stock for the purposes of an offer of purchase made by the company named to the stockholders of the Chicago, Rock Island and Pacific Ry. Co., it will become the owner, as issued, of the capital stock of the Chicago, Rock Island and Pacific RR. Co. The offer of purchase is outlined in the statement for the Chicago, Rock Island and Pacific RR. Co., appended hereto. The capital stock not required for the purposes of this offer is reserved for future use for the acquisition of additional properties and other corporate purposes.

Preferred Stock Preference and Rights.—The preferred stock is entitled to non-cumulative yearly dividends at the rate of 4 per cent. per annum for the years 1903 to 1909, inclusive; at the rate of 5 per cent per annum for the years 1910 to 1916, inclusive; and at the rate of 6 per cent. per annum thereafter. It is also preferred as to capital. The holders

of the preferred stock are entitled to elect a majority of the directors, but that privilege may be surrendered with the consent of the holders of two-thirds in amount of the preferred stock. The amount of the preferred stock cannot be increased save with the consent of two-thirds of each class of stock.

CHICAGO, ROCK ISLAND AND PACIFIC RR. CO.—Organized July 31, 1902, under the laws of the State of Iowa, with power to acquire the lines of railroad and the capital stock of the Chicago, Rock Island and Pacific Ry. Co. The authorized securities of the company are, \$125,000,000 capital stock and \$75,000,000 4 per cent. 100-year gold bonds. The capital stock is to be delivered, as issued, to the Rock Island Co., in return for common and preferred stock of that company. On July 1, 1902, the company offered to purchase the capital stock of the Chicago, Rock Island and Pacific Ry. Co. at the price of 100 per cent. in its 4 per cent. gold bonds, 70 percent. in the preferred stock of the Rock Island Co., and 100 per cent. in the common stock of the same company. The holders of a majority of the capital stock of the Chicago, Rock Island and Pacific Ry. Co. have signified their intention to accept this offer. The bonds are to be dated Nov. 1, 1902, and will mature on Nov. 1, 2002. They are to be secured under a trust agreement with the Central Trust Co. of New York, by deposit and pledge of all shares of the capital stock of the Chicago, Rock Island and Pacific Ry. Co. acquired, under the offer of purchase or otherwise, and can be issued only to a face amount equal to the par value of the stock pledged under the trust agreement. WM. T. 2. History.—Consolidation, June 4, 1880, of the Chicago, Rock Island and Pacific R.R. and various connecting lines. A sketch of the company's history down to the year 1888 is in the MANUAL for that year, page, 397, and later developments are recorded in subsequent editions. The Fort Sill Branch (Lawton Line) was opened to Fort Sill in Aug., 1901, and to Lawton in Sept., 1901.

3. El Paso Extension.—During the year ending March 31, 1902, the construction of an extension of this company's line from Liberal, Kan., to Texhoma, O. T., 55.88 miles, was completed. At Texhoma this line connects with the Chicago, Rock Island and Mexico Ry., a corporation of the State of Texas, extending from Texhoma to a point on the boundary line between the State of Texas and the Territory of New Mexico, at which point it connects with the railway of the Chicago, Rock Island and El Paso Ry. Co., a corporation of the Territory of New Mexico, whose railway extends to Santa Rosa, N. M., where it connects with the railway of the El Paso and Rock Island Ry. Co. The latter company is a part of the system of the El Paso and Northeastern Ry. Co., the lines of which system extend from Santa Rosa to El Paso, Texas. Traffic agreements between the companies named and the Chicago, Rock Island and Pacific Ry. Co., furnish for this company a through connection

for passenger and freight business at El Paso with the Southern Pacific Co. for Pacific Coast points, and the Mexican Central Ry. Co. for points in the Republic of Mexico.

4. Enid and Anadarko Ry.—Under the authority of the Board of Directors, given March 16, 1899, the Enid and Anadarko Ry. Co. was incorporated to construct a line from Enid to Anadarko, O. T. That portion of the line from Enid to Watonga, 64.74 miles, has been completed, and was opened for operation in sections as completed at various times during the year ending March 31, 1902. The property is operated by this company, the earnings and operating expenses being included in the income account, but the mileage is not included in Sec. 1, it not being a portion of this company's owned line.

5. Choctaw, Oklahoma and Gulf RR.—In April, 1902, the company acquired control of the Choctaw, Oklahoma and Gulf Ry. Co., by purchasing more than two-thirds of its entire capital stock (see General Index for C., O. & G. Ry. Co.; see, also, Sec. 8).

6. Lease of Burlington, Cedar Rapids and Northern Ry.—This company has taken a lease of the Burlington, Cedar Rapids and Northern Ry. (see General Index) for 999 years from June 1, 1902. Under the terms of the lease this company assumes all obligations of the Cedar Rapids company and agrees to pay as rental dividends at the rate of 6 p. c. per annum on its capital stock. This company already owned a majority of the capital stock, and in connection with the lease it offered to purchase the remainder for the price of share for share in its own capital stock. On July 11, 1902, it was announced that \$1,698,900 stock had been acquired under this offer, which would increase the company's holding to at least 70 per cent. of the \$7,121,740 capital stock of the Burlington, Cedar Rapids and Northern Ry. Co.

7. Lease of Rock Island and Peoria Ry.—This company has taken a lease of the Rock Island and Peoria Ry. (see subjoined statement) for 999 years from June 1, 1902, agreeing to pay as rental dividends at the rate of 6 p. c. per annum on the capital stock of the lessor, besides assuming all its obligations. The company already owned about two-thirds of the capital stock of the Peoria company, and under an offer to purchase the remainder at the price of share for share in its own capital stock, has acquired \$441,500 additional, making its present holding about 95 p. c. of the \$1,500,000 of the capital stock of the Rock Island and Peoria Ry. Co.

8. Purchase of St. Louis, Kansas City and Colorado RR.—Since the close of the fiscal year ending March 31, 1902, the company has purchased all the outstanding shares of the capital stock and all the outstanding bonds of the St. Louis, Kansas City and Colorado RR. Co., whose line extends from St. Louis to Gasconade River, Mo., and is being extended to Kansas City (see subjoined statement).

9. Chicago, Rock Island and Texas Ry.—With the Chicago, Rock Island and Texas Ry. Co. this company has financial and traffic agreements under which it supplies all means necessary to build and equip the Texas road, in consideration of receiving all the stock and bonds of the Texas company; the bonds being issued at the rate of \$15,000 per mile of completed road, with an additional amount for equipment, equal to the cost of same, but not exceeding \$5,000 per mile.

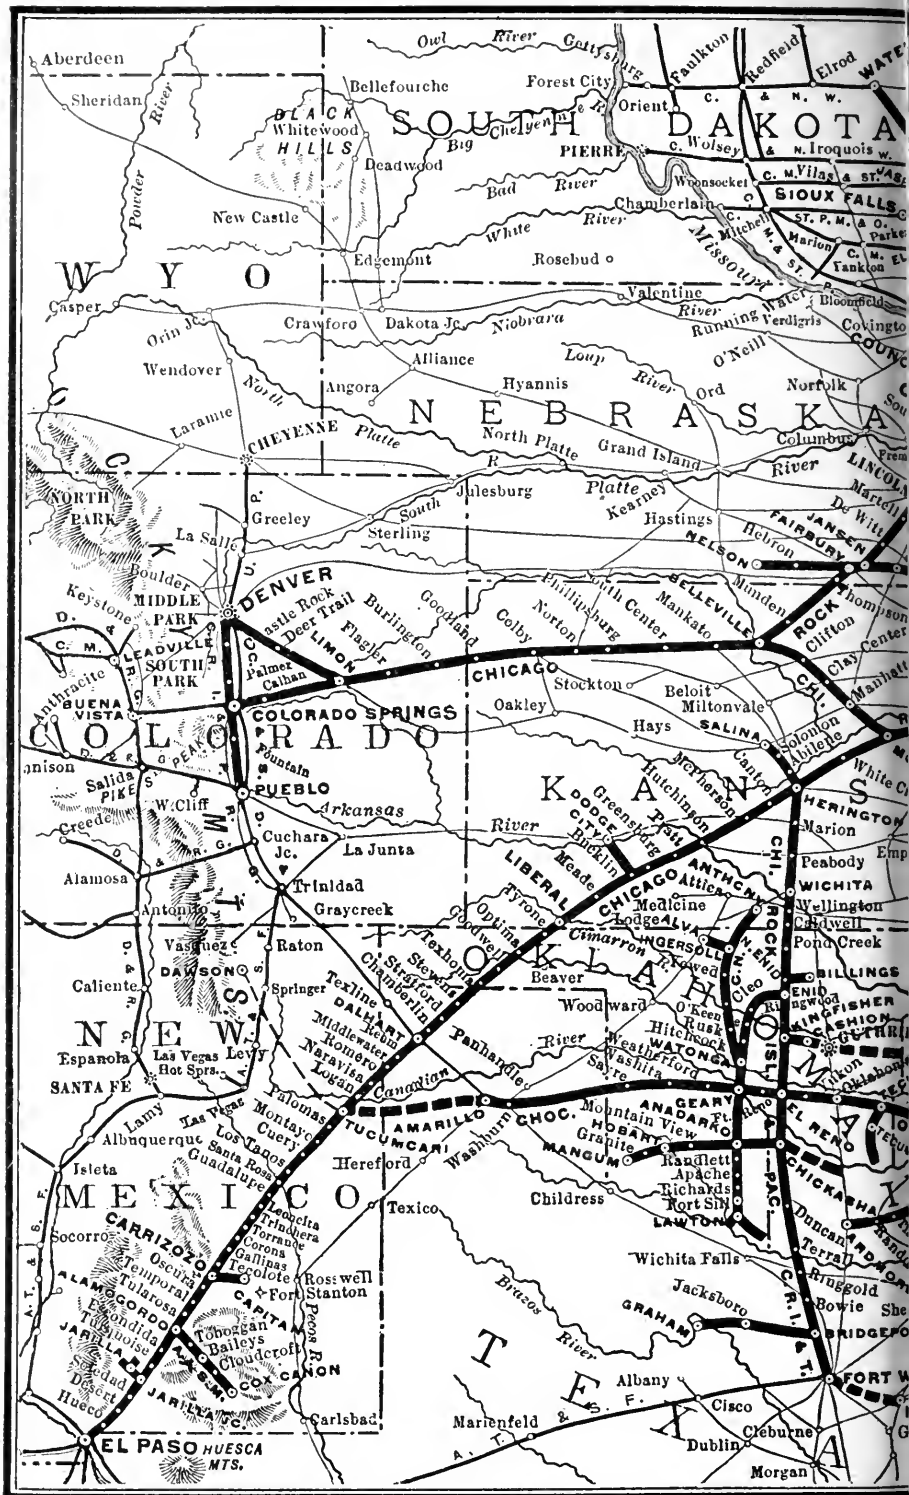

10. Rolling Stock, March 31, 1902.—Locomotives, 631. Cars—passenger (coaches, 331; parlor, 2; composite, 11; dining, 11; officers', 6), 361; baggage, etc. (including 14 postal), 112; freight (box, 13,032; stock, 2,973; flat and coal, 3,264; drovers, caboose, and other cars, 467), 19,736; gravel, hand, and other cars, 1,696—total, 21,905.

14. Capital Stock.—The authorized capital stock on March 31, 1901, was \$60,000,000, in \$100 shares. At the annual meeting, June 4, 1902, the authorized capital stock was increased to \$75,000,000. Of the \$15,000,000 new stock \$5,884,000 was set aside to be used in acquiring the stock of the Burlington, Cedar Rapids and Northern Ry. Co. and of the Rock Island and Peoria Ry. Co. and the stock and bonds of the St. Louis, Kansas City and Colorado Ry. (see Sec. 8). The remaining \$9,116,000 was sold in July, 1902, the stockholders of the company having the right to subscribe therefor at par. The purpose of this sale was to provide for the construction of extensions, the acquisition of connecting lines, the betterment and equipment of the property and other corporate uses. On July 31, 1902, the Chicago, Rock Island and Pacific RR. Co. (statement for which see) offered the stockholders of this company, for every share of their stock, \$100 in its 4 p. c. 100-yr. bonds, \$70 in preferred stock of the Rock Island Co. and \$100 in common stock of the same company, deposits in agreement with the offer to be made on or before Sept. 1, 1902.

15. Funded Debt.—The funded debt outstanding on April 1, 1902—total, \$71,081,000, as per general balance sheet—consisted of the following issues of bonds (additional particulars will be found in the Ready Reference Bond List—see General Index):

\$12,500,000 1st 6s of July 1, 1917 (of which \$400,000 were held in the treasury of the company), secured by first mortgage on main line and branches, 737 miles. The \$400,000 treasury bonds have been sold since April 1, 1902.

\$8,581,000 gen. gold 4s of Jan. 1, 1908, secured on the entire property and assets of the company, subject to prior liens. The mortgage authorizes a total issue of \$100,000,000 bonds, to bear interest at not exceeding the rate of 5 p. c. per annum. Bonds to a sufficient amount are reserved for the

retirement of prior liens; \$5,500,000, bearing interest at a rate not higher than 4 p. c. per annum, may be issued after Jan. 1, 1903, for the retirement of bonds outstanding on connecting roads acquired from time to time, while the remaining bonds are reserved for additions and improvements, to be issued at not exceeding the rate of \$1,000,000 a year. Since April 1, 1902, \$1,000,000 of these bonds have been issued, making the total amount now outstanding \$59,581,000.

16. Choctaw Purchase Money Gold Bonds.—For the purpose of funding indebtedness incurred in the purchase of capital stock of the Choctaw, Oklahoma and Gulf Ry. Co., as well as to provide for the purchase of the remainder thereof, there have been issued, as of date of May 1, 1902, \$24,000,000 of 4 p. c. gold bonds, secured by deposit of the shares against which they were issued. The bonds are in sixteen series, lettered from A to P, one of which series, beginning with A, is to mature each May 1st from 1903 to 1918; and all of the outstanding bonds, but not any part thereof, may be called for redemption at 101½ p. c. and accrued interest, on any interest day after 60 days' notice. There have been issued \$23,520,000 of the bonds, being \$1,470,000 of each series, and there have been deposited as security therefor, \$5,943,550 of the preferred stock and \$9,647,900 of the common stock of the Choctaw, Oklahoma and Gulf RR. Co. It is provided that the remaining shares shall be deposited as fast as they are acquired, the rest of these bonds being reserved to pay therefor.

17. Land Department.—The company has received under the congressional grants, 550,193.51 acres. Total sales to March 31, 1902, equalled 550,155.22 acres. The conveyances to which the title is undisputed, during the year ending March, 31, 1901, were 188.47 acres for \$15,009.50, an average of \$79.64 per acre; and by quit-claim, 790.63 acres for which \$15 has been received. Lands unsold April 1, 1902, 38.29 acres. The bills receivable have been decreased by collections during the year, so that they now stand at \$10,501.43, or \$605.96 less than at last report. The amount of interest and rent collected was \$915.09. The taxes paid during the year on lands and lots owned by this company amounted to \$250.16. Remitted to Chicago during the year for sales and collections, \$12,000.

2. History.—Reorganization, Oct. 3, 1894, of the Choctaw Coal and Ry. Co. The road from Weatherford, O. T., to Howe, I. T., a length of 268.60 miles, was completed in Nov., 1893, and an extension from Howe to the Arkansas State line, 11.16, on Dec. 1, 1899. The Tecumseh Ry., 5.16 miles, was purchased in March, 1900, and the Choctaw and Memphis RR, extending from Hopefield, Ark., to the Indian Territory line, a length of 282.04 miles, was purchased on June 27, 1900 (see MANUAL for 1900, page 466). The extension from Weatherford to Elk City, O. T., 46.24 miles, and the line of the Western Oklahoma RR., from Elk City to Sayre, O. T., 17.9 miles, were opened for traffic on Oct. 1, 1901. On

Oct. 31, 1901, work was in progress on another line of the Western Oklahoma RR., from Hartshorne to Ardmore, I. T., about 117 miles, and on the Choctaw, Oklahoma and Texas RR., from Sayre, O. T., to Amarillo, Tex., about 112 miles, both of which were completed early in 1902. This company advanced the amount necessary for the construction of the Choctaw, Oklahoma and Texas RR., and received all the securities of that road. The amounts advanced up to Oct. 31, 1901, are embraced in the item of bills receivable in the general balance sheet (Sec. 6). To enable the company to make these advances and to construct an extension of the Tecumseh Branch to the South Canadian River, a distance of 22 miles, an issue of \$2,000,000 common stock was made during the year 1901 and was allotted to the stockholders of the company at its par value.

During the year ending Oct. 31, 1901, the company took a lease of a part of the Little Rock and Hot Springs Western RR., from Hot Springs Junction to Benton, Ark., 22.8 miles, and arranged for an extension of the Hot Springs RR. to a connection with the line thus leased. This company agreed to advance the cost of the work, being secured for such advances by the pledge of all the securities of the Hot Springs RR. Co., and having the right to acquire those securities on satisfactory terms.

On May 1, 1902, the company purchased the property and franchises of the Western Oklahoma RR. Co. for \$3,000,000 in consol. mtge. bonds (see Sec. 10), the line from Hartshorne to Ardmore having been practically completed. On May 3, 1902, the franchises and property of the Hot Springs RR. Co., including a line of railroad from Malvern to Hot Springs, a distance of about 22 miles, and an extension from Benton to Butterfield, about 18 miles, were purchased for \$600,000 in consol. mtge. bonds. On the same day the company purchased the property and franchises of the Choctaw Northern RR. Co., including a line of railroad from Geary to Alva, O. T., with an extension from Ingersoll, O. T., to Anthony, Kan., a total length of about 137 miles, paying therefor \$1,027,000 in consol. mtge. bonds and \$1,027,500 in common stock. These purchases and the completion of the Choctaw, Oklahoma and Texas RR. and of the Tecumseh Branch extension make the present mileage of the company as follows:

LINES OWNED (total, 1,101.09 miles).

<i>Main Line:</i> Memphis, Tenn., to Amarillo, Tex.....	760.00 miles.
<i>Tecumseh Branch:</i> Shawnee to Asher, I. T.....	25.00 "

LINES LEASED (total, 86.60 miles).

<i>White and Black River Valley RR.</i> (see appended statement).....	63.80 "
<i>Little Rock and Hot Springs Western RR.:</i> Little Rock to Benton, Ark.....	22.80 "

Total length of lines, July 1, 1902.....1,188.47 miles.

On May 8, 1902, the Chicago, Rock Island and Pacific Ry. Co. purchased practically the whole capital stock of this company at the price of \$60 per share for the preferred stock and \$80 per share for the common stock, payment being made in 4 per cent. bonds secured by deposit of the shares purchased (see Sec. 5 of C., R. I. & P. Ry. Co.'s statement).

This company's mines are operated by the McAlester Coal Co., as general contractor, under an arrangement made in 1900. The coal is delivered in the cars at the breakers for a fixed sum per ton, the price being subject to adjustment from year to year, as the conditions require.

3. Rolling Stock, Oct. 31, 1901.—Locomotives, 101. Cars—passenger, 47; baggage, mail and express, 15; freight (box, 1,473; stock, 263; flat, 296; coal, 2,001; refrigerator, 2; furniture, 125), 4,160; service cars, 152—total cars, 4,374. Of this equipment 4 locomotives and 93 cars (7 passenger, 1 baggage, etc., 47 box, 33 flat, 1 stock and 4 service) were leased from the White and Black River Valley RR. Co., and 26 locomotives and 1,518 cars (11 passenger, 5 baggage, etc., 869 box, 508 coal, and 125 furniture) were held under equipment trust.

Under a car trust agreement entered into as of April 1, 1902, the following additional equipment has been secured: 50 locomotives, 13 passenger cars, 5 chair cars, 1,200 box cars, 100 flat cars, 300 stock cars, and 500 coal cars.

7. Capital Stock.—Preferred stock is entitled to 5 p. c. dividends (cumulative after Nov. 1, 1897) before any dividend can be paid on common stock. Under an agreement to endure until July 1, 1904, a majority of the capital stock, both classes, is held in trust by the Girard Trust Co. of Philadelphia, to be voted by five voting trustees in such a way as to maintain the independence of the company, to secure the benefit and advantage of all present or future connections, and to prevent any intersecting or connecting road from acquiring the control of the company without the consent of the owners of a majority of the shares. Voting trustees: Samuel Dickson, Wm. H. Jenks, George H. Colket, Effingham B. Morris, and Chas. E. Ingersoll.

8. Funded Debt.—The funded debt outstanding on Oct. 31, 1901—total, \$9,400,000, as per general balance sheet—consisted of the following issues (additional particulars will be found in the Ready Reference Bond List—see General Index):

\$5,500,000 gen. gold 5s of Oct. 3, 1919, secured on the railroad in Oklahoma and Indian Territories, a total of 291.69 miles, and on the mining property of the company.

3,525,000 1st gold 5s of July 1, 1949, of the Choctaw and Memphis RR., secured on the main line in Arkansas, 282.04 miles, and on all other property and assets formerly of the Choctaw and Memphis RR. Co. The authorized issue is \$3,750,000. The bonds have been assumed by the Choctaw, Oklahoma and Gulf RR. Co.

\$375,000 Little Rock Bridge 1st gold 6s of July 1, 1919, secured by first mortgage on the bridge over the Arkansas River at Little Rock, Ark. The bonds have been assumed by the Choctaw, Oklahoma and Gulf RR. Co. There is a sinking fund of \$21,000 per annum commencing in 1903, under which \$20,000 of the bonds may be drawn each year for redemption at 105 p. c. and accrued interest.

9. Car Trust Bonds.—The car trust obligations consist of \$250,000 (of which \$50,000 matured and was paid on Oct. 1, 1901) Series A 5 p. c. bonds and \$1,000,000 Series B 5 p. c. bonds. The Series A bonds are divided into five successive annual series of \$50,000 each, maturing and becoming payable on the 1st of Oct. through five successive years beginning with 1901. The Series B bonds bear interest at the rate of 5 p. c. per annum from Aug. 1, 1901, and mature \$70,000 each six months from Feb. 1, 1902, to Aug. 1, 1906, and \$75,000 each six months from Feb. 1, 1907, to Aug. 1, 1908. The Series A bonds cover 5 locomotives, 250 coal cars, 150 box cars, and 25 furniture cars. The Series B bonds cover 26 locomotives, 11 passenger cars, 5 baggage, etc., cars, 100 furniture cars, 750 coal cars, and 750 box freight cars. Of this equipment, the following had not been delivered on Oct. 31, 1901: Locomotives, 5; box cars, 31; coal cars, 422. Principal and interest of bonds are payable in gold. Trustee: Girard Trust Co., Philadelphia, Pa.

9a. Car Trust Series "C."—On April 1, 1902, there were issued \$1,750,000 of 4½ p. c. certificates covering the new equipment mentioned under Sec. 3. The total cost of this equipment was \$2,185,000, the company paying in cash the amount in excess of the proceeds from the sale of the \$1,750,000 certificates. The latter mature \$210,000 on April 1, 1903, and \$220,000 each 1st of April from 1904 to 1910.

10. Consolidated Mortgage Bonds.—Provision has been made for an issue of 5 p. c. 50-yr. gold bonds, which will be secured by a mortgage of the present property of the company, and all additions to or extensions thereof, and which will be issued at the rate of \$1,000,000 for the coal estates of the company and \$15,000 per mile for all railroad now owned or hereafter acquired. Bonds to the amount of the present issues of the gen. mtge. and of the Choctaw and Memphis bonds will be reserved only to be used for the retirement of those issues, so that the bonds outstanding under all mortgages shall not exceed in the aggregate the authorized issue of the consol. mtge. bonds. There were issued between the close of the fiscal year and May 15, 1902, a total of \$5,062,000 of the bonds for the purchases and extensions referred to in Sec. 2.

11. Land Department.—By the Acts of Congress approved Feb. 9, 1853, and July 28, 1866, there were granted to the Memphis and Little Rock RR. Co., through the State of Arkansas, 438,646 acres of land. The Mississippi River opposite Memphis, and Argenta, opposite Little Rock, are the land grant termini. On June 30, 1901, there had been patented 184,657.38 acres. The receipts from the land department during the year amounted to \$14,315.95, and the expenses to \$5,400.88, and there are outstanding on account of time sales, \$3,292.40. There were sold during the year 4,955 acres of land, and the company still owns 54,267.32 acres.

Total length of lines. 307 miles.
 Sidings, etc., 71.86 miles. Gauge, 4 ft. 9 in. Rail (steel, 303 m.), 56 and 65 lbs.

History.—Chartered as Georgia RR. Co. on Dec. 21, 1833; present name adopted under Act of Dec. 18, 1835 (see MANUAL for 1899, page 417). The banking business has been turned over to the Georgia RR. Bank, a separate corporation, a majority of whose capital stock is owned by this company. The railroad property was leased for 99 years on May 7, 1881, to William M. Wadley at a rental of \$600,000 a year, payable Sept. 30 and March 31. The Louisville and Nashville RR. Co. and the Atlantic Coast Line RR. Co. are now joint lessees. This company holds as security for the performance of the terms of the lease \$500,000 5 p. c. gold bonds of the South and North Alabama RR. Co., and \$500,000 1st mtge. 4 p. c. gold bonds of the Atlantic Coast Line RR. of South Carolina.

This company owns one-half interest in the Western Ry. of Ala. (the other half being owned by the Central of Georgia Ry. Co.), and owns more than a two-fifths interest in the Atlanta and West Point RR.

Surplus Account (Lessor), April 1, 1902.—Surplus, April, 1901, \$782,684.97; receipts for year (rental), \$600,000—total, \$1,382,684.97. *Contra*: Accrued dividends (April, July,

and Oct., 1901, and Jan., 1902, 2½ p. c. each), \$462,000; interest on bonds, \$138,000; redemption of old bank notes, \$6.25—total, \$600,006.25. Balance, \$782,678.72.

2. History.—Chartered Feb. 23, 1882; main line opened from Gulfport to Hattiesburg, 70.10 miles, on Jan. 1, 1897; extension from Hattiesburg to Jackson, 89.60 miles, on July 4, 1900. The Columbia Branch and the Laurel Branch were opened in September, 1900 (see MANUAL for 1901, page 446).

3. Charter Rights.—The company operates under a perpetual charter granted before the present State Constitution was adopted. In addition to all the usual concessions to railways, and some special ones, the company has rights to land under water, half a mile wide, extending six miles into Mississippi Sound.

4. Gulfport Harbor and Terminals.—The company is under contract with the United States Government to dredge a channel about 300 feet wide and 20 feet deep from Gulfport to deep water, about 6 miles. This channel is expected to be completed about Sept. 1, 1902. An anchorage basin of the depth of the channel and one-quarter by one-half mile in area is in course of construction at the shore end. The company is also constructing at Gulfport an extensive system of piers and docks. The work on the docks and on the channel is so advanced as to permit of their use.

8. Voting Trust.—The capital stock is deposited with the New York Security and Trust Co. under a voting trust agreement dated Dec. 14, 1901, and to endure until Dec. 14, 1906, unless sooner dissolved in the discretion of the voting trustees—Joseph T. Jones, Harvey Edward Fisk, and Charles K. Beekman. Voting trust certificates have been issued in lieu of the shares deposited.

9. Funded Debt.—On Feb. 1, 1902, the company executed a mortgage in favor of the New York Security and Trust Co., New York, N. Y., as trustee, to secure an issue of 1st refunding and terminal mtge. 5 p. c. 50-yr. gold bonds to the amount of \$5,000,000. Of these bonds, \$2,750,000 (except \$16,000 reserved for replacing an equal amount of 1st mtge. 5s) have been issued for refunding, and \$337,000 have been issued for improving the terminals and other betterments. The rest of the bonds are reserved to complete these improvements and for additional equipment. There is provision for a sinking fund of 1 p. c. per annum, commencing Jan. 2, 1905, to be used in purchasing and redeeming the bonds at not exceeding 110 p. c. and accrued interest, but no bonds can be drawn thereunder. The bonds are in coupon form for \$1,000 each and in registered form for \$1,000, \$5,000, or \$10,000. Coupon bonds may be registered as to principal alone or converted into fully registered bonds, and registered bonds may be re-converted into coupon bonds. Principal and interest are payable in gold, free of all taxes. Interest is payable at the office of Fisk & Robinson, New York, N. Y.

2. History.—Incorporated in Arkansas, June 10, 1902, to extend the charter of the Louisiana and Arkansas RR., all of whose property and assets were taken over on July 1, 1902. The Louisiana and Arkansas RR. was chartered March 18, 1898; road opened from Stamps, Ark., to Spring Hill, La., 25.3 miles, in 1897; from Spring Hill to Cotton Valley, La., 13.2 miles, in 1898. The Arkansas, Louisiana and Southern Ry., extending from

Cotton Valley to Sibley, La., 22.2 miles, was bought in 1900, the company having previously acquired the Minden Ry., extending from Minden to Sibley, La., 5.1 miles. The line from Sibley to Ashland, La., 31.1 miles, was built in 1900; the extension from Ashland to Winnfield, La., 33.5 miles, in 1902. The extension from Stamps to Hope, Ark., about 23 miles, is expected to be finished by Nov., 1902. Further extensions are projected, from Winnfield southerly to Alexandria, La., 55 miles, and from Winnfield easterly to Natchez, Miss., 80 miles. The operations given in Sec. 4 are those of the Louisiana and Arkansas RR.

6. Capital Stock.—The capital stock of the Louisiana and Arkansas RR. outstanding on Dec. 31, 1901, was \$750,000, subsequently increased to \$850,000. Four dividends were paid at irregular intervals in 1900 and 1901, and in June, 1902, 7 p. c. was declared. The authorized capital stock of the Louisiana and Arkansas Ry. Co. is \$2,250,000 in \$100 shares, of which shares aggregating \$1,750,000 are outstanding—to be deposited with the Standard Trust Co. of New York under a voting trust agreement to endure for ten years.

7. Funded Debt.—The funded debt of the Louisiana and Arkansas RR. outstanding on Dec. 31, 1901, was \$550,000 in 1st mtge. 6 p. c. bonds of Jan. 1, 1901, payable in two to twenty-one years. In Jan., 1902, \$50,000 additional bonds were issued. In order to refund these \$600,000 6 p. c. bonds and to provide for betterments, new equipment and extensions, the Louisiana and Arkansas Ry. Co. will execute a mortgage on Sept. 1, 1902, in favor of the Standard Trust Co. of New York, as trustee, to secure an issue of 1st mtge. 5 p. c. 25-yr. gold bonds to the amount of \$7,000,000. Of these bonds, \$1,000,000 will be set aside specifically to defray the cost of constructing bridges across the Red and Black Rivers, and the rest of them will be issued at not exceeding the average rate of \$20,000 per mile of completed road. It is proposed to issue \$1,500,000 on Sept. 1, 1902. The bonds will be in coupon form with privilege of registration, either fully or as to principal alone. Principal and interest will be payable in gold, free of all taxes. Interest will be payable on March 1 and Sept. 1, at the office of Fisk & Robinson, 35 Cedar Street, New York, N. Y. The entire amount of bonds outstanding under the mortgage, but not any part thereof, will be subject to redemption at 110 p. c. and accrued interest on any interest day after Sept. 1, 1907. Beginning with 1907, the bonds will be entitled to the benefit of a sinking fund, \$55,000 per annum, to be applied by the trustee to the purchase of bonds at not exceeding 110 p. c. and accrued interest. If it shall be impossible to purchase bonds at this price, the sinking fund may be invested in securities in which savings banks at that time are authorized to invest under the laws of New York, New Jersey, Massachusetts or Connecticut.

8. Directors (elected in June, 1902).—Wm. Buchanan, Texarkana, Ark.; F. H. Drake, J. G. Ferguson, Minden, La.; J. A. Buchanan, W. C. Brown, T. A. Brown, M. Northcott, Robert Buchanan, Stamps, Ark.

15. Dividends.—Since 1856 the Pennsylvania RR. Co. has paid cash dividends in every calendar year. The average yearly rate of dividends during the past 45 years is over 7 p. c. and resulted in the disbursement of over \$200,000,000. Previous to 1856 interest at the rate of 6 p. c. per annum was paid on all stock subscription installments with the approval of the board of directors and the stockholders, and under authority conferred by the Legislature of the State of Pennsylvania. The dividends paid upon the capital stock in 1899 amounted to 5 p. c., and in addition thereto an allotment of 10 p. c. of the capital stock was declared, to which the stockholders were entitled to subscribe at par. (See General Index for 8-year Dividend Table.)

16. Capital Stock.—The authorized amount of capital stock of the Pennsylvania RR. Co. on Dec. 31, 1900, as shown on page 683 of the MANUAL for 1901, was \$151,700,000, divided

into 3,034,000 shares of the par value of \$50 each. Of these shares 3,030,045 of an aggregate par value of \$151,502,250 were outstanding. On March 12 and 26, 1901, the stockholders voted to increase the authorized amount of capital stock of the company by the sum of \$100,000,000 to \$251,700,000, the company at the same time, as a necessary prerequisite, accepting the provisions of the Constitution of Pennsylvania which went into effect Jan 1, 1874. Under the power thus conferred, an allotment was made by the board of directors, to the shareholders, of 33 $\frac{1}{3}$ per cent. of their holdings on April 26, 1901, at \$60 per share, amounting to \$50,500,800. This increase appears in the general balance sheet (Sec. 31), and the proceeds thereof were applied to the payment of the temporary collateral investment obligations amounting to \$20,650,000 (see MANUAL for 1901, page 689), the purchase of additional railway securities, the payment for the stock of the Long Island RR. Co., the redemption of bonds upon various roads in the system, and the general corporate purposes of the company.

Under resolutions of the board of directors of Sept. 25, 1901, and Oct. 9, 1901, additional capital stock was issued in Nov., 1901, to the amount of \$1,392,600, divided into 27,852 shares of the par value of \$50 a share. The purpose of this increase was to provide the means to acquire the 18,568 shares of the capital stock of the Philadelphia, Wilmington and Baltimore RR. Co., of a par value of \$50 a share, held by parties other than the Pennsylvania RR. Co., by issuing therefor, at a valuation of not less than \$70 a share, three shares of the capital stock of the Pennsylvania RR. Co. for every two shares of the stock of the Philadelphia, Wilmington and Baltimore RR. Co. In March, 1902, \$1,000,000 additional capital stock was issued under resolution of the board of directors on Jan 22, 1902, to provide means to acquire the capital stock of the Pennsylvania and Northwestern RR. Co., consisting of 45,000 shares, of a par value of \$50 a share, by issuing in exchange therefor one share of the capital stock of the Pennsylvania RR. Co. for every two and one-quarter shares of the stock of the Pennsylvania and Northwestern RR. Co. These several issues of stock bring the total amount outstanding on June 1, 1902, up to \$204,593,400.

17. Funded Debt.—The amount of funded debt, including mortgages on real estate and ground rents, Dec. 31, 1901, was \$88,893,323.57, being an increase of \$259,787.16 during the year in real estate mortgages (see Sec. 32).

18. Sinking Funds.—Under the provisions of the consolidated mortgage of the company, the sum of \$402,390 was set apart out of the net income for the redemption of the outstanding bonds secured by that mortgage. Twenty-nine thousand dollars of the bonds issued under this mortgage were purchased and cancelled, and this reduction in the funded debt appears in the general balance sheet, Sec. 31. The remainder of the sum was placed to the credit of the trustees of the sinking fund for investment under the terms of the mortgage. Their report shows the amount of \$7,648,760.41, in securities and cash, in the fund for the redemption of the bonds.

The trustees of the sinking fund for the redemption of the trust certificates issued for the purchase of the shares of the capital stock of the Philadelphia, Wilmington and Baltimore RR. Co. were not able to purchase any of these certificates during the year. The total amount purchased and cancelled to Dec. 31, 1901, was, therefore, \$2,298,000, leaving outstanding \$7,702,000.

The trustees of the sinking fund for the redemption of the 4 $\frac{1}{2}$ p. c. collateral trust loan were not able to obtain any of these securities during the year at the limit fixed in the agreement. The amount of this loan outstanding Dec. 31, 1901, was \$9,900,000.

Under the provisions of the 4 p. c. equipment trust gold loan, there was paid to the trustee during the year for the sinking fund the sum of \$136,400. The trustee was unable to obtain any of the bonds at the price fixed in the lease, and, in accordance with the terms thereof, the amount has been invested in additional equipment.

19. Securities of Other Corporations.—The entire cost of the securities of other corporations held by the company Dec. 31, 1901, was \$202,994,161.08. The increase over last year is due to further purchases of railway securities which yield a satisfactory return upon the investment. The direct revenue received therefrom during the year was \$7,781,720.38, which amounted to over 3 $\frac{1}{2}$ p. c. upon the cost thereof.

20. Car Trusts.—The issue of Car Trust securities made during the past year consisted of \$5,271,000 of certificates of Series "A," "B," "C," "D," "E," and "F," Pennsylvania Equipment Trust, bearing interest at the rate of $3\frac{1}{2}$ p. c. per annum. There will thus be furnished for the Pennsylvania RR. Co. 1,000 box cars, 1,000 long gondolas, 2,000 steel gondolas, and 500 steel flat cars; for the Western New York and Pennsylvania Ry. Co. 500 steel gondolas; for the Pennsylvania Co. 500 steel gondolas and 400 steel flat cars; and for the Pittsburgh, Cincinnati, Chicago and St. Louis Ry. Co. 100 steel flat cars; an aggregate of 6,000 cars.

Owing to the exceptional demand for equipment growing out of the prosperous condition of the manufacturing and other industries, it has been necessary to make further provision in this direction, not only through the Pennsylvania Equipment Trust, but by creating a new trust, known as the Pennsylvania Steel Car Trust, and by contracting for the building of 19,000 additional freight cars for the various lines embraced in the system. Though this action and the arrangements made for additional power, it is believed that the company's lines will be in condition to properly care for the traffic that is now taxing its facilities to the utmost.

The Car Trust Series in existence at the beginning of the year were:

Pennsylvania Rolling Stock Trust, Series A, B, C, D, E, F, G, H, I, and K.

Pennsylvania Car Trust, Series A, B, C, D, E, F, G, H, I, and K.

Those issued during the year were:

Pennsylvania Equipment Trust, Series A, B, C, D, E, and \$271,000 of Series F.

The total amount of certificates issued under the said series of the above Car Trusts was..... \$25,271,000 00

The payments made on account thereof during the year were as follows:

* For the purpose of proper comparison, the figures shown for 1900 include the results of operation of the New Castle Branch of Western New York and Pennsylvania Ry. for the entire year, while the report for that year included the results subsequent to August 1, 1900, the date the Pennsylvania Co. commenced to operate this branch.

24. CAPITAL STOCK AND FUNDED DEBT OF THE LINES WEST OF PITTSBURGH.

For the purpose of increasing its stock basis and acquiring the ownership of a large amount of securities connected with the western lines of the Pennsylvania RR. Co., the Pennsylvania Co. made a further issue of \$19,000,000 of its capital stock, which the Pennsylvania RR. Co. purchased at par.

An issue was authorized under date of Nov. 1, 1901, in accordance with an agreement between the Pennsylvania Co., the Pennsylvania RR. Co., and the Girard Trust Co., trustee, of \$20,000,000 of Pennsylvania Co. 15-year guaranteed 3½ p. c. gold debentures, secured by the deposit of \$25,000,000 of preferred dividend-paying railway securities, and by the covenant of the Pennsylvania Co. and the guaranty of the Pennsylvania RR. Co. the proceeds to be used for construction and equipment, and for the general corporate purposes of the Pennsylvania Co. A sinking fund is provided, under which one-fifteenth of the entire issue will be redeemed annually by lot at par.

The 7 p. c. mortgage bonds of the Chartiers Ry. Co., amounting to \$500,000, having matured October 1, 1901, were paid, and a new mortgage created, running for 30 years from that date, and securing \$625,000 of 3½ p. c. bonds, of which \$125,000 are held in the treasury of that company for its corporate purposes.

25. SINKING FUNDS OF THE LINES WEST OF PITTSBURGH.

No further redemptions could be made of the 4½ p. c. bonds secured by the \$20,000,000 mortgage of the Pennsylvania Co., so that the amount outstanding at the close of the year

was \$19,467,000. None of the 3½ p. c. guaranteed trust certificates of that company secured by the deposit of Pittsburgh, Fort Wayne and Chicago Ry. Co. guaranteed stock as collateral could be secured under the terms of the trust. The amount thereof outstanding at the close of the year was \$14,950,000.

Report made by the trustees of the sinking funds of the 1st and 2d mortgages of the Pittsburgh, Fort Wayne and Chicago Ry. Co. shows that they redeemed during the year \$66,500 of the 1st mortgage and \$34,000 of the 2d mortgage bonds, making the total amount redeemed to Dec. 31, 1901: 1st mortgage bonds, \$2,919,500; 2d mortgage bonds, \$3,146,500. With a balance of cash in the hands of the trustees, uninvested, Dec. 31, 1901: On account of 1st mortgage sinking fund, \$1,211,582.83; on account of 2d mortgage sinking fund, \$1,414,557.19—total, \$2,626,140.02.

Under the terms of the sinking fund provided for the redemption of the consolidated mortgage bonds of the Pittsburgh, Cincinnati, Chicago and St. Louis Ry. Co., \$321,000 of these securities were redeemed and cancelled; and \$36,000 of these bonds having been issued in lieu of a like number of Pittsburgh, Cincinnati and St. Louis Ry. 7 p. c. bonds, which had matured, the entire amount outstanding at the close of the year was \$34,402,000.

Under the provisions of the sinking fund established for the redemption of the 1st mortgage 7 p. c. bonds of the Jeffersonville, Madison and Indianapolis RR. Co., one of the constituent organizations of the Pittsburgh, Cincinnati, Chicago and St. Louis Ry. Co., \$1,979,000 of those securities have been redeemed and cancelled to Dec. 31, 1901, leaving \$964,000 outstanding.

26. Acquisition of New Line.—The Eel River RR., extending from Logansport to Butler, Ind., a distance of 94 miles, having been sold under foreclosure proceedings, was purchased Sept. 12, 1901, in the interest of the Pennsylvania Co., and reorganized as the Logansport and Toledo Railway. This road supplies a desirable connection between the Vandalia System and the Grand Rapids and Indiana Ry., and will greatly facilitate the movement of the passenger traffic between the Southwest and Northern Michigan.

32. Funded Debt.—The funded debt outstanding on Dec. 31, 1901—total, \$88,893,323.57, as per general balance sheet—consisted of the several issues of bonds, listed in the following statement. Additional particulars respecting any issue will be found in the paragraph relating thereto subjoined to the statement; and the details of funded debt outstanding on or about Aug. 1, 1902, will be found in the Ready Reference Bond List—see General Index:

\$19,997,000 gen. 6s of July 1, 1910, int. J., A., J. & O.
27,480,020 (\$ and £) consol. 6s of June 15 and July 1, 1905.
4,998,000 consol. 5s of Sept. 1, 1919.
2,882,000 consol. gold 4s of May 1, 1943.
4,850,000 consol. sterling 3½s of July 1, 1945.
1,000,000 Navy Yard 3½s of Jan. 1, 1931.

\$9,900,000 coll. trust gold 4½s of June 1, 1913.
2,728,000 equip. trust gold 4s of Sept. 1, 1914.
7,702,000 P., W. & B. stock trust cert. 4s of July 1, 1921.
2,000,000 real estate 1st gold 4s of May 1, 1923.
5,355,484 mortgages and ground rents payable.

GENERAL MTGE. BONDS.—Secured by first mortgage upon the main line between Philadelphia and Pittsburgh and upon the equipment and appurtenances thereof. Authorized issue, \$35,000,000.

CONSOL. MTGE. BONDS.—Secured upon the entire property and franchises of the company, subject to the lien of the gen. mtge. bonds on the property covered by that mtge. The consols are a first lien upon the company's leasehold interest in the United RRs. of New Jersey, and are further secured by deposit of bonds and stocks of an estimated cost value of \$54,025,301.16. All consols are equally secured under the same deed of trust, although issued at different periods. The authorized issue is \$100,000,000. A sinking fund of 1 p. c. is provided, which is applied to the purchase of consol. mtge. bonds whenever they can be obtained at par or under, but if the bonds are above par, the fund is allowed to accumulate.

NAVY YARD BONDS.—These were originally 6 p. c. bonds, but they matured Jan. 1, 1901, and were extended for thirty years, the rate of interest being reduced to 3½ p. c. per annum.

COLLATERAL TRUST GOLD BONDS.—Secured by deposit of \$13,845,000 bonds of subsidiary companies. The bonds are not liable to be drawn or compulsorily retired before maturity, but a sinking fund of 1 p. c., and interest on bonds redeemed, will be applied each half year to their purchase if they can be obtained at or below par and interest. The total issue was \$10,000,000, but \$100,000 of the bonds have been retired by action of the sinking fund.

EQUIPMENT TRUST GOLD BONDS.—Secured by mortgage upon the equipment purchased with their proceeds. There is provision in the mortgage for a sinking fund of 5 p. c. per annum, to be applied to purchase of the bonds at par and accrued interest or, if bonds can not be obtained at that price, to the purchase of additional equipment to be added to the same trust.

P., W. & B. STOCK TRUST CERTIFICATES.—For the payment of these certificates the faith of the Pennsylvania RR. Co. is pledged and they are further secured by deposit of 120,000 shares of capital stock of the Philadelphia, Wilmington and Baltimore RR. Co. The certificates, originally amounting to \$10,000,000, were issued to provide part of the means for the purchase of the P., W. & B. RR. (see SUMMARY OF PROGRESS, in the Manual for 1882, page 288). The dividends received on the 120,000 shares of P., W. & B. RR. stock, after providing for the interest on the outstanding certificates, may be applied as a sinking fund for their purchase whenever they can be obtained at a price not exceeding par and interest, any certificates thus purchased to be cancelled.

32a. Guaranteed Bonds.—The Pennsylvania RR. Co. guarantees or has assumed bonds of other companies as follows:

Allegheny Valley Ry.: \$5,892,000 gen. gold 4s of March 1, 1912, guaranteed as to principal and interest; \$9,998,000 Low Grade Div. 1st 7s (or 6 p. c. gold) of April 1, 1910, interest and principal to be purchased as they mature.

Baltimore and Potomac RR.: \$4,500,000 1st 6s (railroad and tunnel) of 1911, guaranteed as to principal and interest by the Pennsylvania RR. Co. and the Northern Central Ry. Co.

Belvidere Delaware RR.: \$1,749,000 consol. 4s—due \$500,000 Sept. 1, 1925; \$749,000 Feb. 1, 1927; and \$500,000 on Jan. 1, 1933—guaranteed as to principal and interest by the United Companies of New Jersey, and guaranty assumed by the Pennsylvania RR. Co. The \$1,000,000 1st 6s of June 1, 1902, were paid off at maturity.

Cambria and Clearfield R.R.: \$1,279,000 1st gold 5s of Jan. 1, 1941, assumed by the Pennsylvania RR. Co.

Camden and Burlington County R.R.: \$350,000 1st gold 4s of Feb. 1, 1927, guaranteed as to principal and interest.

Cleveland and Pittsburgh R.R.: \$9,721,136.34 gen. mtge. bonds and scrip (see statement for C. & P. RR. Co.), guaranteed as to principal and interest.

Connecting Ry.: \$798,000 1st 6s of Sept. 15, 1902-04, guaranteed as to principal and interest.

Delaware River R.R. and Bridge Co.: \$1,300,000 1st gold 4s of Aug. 1, 1936, guaranteed as to principal and interest.

Erie and Pittsburgh R.R.: \$3,823,000 gen. gold 3½s of July 1, 1940, guaranteed as to principal and interest.

Grand Rapids and Indiana Ry.: \$920,000 1st gold 3½s of July 1, 1941, and \$4,455,000 1st gold 4½s of July 1, 1941. The Pennsylvania RR. Co. undertakes to purchase the bonds and coupons, in case of default, such bonds and coupons to be held as a debt against the company.

Harrisburg, Portsmouth, Mount Joy and Lancaster R.R.: \$700,000 1st 4s of July 1, 1913, guaranteed as to principal and interest.

Indianapolis and Vincennes R.R.: \$1,700,000 1st 7s of Feb. 1, 1908, guaranteed as to principal and interest.

Pennsylvania Company: \$19,467,000 1st gold 4½s of July 1, 1921; \$4,950,000 guaranteed 3½ p. c. trust certificates, series A, of Sept. 1, 1937; \$10,000,000 guaranteed 3½ p. c. trust certificates, series B, of Feb. 1, 1941; and \$16,000,000 gold debenture 3½s of Nov. 1, 1916. All four issues are guaranteed as to principal and interest.

Pennsylvania Schuylkill Valley R.R.: \$5,000,000 1st 3½s of Dec. 1, 1935, assumed as of April 1, 1902, on purchase of Schuylkill and Juniata R.R.

Philadelphia and Erie R.R.: \$19,823,000 gen. mtge. gold bonds of July 1, 1920, of which \$8,680,000 are 6s, \$5,263,000 5s and \$5,880,000 4s, all guaranteed as to principal and interest.

Philadelphia, Germantown and Chestnut Hill R.R.: \$1,000,000 1st 4½s of May 1, 1913, guaranteed as to principal and interest.

Pittsburgh, Fort Wayne and Chicago Ry.: \$5,250,000 1st 7s of July 1, 1912; \$5,160,000 2d 7s of July 1, 1912; and \$2,000,000 3d 7s of July 1, 1912. Under the terms of the lease the 1st mtge. bonds and the 2d mtge. bonds are guaranteed as to interest and sinking fund payments, and the 3d mtge. bonds as to principal and interest, by the Pennsylvania RR. Co. By the assignment of the lease to the Pennsylvania Co. the latter became a guarantor to the same extent.

Ridgway and Clearfield R.R.: \$491,000 1st 5s of Nov. 1, 1923, guaranteed as to interest and sinking fund under the terms of the lease.

Sunbury and Lewistown Ry.: \$500,000 1st 4s of July 1, 1936, assumed as of April 1, 1902, on purchase of Schuylkill and Juniata R.R.

Sunbury, Hazleton and Wilkesbarre R.R.: \$1,000,000 1st 5s of May 1, 1928, and \$1,350,000 2d (income) 6s of May 1, 1938, assumed as of April 1, 1902, on purchase of Schuylkill and Juniata R.R.

United New Jersey R.R. and Canal Cos.: \$30,000,000 gen. mtge. gold bonds as per appended statement for U. N. J. R.R. & C. Cos., assumed and guaranteed both principal and interest.

Western Pennsylvania R.R.: \$4,000,000 consol. gold 4s of June 1, 1923, guaranteed as to principal and interest.

38. New Convertible 3½ p. c. Gold Bonds.—By resolution of the board of directors, March 12, 1902, stockholders of record on March 26, 1902, were offered the privilege of subscribing between April

21 and May 1, 1902, inclusive (on which latter date the privilege ceased), in an amount equal to 25 p. c. of their respective holdings of the stock of the company, to an issue of \$50,000,000 3½ p. c. 10-yr. gold bonds, to be issued under date of Nov. 1, 1902. These bonds will be convertible, at the option of the holder, into capital stock of the company at the rate of \$70 per share, on May 1, 1904, or any subsequent semi-annual interest period during the life of the bonds, on thirty days' written notice to the company. They may be called for redemption by the company at 102½ p. c. and accrued interest at any interest period beginning with May 1, 1904, on ninety days' notice, but when so called for redemption, they may, at the option of the holder, be converted on the day named for redemption, into stock as aforesaid, at the rate of \$70 per share, on thirty days' written notice to the company. The bonds are to be issued to provide the necessary funds (a) for the purchase of 19,000 additional 50-ton steel cars and 260 locomotives, at a cost of \$24,000,000; and (b) for the construction of the tunnel extension of the system into New York City and the purchase of real estate for passenger stations, the expenditures for which purposes during the years 1902 and 1903 are estimated at \$20,000,000; and for other corporate purposes.

34. Property Included in Cost of Road and Equipment.—The total line charged in construction account for road between Philadelphia and Pittsburgh includes the Harrisburg, Portsmouth, Mt. Joy and Lancaster RR., 109.22 m., represented by \$1,882,550 guaranteed stock and bonds of that company; the branches to Indiana, Hollidaysburg, and Morrison's Cove; branch at Tyrone and branch to connect with P., V. & C. RR. and branch; Columbia Bridge; branches from Columbia to York, and sundry other branches and extensions, and including wharves and grain elevator, and cost of stations, warehouses, and shops. The equipment, charged in equipment account, consists of locomotives, passenger cars, baggage, mail, and express cars, freight cars, and road cars, as well as shop machinery, steamboats, car floats, and canal equipment, schooners, barges, and tugs.

40. GENERAL REMARKS.

The report of the Managers of the Trust created Oct. 9, 1878, shows that there has been paid to this Trust by the company to Dec. 31, 1901, the sum of \$5,036,646.04; that on that date securities amounting at par to \$10,926,090 were held in the Trust, and that the total income therefrom has been \$8,517,161.94. There was appropriated to the Trust for the year 1901, the sum of \$109,673.45, and the interest received on securities held in the Trust during the year averaged about $4\frac{1}{2}$ p. c. on their cost.

The statement of the Insurance Fund shows assets on hand at the end of the year of \$4,863,603.62, being an increase, as compared with 1900, of \$231,198.05.

The membership of the Employees' Voluntary Relief Department of the Lines East of Pittsburgh and Erie continues to increase, and aggregated 59,670 at the close of the year, being a gain of 8,142 members as compared with the previous year. The statement of the operations of the Fund shows that during the year the members contributed \$937,040.69, while the company and its affiliated lines paid \$148,357.13 for operating expenses. The total receipts of the Department, including interest and other items, were \$1,176,206.17, which, with \$377,331.05, the balance on hand at the beginning of the year, made an aggregate of \$1,553,537.22, out of which \$376,274.18 was distributed as death benefits (being an average in each case of about \$560.77), and \$590,362.11 in cases of disability arising from sickness and accident. After meeting its obligations for the year, a balance of \$357,269.45 remained to the credit of the Fund, from which must be paid unadjusted claims for benefits growing out of sickness or accident during the year 1901 and previous years. In addition to this balance there is a surplus which has accumulated during the life of the Fund, amounting to \$751,256.25, which has been invested in securities yielding a return of 4 p. c. upon their cost.

The statement of the Employees' Saving Fund shows that the number of employees who availed themselves of its benefits continues to increase, there being 7,655 at the end of the year, a gain of 526 over the preceding year. The amount received from depositors during 1901 was \$791,857, and the balance in the Fund, at the close of the year, was \$3,219,908.22. Of this amount, \$3,100,000 has been invested in securities, bearing interest at an average rate of over $3\frac{1}{2}$ p. c.

The Pension Department is fully meeting the purposes of its organization. During the year there were retired 141 employees who had reached the seventy-year limit, and 88 employees between sixty-five and seventy years of age, who had been over thirty years in the service and were incapacitated for further active work. Of the employees who had been formerly retired 100 died during the year, so that there are now carried on the rolls 921 employees over seventy years of age and 184 between sixty-five and seventy years of age. The amount of allowances paid during the year was \$236,648.02.

It has been deemed to the interest of the company, in the administration of the Pension Department, to pursue a liberal policy toward the employees between sixty-five and seventy years of age who become incapacitated for active service. This, together with the extension of its benefits to the Buffalo and Allegheny Valley Division, which has become a part of the system since the department was inaugurated, has increased the demands upon the fund, so that a somewhat larger sum will be necessary to meet its requirements. The approval of the stockholders will therefore be asked at the annual meeting for an increase of the maximum annual appropriation to this fund from \$230,000 to \$300,000.

It will be seen from the Income Account that the revenues were sufficient to permit the payment of an extra dividend of 1 p. c. in addition to the regular dividend of 5 p. c., and the application of a large sum to the revision of grades and alignment and the improvement of equipment and terminal and other facilities. After deducting the advances to coal and other companies in the system, and the amounts charged off in reduction of the value of securities and for extraordinary expenditure, from the sum realized from the premium on the stock allotment, profit on sale of securities and miscellaneous sources, there was a balance of \$6,825,171.99, of which \$5,000,000 was transferred to the Extraordinary Expenditure Fund, and the residue to the credit of profit and loss.

In pursuance of the action of the stockholders at the last meeting and of the vote taken thereon at the annual election, the authorized capital stock of the company was increased by the sum of \$100,000,000, the company at the same time, as a necessary prerequisite, accepting the provisions of the Constitution of Pennsylvania which went into effect Jan. 1, 1874. Under the power thus conferred an allotment was made by the board of directors, to the shareholders, of $33\frac{1}{3}$ p. c. of their holdings on April 26, 1901, at \$60 per share. This increase appears in the balance sheet on page 664, and the proceeds thereof were applied to the payment of the temporary collateral investment obligations amounting to \$20,650,000, and appearing in the balance sheet as of Dec. 31, 1900, the purchase of additional railway securities, the payment for the stock of the Long Island R.R. Co. referred to in the last report, the redemption of bonds upon various roads in the system, and the general corporate purposes of the company.

A further issue of the capital stock was made for the purpose of acquiring the stock of the Philadelphia, Wilmington and Baltimore RR. Co. not owned by the company. This road forms an important link in the line between New York and Washington, and as the Penn. RR. Company already held over 90 p. c. of its stock, and in conjunction with the Northern Central Ry. Co. owns all the

stock of its Southern connection, the Baltimore and Potomac RR., it was deemed wise that the company should become its sole proprietor, and the two roads, the Philadelphia, Wilmington and Baltimore and Baltimore and Potomac, be hereafter merged into one organization. This is considered the more essential, as large expenditures will be required in connection with the revision of the line and the elimination of grade crossings in the National Capital, the erection of a new passenger station at that point, and the renewal of the bridge over the Potomac River, and it is believed that the financial arrangements in connection therewith can be more advantageously made after such consolidation.

The stockholders having also directed the classification of the directors under the provisions of an Act of Assembly approved Feb. 9, 1901, the present members of the board were elected in March, 1901, to serve respectively for terms of from one to four years. The terms of the members of the first class, four in number, expired in March, 1902, and at all elections hereafter held those chosen will serve for the full term of four years.

A very large amount of work upon the Main Line and branches and on the United RRs. of New Jersey is included in the extraordinary expenditure for the year. The improvements at West Philadelphia cover a change of alignment between Powelton Avenue and Market Street, the erection of a station at that point for the interchange of passenger traffic between the Main Line, the United RRs. of New Jersey, and the Philadelphia, Wilmington and Baltimore RR., and for the use of fast express trains that do not enter Broad Street Station, and the elimination of the existing grade crossings of the freight tracks by the Main Line passenger tracks and those of the Schuylkill Division. This work is being vigorously prosecuted and will be completed during the coming summer.

The pneumatic automatic signals were completed to Paoli, the revision of the line and the construction of the four-track system completed at Rheems, on the Philadelphia Division, and the under-grade crossing at Market Street partially constructed under the agreement with the municipal authorities of Harrisburg.

On the Middle Division the masonry of the new bridge over the Susquehanna River was completed and it will be put in service early in the spring. The improvement at Marysville embraces the construction of about two miles of new line and of a south leg to the Y at that point, and will enable the passenger tracks to be carried over the Northern Central line and yards, and facilitate the train movement of both systems. A large amount of work was also done in the revision of the line and the extension of the four-track system at various points, notably between Duncannon and Aqueduct, Lewistown and Mifflin, and Mount Union and Mill Creek. The new line at Duncannon eliminates a number of grade crossings in the town and includes the construction of stone bridges over Sherman's and Juniata Creeks. The completion of the work at Iroquois, west of Aqueduct, closes up the four-track system from Duncannon to a point near Newport, while that between Lewistown and Mifflin will make it continuous, with the exception of about three-quarters of a mile, from near Port Royal to the Manayunk bridge. The large outlay between Mount Union and Mill Creek will complete the system between Mount Union bridge and Spruce Creek. The third track was also extended from Spruce Creek to Union Furnace, thus making it continuous from Spruce Creek to Tyrone.

On the Pittsburgh Division the further improvement of the line on the western slope of the mountain necessitated an exceptionally large expenditure between Wilmore and Summerhill, and will result in the establishment of the four-track system between those points on a shorter distance and much reduced curvature. Between Latrobe and Beattys the same policy is being pursued, and will result in the elevation of the tracks through Latrobe and the construction of a new stone four-track bridge over the Loyalhanna. Similar work is in progress between Larimer and Stewart, and the line has also been revised between Stewart and Pitcairn.

In Pittsburgh, the waiting-room of the new passenger station has been in service since Oct. 1, and the reconstruction of the terminals at that point, including the elevation of the tracks between the station and the bridge across the Allegheny River, is almost completed, with the exception of the train shed and office building, which will be finished in the course of a few months. The reconstruction of the bridge across the Allegheny River will be taken up promptly, and in connection therewith, the tracks of the Western Pennsylvania Division and of the Pittsburgh, Fort Wayne and Chicago Railway will be elevated through Allegheny City. It is also necessary that the most liberal expenditures should be made in the district of which Pittsburgh is the center to enable the company to handle promptly and effectively the heavy freight traffic originating and concentrating at that point.

This is requisite, not only on the Main Line, but on the South side, where, during the past year, the Pittsburgh, Virginia and Charleston Ry. Co. has made very large outlays in the purchase of real estate so as to provide the four tracks and terminal facilities necessary for its business. At the same time the Southwestern line, the Pittsburgh, Cincinnati, Chicago and St. Louis Ry. Co., has undertaken a most difficult and expensive piece of work in the same vicinity for the purpose of securing the additional tracks and facilities essential to its efficient operation.

On the branch and auxiliary lines, the principal expenditures were upon the roads specially engaged in the bituminous coal traffic.

On the South Fork and Scalp Level and Ebensburg and Black Lick Roads extensions were made to develop the coal territory tributary thereto; on the Southwest Pennsylvania Ry. the second track was extended between Radabaugh and County Home Junction and the Youngwood yard improved, while additional branches and sidings were constructed on the Tyrone and Clearfield and Cambria and Clearfield Railroads. On the Western Pennsylvania RR., the Sang Hollow extension, which had been heretofore used as a siding for the traffic of the Cambria Steel Co., was reconstructed and put in service as a fourth track between Johnstown and Bolivar.

Large purchases were made during the year for right of way and real estate required for the improvement of the company's lines. The piers at Greenwich and Shackamaxon Street, and other points on the Delaware River at Philadelphia, were improved and extended, the yards at various points enlarged, and additional tools and machinery provided at the Altoona and other shops.

On the United RRs. of New Jersey Division, the ferry house at Desbrosses Street was completed, the piers and tracks at Harsimus Cove improved, and the trestle on that branch partially replaced by masonry and embankment. The yards at the Meadows were extended and raised in connection with the construction of the Passaic Branch of the New York Bay RR. around Newark, which was finished during the year. The main line of the New York Bay RR. was completed to the bay, and the extension to Greenville is under construction, as also the necessary bulkheads and piers at that point for handling traffic destined to and beyond Long Island and to New York Harbor.

The work of elevating the tracks through the city of Newark is being pushed forward and the change of line east of the bridge at New Brunswick has been completed preparatory to raising the bridge over the Raritan at that point, and elevating the tracks through that city. The necessary action of the municipal authorities at Trenton having been taken, and the real estate required for the new bridge at that point having been obtained, it will be erected this year. Large purchases of real estate and right of way have also been made with a view to improvement of the alignment through Frankford and Bristol.

On the Main Line, in addition to the usual Car Trust payments for freight cars, large sums have been expended in rebuilding and increasing the passenger equipment, and providing additional motive power. The orders placed by the company for engines and cars have been far in excess of any similar provision

heretofore made during a like period, but as before noted, it will be necessary to further pursue this policy, even at the risk of having idle equipment hereafter, when the pressure that now exists from the manufacturing industries may have somewhat relaxed.

The total amount of these expenditures during the year upon the Main Line between New York and Pittsburgh, and the branches operated in connection therewith, including \$5,006,317.86 for equipment, was \$17,361,351.30. Of this amount \$3,000,000 was provided by the fund set aside from the income of 1900, \$10,824,594.66 was charged against the income of the past year, and \$3,536,756.64 against the premium received from the stock allotment. Additional expenditures upon the branch roads amounting to \$3,404,612.50 were met by the several companies out of their own resources.

The extraordinary expenditure during the current year will be largely confined to the work now under way, covering the improvements on the passenger line between Broad Street Station, Philadelphia, and Overbrook, the outlay on office building, train shed and other terminal improvements at Pittsburgh, and the completion of the four-track system between Duncannon and Aqueduct, Lewistown Narrows and Mifflin, and Mount Union and Mill Creek on the Middle Division, and between Wilmore and Summerhill, Latrobe and Beattys, and Larimer and Stewart on the Pittsburgh Division.

It will, however, also be necessary to improve the passenger station at Harrisburg, to construct a new single track tunnel at Gallitzin, and hereafter rebuild the old tunnel, and to improve the Port Perry bridge and tunnel so as to accommodate the traffic passing to and from the Pittsburgh, Virginia and Charleston Ry.

The elevation of the road through Newark, New Brunswick, and Trenton will require considerable outlay, as well as the extension of the New York Bay RR. to Greenville and the construction of the necessary facilities at that point.

The piers at Jersey City used by steamers engaged in ocean traffic require renewal and improvement, and the piers at Philadelphia will need additional outlay.

It will be noted that the sum of \$5,000,000 has been transferred to the Extraordinary Expenditure Fund, to be applied to these general purposes.

The directors have long felt that the interests of the company, as well as the convenience of the public, require the extension of the line into New York and the establishment of a centrally located passenger station in that city, through which the inconvenience and delays of the transfer by ferry will be avoided. Various methods of accomplishing this result have at different times been considered. The great cost of a bridge excluded that plan, unless all the railroad companies whose lines terminate on the west bank of the North River would join in the undertaking. Efforts were made to bring this about, and the Board offered to co-operate with the other companies to that end, but the project failed to receive the necessary support. The alternative was the construction of a tunnel line; but the difficulties incident to the operation by steam of a tunnel, at the depth and with the gradients required by the topographical conditions, seemed to make that method almost, if not quite, impracticable. Meanwhile, however, the successful operation of a number of tunnels in different parts of the world by electric power, notably the perfect working of the Orleans Railway Extension in Paris, indicated that a satisfactory solution of the problem might be found in the construction of a line, to be operated by electricity, under the North River to a terminal station in New York, and thence under the East River to a connection with the Long Island RR.: the tunnels to be of such dimensions as to admit of the passage of standard trains, and electric motors to furnish the power for the transfer of the trains through the tunnels.

This plan has a great advantage over the bridge, in that it provides a direct connection between the company's system west of the river and the Long Island RR., and gives to that road the benefit of a terminal station in New York. Preliminary investigations having favored its adoption, it was thought best to proceed at once to acquire ground for a station upon the location selected. This has been done and the greater part of the necessary property purchased at a reasonable price. The importance and cost of this work, however, and the fact that novel engineering questions were involved, made it the duty of the Board, before proceeding further, to have the plans for construction, and in fact the whole subject, thoroughly studied by competent engineers. For this purpose a commission was created consisting of five civil engineers eminent in their profession, namely:—Col. Charles W. Raymond, United States Army, Chairman; Mr. Gustav Lindenthal; Mr. William H. Brown, Chief Engineer Pennsylvania RR. Co.; Mr. Charles M. Jacobs, and Mr. Alfred Noble.

This commission will supervise the preparation of all plans, and will have general control of the undertaking. The two members last named will have direct charge of the work, which has been divided into two sections, the North River section having been assigned to Mr. Jacobs, and the East River section to Mr. Noble. The study of the project has already progressed far enough to establish its entire practicability. As soon as the problem of building a tunnel under the North River was seriously dealt with, its supposed difficulties largely disappeared, and the commission will have, in fact, a choice between several feasible plans. The cost of the work will be large, but the Board are satisfied that the expenditure will be fully justified by the results obtained. In undertaking such a work, the Board has relied upon the cordial co-operation of the communities which will be so largely benefited by its completion, and they feel assured that such proper legislation as may be necessary to consummate the project will have the support of the authorities both of the State and City of New York.

Under the provisions of an Act of Assembly of the Commonwealth of Pennsylvania, of March 22, 1901, authorizing the absorption by one railroad company of other lines connecting therewith, in which it has an ownership of two-thirds of the capital stock, it is proposed to consolidate with the company's lines the Schuylkill and Juniata and Trenton Cut-Off RR., in which the company is practically the sole shareholder. Resolutions authorizing this action were submitted for the stockholders' approval at the annual meeting. It will be remembered that the Schuylkill and Juniata Railroad extends from a connection with the Main Line at Philadelphia via Reading to Wilkesbarre, and via Sunbury to a junction with the Main Line near Lewistown, and thus forms an important highway between the city of Philadelphia and the valleys of the Schuylkill, Susquehanna, and Juniata Rivers. The Trenton Cut-Off forms a portion of the branch which diverges from the Main Line at Glen Loch, about 25 miles west of Philadelphia, and connects at Morrisville, Pa., with the Philadelphia and Trenton RR., an important link in the United New Jersey RR. system, and which was built to give a more direct route for the heavy coal and other traffic between the Main Line and the New York Division, and thus avoid the delays attendant upon its passage through the Philadelphia terminals.

In connection with the reconstruction of terminal facilities at Washington, it was deemed advisable to unite under one control the Washington Southern and Richmond, Fredericksburg and Potomac Rys., the two roads forming the line between Washington and Richmond, and to have this line owned jointly by the Northern and Southern lines reaching the National Capital. The company therefore sold the Washington Southern Ry. to, and became a joint proprietor in, the through line referred to on Nov. 1, 1901.

A consolidation was made, taking effect January 1, 1902, under which the Philadelphia, Germantown and Chestnut Hill, Englewood, Kensington and Tacony, Fairhill, Bustleton, and Philadelphia, Bustleton and Trenton RRs. were consolidated with the Connecting Ry. Company. This simplifies the working of these railways and merges into one corporation lines having a common interest, and practically covering the local territory between the Main Line and the United RRs. of N. J. system.

41. RAILROADS LEASED OR OPERATED BY THE PENNSYLVANIA RR. CO.

Allegheny Valley Ry.—Oil City to Pittsburgh, Pa., 132.5 m.; New Kensington to Earnassus, Pa., 1.31 m.; Verona to Plum Creek, Pa., 6.80 m.; Itebank to Driftwood, Pa., 109.7 m.; Lawsonham to Sligo, Pa., 10.20 m.—total, 260.51 m.; 2d track, 20.06 m.; total track (steel, 430.18 m.), 433.62 miles. Gauge, 4 ft. 8½ in. Rail, 60 and 85 lbs. Reorganization March 2, 1892, of the Allegheny Valley RR. Co., whose property was sold under foreclosure Dec. 15, 1891. (See Manual for 1893, page 693.) The Brookville Ry. (see General Index) was built by this company under a separate charter, and is leased to the lumber firm of Heldrick & Matson Co. of Brookville, Pa. On July 14, 1900, this property was leased to the Pennsylvania RR. Co. for 20 years from Aug. 1, 1900; rental, net earnings. This road and the Western New York and Pennsylvania Rys. are operated as the "Buffalo and Allegheny Valley Division" of the Pennsylvania RR. Locomotives, 87. Cars—passenger, 46; combination, 1; baggage, mail, and express, 17; freight, 505; gondola, 2,617; flat, 13; income, 35,070; service, 241.—total cars, 3,375. (See Manual for 1900, page 693.) Balance Sheet, Dec. 31, 1901.—Rental, \$1,398,443; interest received, \$91—total, \$1,398,535. Payments: Interest on bonds, \$975,540; expenses and taxes, \$168,873; sinking fund and other charges, \$254,122—total, \$1,398,535. Balance Sheet, Dec. 31, 1901.—Capital stock (shares, \$50) paid in (common, \$10,544,200; preferred, \$17,174,398), \$27,718,598; funded debt outstanding, \$16,695,000; bonds and mortgages, \$589,065; miscellaneous liabilities, \$296,296—total, \$45,298,959. Contra: Cost of road and equipment, \$43,172,290; stocks and other investments, \$703,108; other assets, \$99,163; profit and loss, \$1,324,398—total, \$45,298,959. Total authorized capital stock (preferred, 3 p. c. cumulative, \$18,000,000; common, \$12,000,000), \$30,000,000. The increase of 150 in preferred stock during the year was caused by the conversion of stock scrip. Funded debt consists of \$9,968,000 Low Grade Div. 1st 7s of April 1, 1910; \$800,000 Low Grade Div. 2d 5s, due \$100,000 yearly; \$5,892,000 gen. gold 4s of March 1, 1942; and \$5,000 paid due River Div. 1st mtge. bonds.

The 1st mtge. River Division bonds, all but \$5,000, were paid off to Dec. 31, 1898. Having found it impossible to ascertain the ownership of these five bonds, the trustee has entered satisfaction of the mortgage in full on the records after filing a proper bond of indemnity as security. The Low Grade Div. 2d mtge. bonds are payable \$100,000 each Jan. 1. The gen. mtge. bonds are unconditionally guaranteed, both as to principal and interest, by the Penn. RR. Co., by endorsement on each bond. Authorized amount, \$20,000,000, of which \$17,100,000 (being the principal and 8 p. c. additional of the prior liens not divested of their security) were reserved to retire the prior liens at maturity, and \$1,000,000 for improvements and betterments to the property. The Penn. RR. Co. agrees to purchase the interest on the 1st 7s of 1910 as it falls due, and the bonds themselves at maturity. During 1896 the coupons which had been purchased and were held by the Penn. RR. Co. were paid off with preferred stock. The Low Grade Division 1sts are a 2d mtge. on the River Division. W. H. Barnes, Pres.; Robert W. Smith, Treas.; John M. Holding, Sec.; Philadelphia, Pa. Office, Broad Street Station, Philadelphia, Pa.

Bald Eagle Valley Ry.—Vall Station to Lock Haven, Pa., 51.20 m.; Snow-Shoe Intersection to Per Se, 22.22 m.; Milesburg to Bellefonte, 2.99 m.; Junc. with L. & T. RR. to Bellefonte, 9.45 m.; Sugar Camp Junc. to Sugar Camp Mines, 4.72 m.; Graner Branch Junc. to Terminus, 2.05 m.—total, 92.63 m.; total track (steel, 112.45 m.), 116.37 miles. Rail, 70 lbs. Chartered March 25, 1861; road opened Dec. 7, 1864. Leased for 99 years to the Pennsylvania RR. Co. (see Manual for 1893, page 894). Rental, year ending Dec. 31, 1901, \$266,626; other receipts, \$7,868—total, \$274,495. Expenses and taxes, \$17,234. Net income, \$257,260. Payments: Interest on bonds, \$19,040; sinking fund and other charges, \$17,600; dividends (10 p. c.), \$140,625—total, \$177,265. Surplus, \$79,995.

Balance Sheet, Dec. 31, 1901.—Capital stock, \$1,535,000; funded debt (1st mtge. 6s of July 1, 1910), \$316,000; sinking fund, \$84,000; accrued interest, \$9,480; profit and loss, \$626,653—total, \$2,571,133. Contra: Cost of road, etc., \$1,896,376; stocks and other investments, \$128,750; other assets, \$546,007—total, \$2,571,133. John P. Green, Pres.; Samuel Rea, Vice-Pres.; Albert Hewson, Sec.; Taber Ashton, Treas., Philadelphia, Pa. Office, Broad Street Station, Philadelphia, Pa.

Barnegat RR.—For particulars relating to this railroad see page 180. The road is leased to the Manahawkin and Long Beach Transportation Co., but is operated by the Pennsylvania RR. Co. as a branch of the Amboy Div. of the United RRs. of New Jersey.

Bedford and Bridgeport Ry.—Mount Dallas, Pa., to Maryland State Line, 38.70 m.; Dunning Creek Branch to Holderbaum, Pa., 10.47 m.—total, 49.17 m.; total track (steel, 48.70 m.), 59.42 miles. Rail, 60, 67, and 70 lbs. Reorganization, May 5, 1891, of the B. & B. RR. Co., whose road was sold under foreclosure March 26, 1891. Operated by the Penn. RR. Co. under contract dated May 1, 1891. Rental, year ending Dec. 31, 1901, \$143,503. Expenses and taxes, \$7,142. Net income, \$136,361. Paid interest on bonds, \$85,000. Surplus, \$51,361. Balance Sheet, Dec. 31, 1901.—Capital stock, \$600,000; funded debt (5 p. c. certificates of indebtedness, due May 1, 1906), \$1,700,000; accrued interest and unfunded debt, \$127,869—total, \$2,427,869. Contra: Cost of road, etc., \$2,305,112; profit and loss, \$122,756—total, \$2,427,869. R. D. Barclay, Pres.; Albert Hewson, Sec.; Taber Ashton, Treas., Philadelphia, Pa. Office, Broad Street Station, Philadelphia, Pa.

Belvidere Delaware RR.—Trenton to Manunka Chunk, N. J., 67.49 m.; Coalport in Trenton to East Trenton, N. J., 1.67 m.; to Lambertville to Flemington, N. J., 11.55 m.; Martin's Creek, N. J., to Bangor and Portland Ry. Junc., Pa., 0.29 m.—total, 81.0 m.; 2d track, 0.81 m.; total track (steel, 146.57 m.), 157.87 miles. Chartered March 2, 1836; road completed Nov. 5, 1855. Leased to U. N. J. RR. & Canal Co., and lease assigned to Penn. RR. Co., March 7, 1876. On Feb. 26, 1896, the Martin's Creek Ry. of Penn., the Martin's Creek Ry. of New Jersey and the Enterprise RR. were merged into this road. For particulars relating to the merged railroads, see Manual for 1896, pp. 729 and 730. Rental, year ending Dec. 31, 1901, \$412,087. Expenses and taxes, \$51,246. Net income, \$360,840. Payments: Interest on bonds, \$129,060; sinking fund and other charges, \$38,031; dividends (5 p. c.), \$62,650—total, \$230,641. Surplus, \$130,200.

Balance Sheet, Dec. 31, 1901.—Capital stock, \$1,253,000; funded debt outstanding (1st mtge. 6s of 1902, \$1,000,000; consol. mtge. 4s of 1925, \$500,000; consol. mtge. 4s of 1927, \$749,000; consol. mtge. 4s of 1933, \$500,000), \$2,749,000; current liabilities, \$34,870; sinking fund, \$164,000; profit and loss, \$631,601—total, \$4,832,471. United New Jersey RR. and Canal Cos.—Jersey City to Trenton, N. J., 56.54 m.; South Amboy to Camden, N. J., 61.22 m.; branches, 27.15 m.—total, 144.91 m.; 2d track, 98.25 m.; 3d track, 55.85 m.; 4th track, 56.04 m.; sidings, 289.54 m.—total track (steel, 605.11 m.), 644.59 miles. Canal owned: Bordentown to New Brunswick, and feeder, 66 miles. The Delaware and Raritan Canal Co. and the Camden and Amboy RR. Co. were both chartered Feb. 4, 1830, the former to construct a canal to connect the Delaware and Raritan Rivers, and the latter to build a railroad from the Delaware River to Raritan Bay. In Feb., 1831, an act was passed authorizing the consolidation of the capital stocks of these two companies; they were thus practically consolidated, although nominally distinct corporations. Their affairs were managed jointly by the directors of both, and they were to share equally in profits. Under this joint management the construction of the works was begun. The main lines of the railroad and canal were completed in 1834, and the branches in 1838. In 1836 the Joint Companies acquired a controlling interest in the stock of the Philadelphia and Trenton RR. Co., and entered into an agreement with that company for an equal division of their joint profits. In Jan., 1867, an agreement was entered into between the United Cos. and the New Jersey RR. and Transportation Co., which owned the line between New Brunswick and Jersey City, forming a link in the through New York-Philadelphia route, for a consolidation of interests; and under this agreement the profits were equally divided between the four companies—the Delaware and Raritan Canal Co., the Camden and Amboy, the New Jersey, and the Philadelphia and Trenton RR. Cos. On June 30, 1871, the entire property was leased to the Pennsylvania RR. Co. for 999 years, the lessee receiving all assets and assuming all obligations, and guaranteeing to the United Cos. an annual rental equal to 10 p. c. on the aggregate capital stock, and an equal rate of dividends to the Philadelphia and Trenton.

The United New Jersey Railroads, extending from Camden to Amboy, and from Trenton to Jersey City, with branches and connections, a distance of 467.31 miles; Hudson River Ferries, 1 mile and canal from Bordentown to New Brunswick and feeder, 66 miles, are operated as the United Railroads of New Jersey Division of the Pennsylvania RR. Co.

Income Account, year ending Dec. 31, 1901.—Gross earnings, including Delaware and Raritan Canal, \$24,330,588; expenses, railroad and canal, \$17,305,230; net earnings, \$7,025,359. Gauge, 4 ft. 8½ in. Rail—iron, 50 and 56 lbs.; steel, 56, 70, 80, and 90 lbs.

2. History.—Chartered April 24, 1834; main line opened to Greenport, July 19, 1844. The other lines were acquired from time to time, by consolidation or otherwise, as shown in the MANUALS for 1888 and subsequent years. In May, 1900, the Pennsylvania RR. Co. acquired the control of this company.

The company controls the New York and Rockaway Beach Ry. and the Prospect Park and Coney Island RR., by ownership of capital stock. The Prospect Park and Coney Island RR. is leased for 999 years from June 17, 1899, to the Brooklyn Heights RR. Co., a controlled company of the Brooklyn Rapid Transit Co., statement for which see.

The Long Island RR. is connected with the Brooklyn Elevated RR. by means of inclines at the Flatbush Avenue Station and at Chestnut Street, Brooklyn; and under a contract with the Brooklyn Elevated RR. Co., made in April, 1898, and to endure for fifty years, there is through train service from the Broadway Ferry, Brooklyn, to Rockaway Beach and to Jamaica, and from the Brooklyn Bridge to Coney Island and to Jamaica.

Besides its railroads the company operates ferry lines between Long Island City and the city of New York (Manhattan Borough), and controls the Montauk Steamboat Co., which operates a line of boats between New York City and North Shore points, and between Sag Harbor, Greenport, and New London. Also, the company owns the Huntington RR., a trolley line, whose statement will be found elsewhere in the MANUAL. (See GENERAL INDEX—STREET RAILWAYS.)

The New York and Long Island Terminal Ry. Co. was incorporated on June 19, 1899, by interests friendly to the Long Island RR. Co., to build a tunnel from the Flatbush Avenue Station to a point in lower Manhattan Island. On May 21, 1901, the Municipal Assembly of New York granted the necessary authority for the construction of a tunnel from the City Hall to the Flatbush Avenue Station, and the ordinance was approved by the mayor on June 1, 1901.

On April 8, 1901, the Governor of the State of New York approved an act of the Legislature amending the original Atlantic Avenue Improvement Act so as to permit the work to proceed, and it is now under way. It is estimated this will cost \$2,500,000, of which amount the City of New York will pay one-half. Ninety-one highway or foot grade crossings and nine electric railroad grade crossings will be eliminated by this improvement, and greater speed and safety will thereby be assured.

The Long Island Extension RR. Co. was organized on June 21, 1901, to construct a double track tunnel electrical railroad as a practical extension of this system into New York City. It will extend from the terminal of the Long Island RR. at Long Island City, under the East River and 33d Street, making connection with the underground station of the New York Subway at 33d Street and 4th Avenue, and having an underground station near Broadway. Application for the necessary franchise has been made to the Board of Rapid Transit Commissioners of the City of New York. As soon as the necessary franchise is obtained, work will be begun and pushed as rapidly as possible, and when completed, the line will be operated by the Long Island RR. Co.

3. Rolling Stock, June 30, 1901.—Locomotives, 163. SECOND (NOW FIRST) MORTGAGE BONDS.—First lien on the main line from Long Island City to Greenport; on 29.35 m. of the line to Sag Harbor, from Eastport Junc.; on the branches from Mineola to Hempstead, from Hicksville to Northport, from Manor to Eastport Junc., from Floral Park to Creedmoor, and on 10.45 m. of the Locust Valley Branch, from Mineola to Locust Valley; in all, 158.40 miles. The authorized issue is \$1,500,000, but all unissued bonds have been cancelled.

CONSOLIDATED MORTGAGE GOLD BONDS.—Secured on the entire property owned by the company, but subject to the lien of the 2d mtge. bonds on the 158.40 m. of road described above. The authorized issue is \$500,000. The trustee holds a sufficient amount to retire the 2d mtge. bonds.

GENERAL MORTGAGE BONDS.—Secured on the entire property owned by the company, subject to the liens of prior mortgages.

DEBENTURE GOLD BONDS.—Issued for improvements. The bonds are provided for in the unified mortgage.

UNIFIED MORTGAGE GOLD BONDS.—Secured on the entire property, rights, and franchises of the Long Island R.R. Co., including the interests of the company in leased and controlled properties. The bonds were authorized for the purpose of facilitating the unification and consolidation under a single corporation of the various interests embraced in the Long Island Railroad System and to provide means for future enlargements and betterments. The authorized issue is \$45,000,000, the rate of interest not to exceed 4 p. c. per annum. The \$39,340,000 bonds unissued on June 30, 1901, were held in reserve for the following purposes: \$1,765,000 for the retirement, at maturity, of the \$1,500,000 5 p. c. debentures of June 1, 1934, issued by the Long Island R.R. Co.; \$23,325,000 for the retirement of all prior liens on lines owned, leased, and controlled; \$1,250,000 to provide for the company's one-half of the cost of Atlantic Avenue Improvements in the Borough of Brooklyn; \$1,000,000 to provide for the cost of the abolition or change of grade crossings; \$8,000,000 to provide for a change of motive power in case such change be deemed desirable by the company, the remaining \$4,000,000, together with any of the bonds reserved for the purposes before mentioned, but not so used, to be issued at the rate of \$400,000 per annum for permanent betterments and improvements and the acquirement of additional property. (See Manual for 1899, page 1418.) It is provided that all securities acquired by use of unified bonds shall be held by the trustee as additional security for these bonds, and that all property acquired by use of the bonds shall be subjected to the lien of the unified mortgage. The real estate mortgages (see general balance sheet) are held alive by the trustee under this mortgage. The company reserves the right to redeem any or all of the unified mtge. bonds, on any interest day, at 110 p. c. and accrued interest.

LONG ISLAND R.R. FERRY BONDS.—The Metropolitan bonds are secured by first mortgage on the real and personal property formerly of the Metropolitan Ferry Co. (34th St. and James Slip Ferries). The company has the right to redeem any or all of the bonds at any time at 110 p. c. and accrued interest, or may purchase any or all of them at any time at or below the price stated. The Long Island Ferry 1st mtge. bonds are a direct obligation of the Long Island R.R. Co., and are additionally secured by a purchase money mortgage on the property covered by the Metropolitan bonds, but subject to the lien thereof. The authorized issue is \$2,750,000, of which \$1,250,000 is reserved for the retirement of the Metropolitan issue. The interest on both issues of L. I. R.R. Ferry bonds, amounting to \$129,730 per annum, is paid out of the earnings of the ferries, and is not included in the amount shown in the Income Account as interest paid on the funded debt.

STEWART LINE MORTGAGE BONDS.—Issued in the purchase of the Stewart R.R. The authorized issue is \$500,000, the trustee under the mortgage retaining the remaining \$168,000. These will be issued only for double tracking and other important improvements.

BROOKLYN AND MONTAUK BONDS.—Secured on the lines from Brooklyn to Eastport, from Valley Stream to Rockaway Beach, and from Fresh Pond to the junction with the New York and Flushing RR.; in all, 76.43 miles. The rate of interest on the 1sts was originally 6 p. c., but after \$250,000 of the bonds (1 to 250) had been issued, the rate was reduced to 5 p. c. All the bonds are guaranteed by the Long Island RR. Co., both principal and interest.

NEW YORK AND FLUSHING BONDS.—Secured by first mortgage on the branch from Long Island City to N. Y. & F. Junction, 2.29 miles. The Long Island RR. Co. assumes payment of principal and interest.

LONG ISLAND CITY AND FLUSHING BONDS.—Secured in order of priority on 15.84 miles of road, as follows: Long Island City to Main St. in Flushing, 7.85 miles; Woodside to Bridge St. in Flushing, 3.99 miles; and Whitestone Junction to Whitestone, 4 miles. The Long Island RR. Co. assumes payment of both issues, principal and interest. The authorized issue of consols is \$1,250,000, of which \$650,000 is reserved for the retirement of the 1st mtge. bonds.

8. Guaranties.—The Long Island RR. Co. guarantees, both as to principal and interest, \$1,726,000 1st consol. 5s of the New York, Brooklyn and Manhattan Beach Ry.; \$1,425,000 1st 5s of the L. I. RR., North Shore Branch; \$600,000 1st 5s of the Montauk Extension RR.; \$600,000 1st 5s of the New York Bay Extension RR.; \$984,000 1st 5s of the New York and Rockaway Beach RR.; \$340,000 1st 4½s and \$96,000 of the 2d 4½s of the Prospect Park and Coney Island RR. It also guarantees the interest on \$250,000 1st 7s of the New York and Rockaway RR., and guarantees as rental, or part rental, dividends of 5 p. c. per annum on the \$650,000 preferred capital stock of the New York, Brooklyn and Manhattan Beach Ry., and dividends of 4½ p. c. per annum on the \$50,000 capital stock of the Prospect Park and South Brooklyn RR., and on the \$52,500 capital stock of the New York and Coney Island RR. (See separate statements for the companies named, appended hereto.)

New York and Rockaway RR.—Rockaway Junction to Far Rockaway, N. Y., 5.17 m.; 2d track, 4.32 m.; total track, 13.48 miles. Chartered Sept. 2, 1871; road leased to the Long Island RR. Co.

in 1871. The rental to be paid was the interest on the outstanding 1st mtge. bonds of the lessor company. This rental was paid, not to the lessor, but to the holders of the bonds. The Long Island RR. Co. owns practically all of those bonds. Apparently no stock was ever issued by the lessor company, but for all payments made on account of subscription to stock the Long Island RR. Co. holds all the certificates of payment endorsed by the subscribers. The organization of the company does not appear to have been maintained. It has no directors or officers, no books of account, nor has it any office, as far as can be discovered. The railroad of the company between Rockaway Junc. and Springfield Junc. is in possession of the L. I. RR. Co. Capital stock auth. (\$100 shares), \$400,000; funded debt (1st 7% of April 1, 1871), \$250,000. Interest on bonds guaranteed by the Long Island RR. Co.

2. History.—Consolidation, Dec. 9, 1854, of the Baltimore and Susquehanna RR. Co. York and Maryland Line RR. Co., York and Cumberland RR. Co., and Susquehanna RR. Co. (see MANUAL for 1885, page 261). The main line reaches the Elmira and Williams-

port RR. and its northern extension by using, under a traffic arrangement, 40 miles of the Philadelphia and Erie RR. between Sunbury and Williamsport. The Shamokin Valley and Pottsville RR. and the Elmira and Williamsport RR. were leased in 1863, for 999 years. The Elmira and Lake Ontario RR. Co. is controlled through ownership of its entire capital stock. For terms under which that road is operated, see statement in Sec. 14. The Rockville Branch of the Pennsylvania RR. is operated under contract as an extension of the Susquehanna Division. The Lykens Valley RR. is operated at a rental of \$35,000 a year, the agreement being terminable on sixty days' notice by either party. A traffic contract with the Stewartstown RR. Co. secures to this company all traffic controlled by the former and destined to and from points on this company's main line and its connections. A controlling interest in (not a majority of) the capital stock of this company is owned by the Pennsylvania RR. Co.

3. Coal Tonnage.—The aggregate movement of bituminous coal during 1901 was 2,949,595 net tons, a decrease of 597,608 net tons, and of anthracite coal, 5,184,736 net tons, an increase of 279,777 tons as compared with the previous year. The tonnage of both classes amounted to 8,134,331 net tons as against 8,452,162 for the preceding year, being a decrease of 317,831 net tons in the actual aggregate of coal transported, irrespective of the number of divisions over which it was moved.

4. Rolling Stock, Dec. 31, 1901.—Locomotives, 191. Cars—passenger, 112; baggage, mail and express, 49; freight (box, 2,252; stock, 15; gondola, 7,158; stone, 61; lime, 50; cabin, 106), 9,642; service cars, 324—total cars, 10,127. Also owns 1 tugboat. This statement embraces only the equipment absolutely owned by the company, and therefore does not include 270 freight cars, with a capacity of 10,800 tons, leased under the Pennsylvania Car Trust.

8. Capital Stock.—During 1900 the authorized amount of capital stock was increased to the sum of \$12,000,000, for the purpose of providing funds to pay for \$1,126,000 6 p. c. bonds of the company which matured April 1, 1900, and \$2,804,000 6 p. c. bonds which matured July 1, 1900, and for other corporate purposes of the company, and an allotment of stock was made to the stockholders on April 3, 1900, of one-third of their then holdings, at the price of \$70 per share, under which 50,098 shares were issued. For the purpose of acquiring interests in other transportation companies, a further issue was made, so that on Dec. 31, 1901, the outstanding stock was \$11,462,300. Stock may be voted if owned sixty days previous to annual meeting.

9. Funded Debt.—The funded debt outstanding on Dec. 31, 1901, consisted of the following issues: \$580,000 Consol. 2 & \$ "A & B" 6s of July 1, 1904. \$1,757,000 Consol. \$ "E" 4½s of April 1, 1925, int. A. & O. 1,000,000 Consol. \$ "C" 6s of July 1, 1904, int. J. & J. 2,565,000 2d Gen. "A" 5s of Jan. 1, 1926, int. J. & J. 1,000,000 Consol. \$ "D" 6s of July 1, 1904, int. J. & J. 1,000,000 2d Gen. "B" 5s of Jan. 1, 1926, int. J. & J.

Further particulars respecting these bond issues are in the Ready Reference Bond List. The consol. general mtge. is for \$10,000,000, and covers all previous issues of bonds and mortgage debts except the annuity of \$90,000. In accordance with the terms of the mortgage, the amount of bonds outstanding thereunder was reduced July 1, 1901, through the operation of the sinking fund, by the drawing of \$176,000 of the securities issued under Series A and B of that mortgage. The sterling bonds are provided with a sinking fund in the form of annual drawings of outstanding bonds.

9a. Guaranteed Bonds.—The Northern Central Ry. Co. jointly with the Pennsylvania RR. Co. guarantees as to principal and interest \$4,500,000 1st mtge. 6 p. c. bonds of the Baltimore and Potomac RR. Co.

Totals.....	703.90	184.20	29.03	12.11	266.09	1,195.33

An increase over 1900 of 33.60 miles of first track and of 64.60 miles of total track.

The total length of tracks of all lines laid with steel rail on Oct. 31, 1901, was 1,118.70 m., of which 332.40 m. were on the P., W. & B. RR. proper.

2. History.—Consolidation, Feb. 5, 1833, of the Phila. & Delaware County RR. Co., Wilmington and Susquehanna RR. Co., Delaware and Maryland RR. Co., and Baltimore and Port Deposit RR. Co. The railroad was completed in July, 1837; the viaduct over the Schuylkill in 1838. (For later history, see MANUALS for 1891 and subsequent years, and for terms under which subsidiary lines are operated, see subjoined statements.) The Baltimore and Delaware Bay RR. (see MANUAL for 1901, page 725), has been operated by this company since June 1, 1901, as part of the Delaware Division.

At the annual meeting, held Jan. 13, 1902, it was voted to accept the constitution of the Commonwealth of Pennsylvania and of the State of Delaware, and to increase the capital stock by \$8,000,000, to a total of \$19,819,350. This action was preliminary to a consolidation with the Baltimore and Potomac RR. Co., which was about to be effected at the time this part of the MANUAL was sent to press.

3. Rolling Stock, Oct. 31, 1901.—Locomotives, 230. Cars—passenger, 261; combination, 60; baggage, mail, and express, 74; freight (box, 1,869; stock, 19; gondola, 1,704; flat and stone, 311; cabin, 94), 3,997; service cars, 490—total cars, 4,882. Also 1 steamer.

PASSENGER AND FREIGHT TRAFFIC.

The entire tonnage during the year 1901 of the lines directly operated by the Pennsylvania Co. was 49,331,993 tons, an increase of 8,488,176 tons; of the lines operated directly by the Pittsburgh, Cincinnati, Chicago and St. Louis Ry. Co., including the Indianapolis and Vincennes RR., 27,073,702 tons, a gain of 4,323,037 tons; and of the lines operated through their own organizations, including the lines operated by V. T. Malott, Receiver of Terre Haute and Indianapolis RR., 14,007,988 tons, an increase of 1,513,486 tons.

The aggregate tonnage moved, therefore, upon the entire system during the year 1901 was 90,413,673 tons, an increase over 1900 of 14,124,699 tons, or 18.51 per cent. The aggregate tonnage mileage was 7,460,865,482, as compared with 6,538,886,109 in 1900, an increase of 921,979,373 miles, or 14.10 per cent.

The entire number of passengers moved was 22,202,023, an increase of 1,176,094, or 5.59 per cent. The number of passengers moved on the lines directly operated by the Pennsylvania Co. was 7,763,866, an increase of 715,378, or 10.14 per cent.; on the lines operated directly by the Pittsburgh, Cincinnati, Chicago and St. Louis Ry. Co., including the Indianapolis and Vincennes RR., 8,790,697, an increase of 276,647, or 3.25 per cent.; on the lines operated through their own organizations, including the lines operated by V. T. Malott, Receiver of Terre Haute and Indianapolis RR., 5,647,461, an increase of 184,169, or 3.37 per cent. The aggregate passenger mileage was 621,290,990, an increase of 28,921,686 miles, or 4.88 per cent.

The average rate received per ton-mile on all lines of the system was 0.63 cent, the same as in 1900. There was a decrease in the cost of movement from 0.48 cent to 0.45 cent, so that the net rate received was 0.18 cent as compared with 0.15 cent in 1900, a gain of 0.03 cent.

There was a gain of 0.42 cent in the rate per passenger per movement from 0.10 cent to 0.52 cent, an increase of 0.01 cent in 1901. The net rate received 0.09 cent, an increase of 0.01 cent in 1901.

11. Capital Stock.—The capital stock was increased from \$21,000,000 to \$40,000,000 during the year ending Dec. 31, 1901. The stock so issued, \$19,000,000, was sold to the Pennsylvania RR. Co. at par, and the proceeds used in the purchase of a large amount of securities of roads connected with the Pennsylvania Co.'s system, and which had heretofore been held in the treasury of the Pennsylvania RR. Co. The stock is all held by the Pennsylvania RR. Co. The company paid 4 p. c. dividend in 1880, 5 p. c. in 1881, 4 p. c. each in 1882, 1883, 1892, and 1893, and 4 p. c. in May, 1894. Dividends are payable at the company's office when declared.

12. Funded Debt.—The funded debt outstanding on Dec. 31, 1901—total, \$50,417,000, as per general balance sheet—consisted of the following (additional particulars will be found in the Ready Reference Bond List—see General Index):

\$19,467,000 1st gold $\frac{4}{8}$ s of July 1, 1921, secured by first lien on the leases of the P., Ft. W. & C., Cleveland and Pittsburgh, and Erie and Pittsburgh RRs.; on the real estate of the company in Pittsburgh, Allegheny, and Chicago; and on stock and bonds at the par value of about \$24,000,000, in the company's treasury. The company is to purchase every year, at not above par, at least 1 p. c. of the then outstanding issue. The total issue is \$20,000,000, but \$533,000 of the bonds are held in the sinking fund. Interest and principal are guaranteed absolutely by the Pennsylvania RR. Co.

4,950,000 guaranteed $\frac{3}{4}$ p. c. trust certificates, Series A, of Sept. 1, 1937, secured by covenant of the Pennsylvania Co., and pledge with the Girard Trust Co. of Philadelphia, trustee, of 50,000 shares of the guaranteed special stock of the Pittsburgh, Fort Wayne and Chicago Ry. Co., aggregating at par \$5,000,000, and by the guaranty of the Pennsylvania RR. Co. These certificates, as well as those of Series B (see next paragraph), are issued under an agreement, dated Sept. 1, 1897, between the Pennsylvania Co., the Pennsylvania RR. Co., and the Girard Trust Co. of Philadelphia, trustee, said agreement providing for the issue by the trustee of not exceeding \$20,000,000 guaranteed trust certificates of the Pennsylvania Co. The total issue of Series A is \$5,000,000, but \$50,000 of the certificates are held in the sinking fund. These trust certificates are entitled to the benefit of a sinking fund of 1 p. c. per annum, amounting to \$50,000, which sum is to be paid annually to the trustee by the Pennsylvania Co., to be applied by said trustee, to the purchase of said certificates at not exceeding par and accrued interest, with the provision that if said certificates cannot be so purchased, then the said fund, or so much thereof as may not have been thus used, shall be repaid to the Pennsylvania Co., and not thereafter form part of the sinking fund for any subsequent year. As a

further security for these trust certificates, the Pennsylvania Co. has covenanted and agreed that until the same shall be fully paid, it will not exercise its voting power as a stockholder of the Pittsburgh, Fort Wayne and Chicago Ry. Co. to increase the bonded debt of that company beyond the amount of said bonded debt now existing, nor will it vote its said stock of said Pittsburgh, Fort Wayne and Chicago Ry. Co. in favor of reducing the dividend below 7 p. c. per annum on said guaranteed special stock of said company pledged to secure the said Series "A" trust certificates.

\$10,000,000 guaranteed $\frac{3}{4}$ p. c. trust certificates, Series B, of Feb. 1, 1941, secured by deposit of \$10,000,000 of the guaranteed special stock of the Pittsburgh, Fort Wayne and Chicago Ry. Co., and entitled to the benefit of a sinking fund of \$100,000 (1 p. c.) per annum, under the same conditions as in the case of Series A (see preceding paragraph). These certificates, as well as those of Series A, are issued under an agreement, dated Sept. 1, 1907, between the Pennsylvania Co., the Pennsylvania RR. Co., and the Girard Trust Co. of Philadelphia, trustee, providing for the issue by the trustee of not exceeding \$20,000,000 of guaranteed trust certificates of the Pennsylvania Co.

16,000,000 gold debenture $\frac{3}{4}$ s of Nov. 1, 1916, issued under an agreement dated Nov. 1, 1901, between the Pennsylvania Co., the Pennsylvania RR. Co., and the Girard Trust Co. of Philadelphia, trustee, said agreement providing for the issue of \$20,000,000 15-yr. guaranteed gold debentures, secured by deposit of \$25,000,000 of preferred dividend-paying railway securities, by the covenant of the Pennsylvania Co. and by the guaranty of the Pennsylvania RR. Co. A sinking fund is provided in the agreement, under which one-fifteenth of the entire issue will be redeemed annually at par, drawings to be by lot.

12a. Guaranteed Bonds.—The Pennsylvania Co. guarantees the bonds, or interest on the bonds, of certain of its subsidiary companies, as follows:

Cincinnati and Muskingum Valley RR.: \$1,500,000 1st 4s of Aug. 1, 1948, guaranteed as to principal and interest by the Pennsylvania Co.

Cincinnati, Richmond and Fort Wayne RR.: \$1,800,000 1st gold 7s of June 1, 1921, guaranteed as to interest by the Pennsylvania Co. and the Pittsburgh, Cincinnati, Chicago and St. Louis Ry. Co.

Cleveland and Marietta Ry.: \$1,250,000 1st gold 4½s of May 1, 1935, guaranteed as to principal and interest by the Pennsylvania Co.

Newport and Cincinnati Bridge Co.: \$1,400,000 1st gold 4½s of July 1, 1945, guaranteed as to principal and interest by the Pennsylvania Co.

Pittsburgh, Cincinnati, Chicago and St. Louis Ry.: \$34,402,000 consol. mtge. bonds, series A to E, guaranteed as to principal and interest by the Pennsylvania Co.

Pittsburgh, Fort Wayne and Chicago Ry.: \$5,250,000 1st 7s of July 1, 1912; \$5,160,000 2d 7s of July 1, 1912, and \$2,000,000 3d 7s of July 1, 1912. Under the terms of the lease the 1st mtge. bonds and the 2d mtge. bonds are guaranteed as to interest and sinking fund payments, and the 3d mtge. bonds as to principal and interest, by the Pennsylvania RR. Co. By the assignment of the lease the Pennsylvania Co. became a guarantor to the same extent.

Tolledo, Walkonding Valley and Ohio RR.: \$2,478,000 gen. gold 4½s, series A and B, guaranteed as to principal and interest by the Pennsylvania Co.

3,000,000 00 gen. mtge. ser. C 3½s of Nov. 1, 1948, int. M. & N.	

The \$10,000 consolidated and sinking fund mtge. 7 p. c. bonds of Nov. 1, 1900, outstanding on Dec. 31, 1900, were paid off during the year 1901 through the operation of the sinking fund. The rate of interest on \$439,000 of the Series B bonds has been reduced to 3½ p. c. per annum from April 1, 1902.

The gen. mtge. bonds were authorized in 1891. The lessee agrees to accept them for any betterments that may be made. A sinking fund of not less than 1 p. c. of the total amount outstanding is provided for their redemption, whenever they can be purchased at or under par and accrued interest. Principal and interest and installments for sinking fund are guaranteed by the Pennsylvania RR. Co., the guaranty being endorsed on each bond. In Oct., 1901, there were issued \$885,000 additional of gen. mtge. bonds, Series D, for account of betterments to the property as settled to Dec. 31, 1900. Registrar of bonds, Winslow, Lanier & Co., New York, N. Y.

13. Capital Stock.—The preferred stock is entitled to dividends of 4 p. c. (non-cumulative) before any dividend can be declared on common stock. After dividend of 3 p. c. on common, 1 p. c. additional is to be paid on preferred, and then 2 p. c. on common stock, after which dividends are to be paid in equal percentages on both classes. Common stock authorized, \$45,000,000; preferred stock authorized, \$30,000,000. The capital stock outstanding, Dec. 31, 1901, was as follows: Preferred (226,974 shares of the par value of \$100 a share, \$22,697,400; scrip, \$1,166.02), \$22,698,566.02; common (247,537 shares of the par value of \$100 a share, \$24,753,700; scrip, \$907.42), \$24,754,607.42—total, \$47,453,173.44. There was an increase of \$5,260 in the preferred and \$110,400 in the common, or \$115,660 in all, due to the conversion of \$1,100 of scrip and of the following securities of constituent companies: 30 shares P., C. & St. L. Ry. Co. common stock, \$1,500; 60 shares Steubenville and Indiana RR. Co., common, \$3,000; 2,200 shares C., C. and I. C. Ry. Co. common, \$110,000—total, \$114,500. In addition to the amounts of preferred and common stock shown above, there are also outstanding stocks of the constituent companies and fractional scrip amounting to \$568,341.28, making the aggregate of capital stock outstanding as per general balance sheet, \$48,021,514.72. The outstanding amounts of the stocks of the constituent companies on Dec. 31, 1901, were as follows: P., C. & St. L. Ry. Co., \$27,000; Steubenville and Indiana RR. Co. (preferred, \$750; common, \$81,071.66), \$81,821.66; C., St. L. & P. RR. Co. (preferred, \$6,052.62; common, \$448,467), \$454,519.62; J., M. & I. RR. Co., \$5,000—total, \$568,341.28.

14. Funded Debt.—The funded debt outstanding on Dec. 31, 1901—total, \$45,705,000, as per general balance sheet—consisted of the several issues of bonds listed in the following statement. Additional particulars respecting any issue will be found in the paragraph relating thereto appended to the statement; and the details of funded debt outstanding on or about Aug. 1, 1902, will be found in the Ready Reference Bond List—see General Index:

* Includes 44 bonds drawn for sinking fund on which interest had ceased, but which had not been presented for redemption.

CONSOL. MTGE. BONDS.—The consol. mtge. bonds (Series "A," "B," "C," "D," and "E") are secured on "the company's entire railway and estates, personal and mixed, acquired and to be acquired, also all franchises, including the franchise to be a corporation." Authorized issue, \$75,000,000, which may be issued in different series on different dates, designated by the different letters of the alphabet, from time to time as the directors may determine; and the different series may bear different rates of interest. The authorized amount of series "A" and "B" is \$10,000,000 each; series "C" \$2,000,000; series "D" \$8,000,000, and series "E," \$12,000,000. Nos. 1 to 10,000 inclusive (series "A"), of which \$10,000,000 are outstanding, are dated Oct. 1, 1890, and run 50 years, to Oct. 1, 1940. Nos. 10,001 to 20,000 inclusive (series "B"), of which \$8,786,000 are outstanding, are dated April 1, 1892, and run to April 1, 1942. Nos. 20,001 to 22,000 inclusive (series "C"), of which \$1,379,000 are outstanding, are dated Nov. 1, 1892, and run 50 years, to Nov. 1, 1942. Nos. 22,001 to 28,000 inclusive (series "D"), of which \$4,983,000 are outstanding, are dated Nov. 1, 1895, and run 50 years, to Nov. 1, 1945. Nos. 28,001 to 40,000 inclusive (series "E"), of which \$9,254,000 were outstanding on Dec. 31, 1901, are dated Aug. 1, 1899, and run 50 years to Aug. 1, 1949. A sinking fund of 1 p. c. per annum on the bonds outstanding is provided for their retirement, effective on and after Oct. 1, 1895; if, however, bonds are not obtainable at par or less, the 1 p. c. lapses into the treasury. Bonds of Series "E" to the amount of \$321,000 were redeemed under the provisions of the sinking fund, during the past year, making the total amount of bonds secured by the consolidated mortgage, redeemed and canceled to Dec. 31, 1901, \$458,000. A sufficient number of consol. mtge. bonds is reserved for the retirement of prior lien bonds. The Pennsylvania Co. unconditionally guarantees principal and interest of these bonds, and the guaranty is endorsed on each bond. Upon the retirement of the \$3,000 P., C. & St. L. Ry. Co. 7s, outstanding Dec. 31, 1901, this consolidated mortgage of the P., C., C. & St. L. Ry. Co. will become a first mortgage on the property covered by the P., C. & St. L. 7s—between Pittsburgh and Steubenville, and upon the retirement of the remaining \$1,300,000 underlying bonds of the system (which cannot be extended) they will be a first lien on the entire property of the P., C., C. & St. L. Ry. Co. After Dec. 31, 1901, there were issued \$2,003,000 additional bonds of Series "E," \$3,000 to replace the past due consol. 7s of the P., C. & St. L. Ry. Co. and \$2,000,000 "on account of prior lien bonds retired and betterments and improvements placed on the property as provided in the mortgage." Total amount of Series "E" bonds now outstanding, \$11,257,000; and of consols of all series, \$36,405,000.

Funded debt outstanding, Dec. 31, 1901, consisted of \$1,500,000 1st 5s of Nov. 2, 1912, and \$1,417,000 2d 3½s of Feb. 1, 1951. The authorized amount of 3½s is \$3,000,000; they were authorized for the purpose of refunding the 7 p. c. betterment bonds of April 1, 1932, and for repaying advances made and to be made by the P., C., C. & St. L. Ry. Co. for betterments and improvements. On July 1, 1901, the company issued to the P., C., C. & St. L. Ry. Co. \$1,417,000 of these bonds, of which \$1,039,000 were in exchange for 7 p. c. betterment bonds and \$378,000 in repayment of advances for betterments. The bonds are secured in the order of their priority on the line from Cincinnati to Springfield, O., 83.96 miles.

Guaranteed Bonds.—The company guarantees jointly with the Columbus and Xenia RR. Co. the bonds of the Dayton and Western RR. Co. The Cincinnati Street Connection Ry. bonds were issued jointly by the Little Miami Co. and the old Cincinnati and Indiana RR. Co., and were guaranteed by the two companies, but the Cincinnati, Indianapolis, St. Louis and Chicago Ry. Co., successor to the Cincinnati and Indiana, repudiated all liability on account of them.

Sidings, 50.15 miles. Gauge, 4 ft. 9 in. Rail (steel, 220.62 m.), 56, 67, 70, and 85 lbs.

2. History.—Organized Jan. 1, 1886 (charter dated Dec. 31, 1885), by the purchasers at foreclosure sale, June 9, 1882, of the Cleveland, Mt. Vernon and Delaware RR. (See MANUAL for 1885, page 538.) The Pennsylvania Co. acquired control of this company in May, 1899, and took possession of the property on June 1, 1899. The Apple Creek branch was completed in 1901, and placed in operation Jan. 1, 1902.

3. Trackage, Contracts, etc.—This company and the Baltimore and Ohio RR. Co. (as lessee of the Akron and Chicago Junction Ry.), are joint owners of the double track between Akron June, and Warwick, 16.05 m., and use it in common, this company maintaining the track, stations, etc., and charging proportionately to the B. & O. based on usage. For terminal facilities at the Norfolk and Western freight depot in Columbus, O., this company pays a rental of \$811.48 per month, on a basis of 3 p. c. per annum on valuation of property, together with a proportion of expenses in accordance with usage. This company gains an entrance to the Union Passenger Depot at Columbus, O., by using the tracks of the Columbus and Newark Division, owned jointly by the B. & O. and P., C., C. & St. L. Cos., for a distance of 990 feet, for which a fixed rental of \$1,500 per annum is paid; and also participates in the expenses of the Union Passenger Depot at that point on the basis of the number of passenger trains run in and out. It also runs its trains over the tracks of the Cincinnati and Muskingum Valley RR. Co. between Trinway and Zanesville, O., 16.6 m., and has the privilege of the use of depot and terminals at Zanesville, paying therefor a rental of \$992.03 per month, being 2½ p. c. per annum on valuation of property, and a proportion of expenses of maintenance of track and depot based on usage.

This company allows the Norfolk and Western Ry. Co. the use of right of way covering 2,500 feet in Columbus, O., for which it receives a rental of \$250 per annum. On this right of way the C., A. & C. Ry. Co. maintains a track of 1,800 feet, one-half the expense of which is paid by the Norfolk and Western.

2. History.—Incorporated in Michigan, July 11, 1896, and in Indiana, July 13, 1896, to take over the railroad and property of the Grand Rapids and Indiana RR. Co., which was sold under foreclosure on June 10, 1896, on the application of the trustee under the 2d mtge. The property was transferred to the new company on Aug. 1, 1896 (see MANUAL for 1896, page 778). The removal of the timber having made it unnecessary to operate the Ludington Branch, 5.84 m., the rails were taken up during 1899. The lands held by this company under land grants were conveyed to the Continental Improvement Co., and the railroad company has no further interest in them (see MANUAL for 1898, page 687).

8. **Capital Stock.**—The capital stock authorized in the reorganization was \$6,000,000, but during the year 1900 it was decided that no further exchanges of old 3d mtge. bonds shall be made and that the capital stock shall be fixed at the amount now outstanding.

9. **Funded Debt.**—The funded debt outstanding on Dec. 31, 1901—total, \$9,337,000, as per general balance sheet—consisted of the following (additional particulars will be found in the Ready Reference Bond List—see General Index): \$920,000 1st mtge. ext. (guar.) 3½s of July 1, 1911; \$4,455,000 1st mtge. ext. (guar.) 4½s of July 1, 1941, and \$3,962,000 2d mtge. (Ft. Wayne to Mackinaw City) gold bonds of Oct. 1, 1936.

The 1st mtge. land grant bonds were issued under a mortgage dated Oct. 1, 1869, securing an authorized issue of \$8,000,000 bonds and covering the railroad and appurtenances from Ft. Wayne, Ind., to Mackinaw City, Mich., and also the land grant of the company. Bonds numbered 1 to 4,000, inclusive, had attached to them an undertaking assumed by the Pennsylvania RR. Co. to purchase the coupons at any time should default be made by the company, and also to purchase the bonds at maturity, if not paid off by the mortgagor. The remaining \$4,000,000 bonds had no such guaranty, and \$2,500,000 of them were retired by an issue of income bonds. Endorsed bonds amounting to \$66,000 were also retired, leaving the total amount of 1st mtge. bonds outstanding, \$5,375,000—endorsed, \$3,934,000; not endorsed, \$1,441,000. Of the unendorsed bonds, only \$505,000 retained their security on the land grant, that security having been removed from the remaining \$936,000. On March 18, 1891, an agreement was entered into providing for the extension of the entire \$5,375,000 1st mtge. bonds for 50 years from July 1, 1891, the interest to be reduced to 4½ p. c. and the additional security of the land grant, together with the clause relating to purchase of bonds and coupons by the Pa. RR. Co. to be detached from the bonds, each extended bond to be endorsed with a new undertaking by the Pa. RR.

Co. for the purchase of the bonds and coupons in case of default by the company, upon 60 days' notice by the holders of the bonds; such bonds and coupons to be kept alive and held as a debt against the company.

The 2d mtge. bonds bore 2 p. c. interest the first year, 3 p. c. the second and third years, and 4 p. c. since Oct. 1, 1900. The authorized amount is \$5,000,000; the \$1,038,000 of unissued bonds are reserved for future use.

Sidings (owned), 89.78 miles. Gauge, 4 ft. 8 in. Rail (steel), 60, 70, and 85 lbs.

2. History.—Chartered in 1847 as Terre Haute and Richmond RR. Co., and road opened in 1853. At the State Line the road connects with the St. Louis, Vandalia and Terre Haute RR., which is leased to this company for 999 years, at an annual rental of 30 p. c. of the gross earnings, with a guaranty, jointly with the Pittsburgh, Cincinnati, Chicago and St. Louis Ry. Co., of interest on the mortgage bonds. The Terre Haute and Logansport RR. and the Indiana and Lake Michigan Ry. were formerly operated by this company, but after being reorganized—the former as the Terre Haute and Logansport Ry. Co., and the latter as the St. Joseph, South Bend and Southern RR. Co.—were segregated from this company's system (see General Index). Default was made in interest due Sept. 1, 1896, on the bonds of the Terre Haute and Peoria RR., and a suit was brought by the bondholders of that company to secure the appointment of a receiver and compel an accounting by the lessee. As a result of this suit a receiver was appointed for the entire system on Nov. 13, 1896.

Extract from the company's report for 1900-1901:

The petition of the T. H. & I. RR. Co. for a rehearing by the United States Circuit Court of Appeals in the cause in which the Court affirmed the order of Circuit Judge Woods directing the receiver to pay out of the "Peoria Fund" the interest on the T. H. & P. bonds which fell due Sept. 1, 1896, which petition was pending at the time of the last annual report, was overruled and the T. H. & I. RR. Co.'s petition to the Supreme Court of the United States for a writ of certiorari in said cause was denied, and subsequently, pursuant to the order of Judge Woods, this interest was paid by the receiver out of the "Peoria Fund."

The total sum so paid was \$71,424.17, of which \$55,750.00 was the face of the coupon, and \$15,674.15 interest thereon from maturity. There was received back as interest on Terre Haute and Peoria bonds owned by the company \$2,209.98, and this amount has been credited by the receiver to the company in its profit and loss account. The situation with respect to the Terre Haute and Peoria bonds is shown below: Ten coupons in default, \$557,500; 6 p. c. interest to Oct. 31, 1901, on defaulted coupons, \$80,837.50—overdue coupons and interest to Oct. 31, 1901, \$638,337.50; interest for Sept. and Oct., 1901, accrued but not due, \$18,583.33—total interest overdue and accrued to Oct. 31, 1901, \$656,920.83. Balance of rental in hands of receiver, \$404,624.60. Deficiency of rental to meet interest, \$252,296.23.

The case involving the payment of the defaulted coupon, the decision of the United States Court of Appeals was to the effect that the lease to the T. H. & P. RR. is valid, and binding on the T. H. & I. RR. Co.; but the question of the guaranty of the bonds by the last named company was not at issue. That question is presented in a case now in the United States Court. Pending a decision, the receiver has set aside from his net profits a sum sufficient to perform the guaranty in case the company is required to do it.

On April 25, 1901, the plaintiffs filed a supplemental bill of complaint, praying that upon final hearing a decree be entered requiring the T. H. & I. RR. Co. to make good any deficit necessary to pay the defaulted coupons on T. H. & P. bonds, after applying to this purpose the monies in the "Peoria Fund," and to perform in the future all of the covenants and conditions of Article 6 of the lease of the Peoria Road of Oct. 1, 1892, requiring the lessee to pay the coupons on the T. H. & P. bonds. The answer of the T. H. & I. RR. Co. has been filed to this supplemental bill.

A hearing has not yet been had upon the petition of the Central Trust Co., of New York, trustee for the bondholders of the I. & L. M. Ry. Co., upon its petition for an order upon the receiver to pay over to the petitioner for the benefit of the I. & L. M. Ry. Co.'s bondholders the monies in the "I. & L. M. Fund" derived from the operation of the I. & L. M. Ry.

Total mileage of Plant System, June 30, 1901.2,190.08 miles.

The Plant Investment Co., which controlled this system of railroads, also controlled the Plant Steamboat Lines, on Tampa Bay, 131 miles, and the Canada, Atlantic and Plant Steamship Line, operating over routes aggregating 1,318 miles; a total of 1,449 miles of water lines.

The Savannah, Florida and Western Ry. Co. absorbed the Alabama Midland Ry. Co., the Brunswick and Western RR. Co., the Charleston and Savannah Ry. Co., the Tampa and Thonotosassa RR. Co. and the Silver Springs, Ocala and Gulf RR. Co. on July 1, 1901, and absorbed the Abbeville Southern Ry. Co., the Ashley River RR. Co., the Green Pond, Walterboro and Branchville Ry. Co. and the Southwestern Alabama Ry. Co. on Sept. 2, 1901. Through these absorptions the mileage owned by the Savannah, Florida and Western Ry. Co. was increased to 1,660.93 miles, and the number of separate railroad companies controlled

by the Plant Investment Co. was reduced to five—the Savannah, Florida and Western Ry. Co., the Winston and Bone Valley RR. Co., the St. Johns and Lake Eustis Ry. Co., the Sanford and St. Petersburg RR. Co. and The Florida Southern RR. Co. The Sanford and Lake Eustis RR., formerly a division of the Jacksonville, Tampa and Key West Ry., which was disintegrated on April 3, 1899 (see MANUAL for 1899, page 1417), was operated for the court by the Savannah, Florida and Western RR. Co. In April, 1902, the control of the entire Plant System was acquired by the Atlantic Coast Line Co., statement for which see.

Lease and Trackage Contracts.—The Winston and Bone Valley RR. is leased for a rental of \$6,000 per annum, the lease being terminable on 90 days' written notice by either party. For the use of the line from Archer to Morriston the company pays to the Florida Central and Peninsular RR. Co. a fixed rental of 3 per cent. per annum on the valuation of the property and a proportion of the cost of maintenance based on wheelage. The company pays for use of the Jacksonville Connection one-fourth of fixed charges of the Jacksonville Terminal Co., together with a proportion of the cost of maintenance based on wheelage; and for the use of the Montgomery Belt Line it pays a rental of \$15,531 per annum.

History.—The original Savannah, Florida and Western Ry. Co. was a reorganization, Nov. 26, 1879, of the Atlantic and Gulf RR. Co. (see MANUAL for 1885, page 446). The company absorbed the Waycross and Florida RR., East Florida RR., Live Oak and Rowland's Bluff RR., Chattahoochee and East Pass RR. and Live Oak, Tampa and Charlotte's Harbor RR., on March 7, 1884; the South Florida RR., on April 1, 1893; the Jacksonville and St. John's River Ry. (a reorganization of the main line and De Land Branch of the Jackson-

vile, Tampa and Key West Ry.), on June 5, 1899; the Alabama Midland Ry., Brunswick and Western RR., Charleston and Savannah Ry., Tampa and Thonotosassa RR. and Silver Springs, Ocala and Gulf RR., on July 1, 1901; the Abbeville Southern Ry., Ashley River RR., Green Pond, Walterboro and Branchville RR., and Southwestern Alabama Ry., on Sept. 2, 1901; and the Sanford and Lake Eustis RR. (formerly a division of the Jacksonville, Tampa and Key West Ry.) and St. John's and Lake Eustis RR., in 1902. The capital stock of the company as thus consolidated amounted to \$25,000,000, consisting of \$12,500,000 common stock and \$12,500,000 preferred stock. There were outstanding ten issues of bonds, aggregating \$28,906,500 in amount as follows:

\$5,500,000 S., F. & W. Ry. 1sts of April 1, 1934, of which \$4,056,000 are 6 p. c. gold bonds and \$2,444,000 5 p. c. gold bonds. Secured on lines aggregating 545.5 miles in length, as follows: Savannah to Bainbridge, Ga., 237.5 m.; Bainbridge Junction, Ga., to Chattahoochee, Fla., 30.4 m.; Dupont, Ga., to Gainesville, Fla., 118.1 m.; Lake City Junction to Lake City, Fla., 18.7 m.; Waycross, Ga., to Jacksonville, Fla., 75.4 m.; Southover Junction (2.5 m. from Savannah) to Central Junction, Ga., 4.1 m.; Savannah River Branch and wharf, 3 m.; Thomasville to Albany, Ga., 58.3 miles.

\$1,500,000 S., F. & W. Ry., St. John's River Div. 1st gold 4s of July 1, 1934, secured by first mortgage on the line from Jacksonville to San-

ford, Fla., 124.68 m., and on the branch from Beresford to De Land, Fla., 4 miles. These bonds are redeemable at par and accrued interest on any 1st of Jan. up to and including Jan. 1, 1905.

\$2,800,000 Alabama Midland Ry. 1st gold 5s of Nov. 1, 1928, secured by first mortgage on the line from Bainbridge, Ga., to Montgomery, Ala., 174 miles.

\$3,000,000 Brunswick and Western Ry. 1st gold 4s of Jan. 1, 1938, secured by first mortgage on the line from Brunswick to Albany, Ga., 170.4 miles.

\$1,500,000 Charleston and Savannah Ry. 1st gold 7s of Jan. 1, 1936, secured by first mortgage on the line from Ashley River, S. C., to Central Junction, Ga., 97 m., and on the branch from Ravenel to Young's Island, S. C., 5.6 miles.

\$3,500 Ashley River RR. 1st 8s of Jan. 1, 1915, secured by first mortgage on the line from Ashley River to Ashley Junction, S. C., and branch, 10.15 miles.

\$15,000 Green Pond, Walterboro and Branchville RR. 1st 7s of May 1, 1907, secured by first mortgage on the line from Green Pond to Walterboro, S. C., 13.45 miles.

\$1,107,000 Silver Springs, Ocala and Gulf RR. 1st gold 4s of July 1, 1913, secured by first mortgage on the lines from Ocala to Inverness, Fla., 42.02 m., and from Gulf Junction to Homosassa, Fla., 21.9 m.; on 9.75 m. of phosphate spurs, and on land grant to the extent of 4,000 acres per mile. It is provided that the proceeds of land sales shall be applied to the creation of a sinking fund for the retirement of the bonds.

On May 12, 1901, the Savannah, Florida and Western Ry. Co. was consolidated with the Atlantic Coast Line RR. Co., the consolidated company retaining the name of the latter. The property was taken over for operation by the Atlantic Coast Line RR. Co. on July 1, 1902. The \$12,451,000 consol. mtge. 4 p. c. bonds of the S., F. & W. Ry. Co., issued under mortgage dated April 1, 1902, have been retired, and the nine other issues of bonds listed in the preceding statement have been assumed by the Atlantic Coast Line RR. Co., statement for which see.

Sidings, etc., 287.3 miles. Gauge, 4 ft. 8½ in. Rail (steel, 1,878.68 m.), 52 to 85 lbs.

2. History.—Chartered, June 29, 1896, as successor to the St. L. & S. F. Ry. Co., whose property was sold under foreclosure on June 27, 1896 (see MANUAL for 1896, page 849). The Kansas City and Southwestern RR., from Beaumont to Cale, Kan., 61.86 miles, was purchased at foreclosure sale on Dec. 19, 1896; the St. Louis, Salem and Arkansas RR., from Cuba Junction to Salem, Mo., 40.5 miles, with 13.5 miles of branches, was acquired in a similar manner on March 10, 1897; and the Central Division of the Atlantic and Pacific RR., from Seneca, Mo., to Sapulpa, I. T., 112.08 miles, which was sold under foreclosure on Dec. 17, 1897, was conveyed to this company on Dec. 31, 1897 (see MANUAL for 1898, page 734.) The St. Louis and Oklahoma City RR., from Sapulpa, I. T., to Oklahoma City, O. T., 103.26 miles, was acquired on March 31, 1899; the Kansas, Oklahoma and Gulf RR. from Cale, Kan., to Blackwell, O. T., 17.87 miles, was acquired on Nov. 15, 1899; and the Kansas City, Osceola and Southern Ry., from Knoche Junction to Bolivar, Mo., 146.9 miles, was acquired on June 1, 1900 (see MANUAL for 1900, page 521). The Kansas Midland Ry., from Wichita to Ellsworth, Kan., 106.4 miles, was deeded to the company as of Oct. 1, 1900. The Arkansas and Oklahoma RR., from Rogers, Ark., to Grove, I. T., 47.16 miles, and the Oklahoma City Terminal Ry., consisting of 1.5 miles of main track in Oklahoma City, together with station and terminal tracks, were deeded to the company on June 21, 1901; and the St. Louis, Oklahoma and Southern Ry. (Red River Division, 197.83 miles), completed in April, 1901, was acquired by deed on June 22, 1901. The railroad last named was acquired subject to an issue of 4 per cent. bonds to the amount of \$4,650,000, which have been guaranteed by the St. Louis and San Francisco RR. Co. and deposited under its refunding mortgage (see Sec. 10). The road was taken over for operation by the St. Louis and San Francisco RR. Co. on July 1, 1901.

Acquisition of Kansas City, Fort Scott and Memphis System.—In the spring of 1901,

persons in the interest of this company purchased substantially the whole capital stock of the Kansas City, Fort Scott and Memphis RR. Co. and of the Kansas City, Memphis and Birmingham RR. Co. On June 14, 1901, the Kansas City, Fort Scott and Memphis Ry. Co. was organized, and to it were conveyed the shares thus acquired. That company afterwards acquired the properties of the Kansas City, Fort Scott and Memphis Ry. Co. (of Oklahoma), Kansas City, Fort Scott and Memphis RR. Co. and Current River RR. Co., as shown in the statement in Sec. 16. The St. Louis and San Francisco RR. Co. owns the capital stock of the Kansas City, Fort Scott and Memphis Ry. Co., and that company owns the capital stock of the Kansas City and Memphis Ry. and Bridge Co. and of the Kansas City, Memphis and Birmingham RR. Co. Effective Jan. 1, 1902, a 99-year lease of the Kansas City, Fort Scott and Memphis Ry. and of the Kansas City and Memphis Ry. and Bridge property has been made to the St. Louis and San Francisco RR. Co. at a rental equivalent to the interest on the bonds for which the Kansas City, Fort Scott and Memphis Ry. Co. was liable, and dividends at the rate of 4 per cent. per annum on its preferred stock. The preferred stock, being all owned by the St. Louis and San Francisco RR., has been deposited in escrow as the basis for an issue of an equal amount of trust certificates entitled to dividends at the rate of 4 per cent. per annum and redeemable and payable by this company within twenty years from Oct. 1, 1901 (see Sec. 11). The Kansas City, Memphis and Birmingham RR., not being included in the lease, continues to be operated as an independent property (see separate statement for that road).

Projected Line to the Rio Grande.—In May, 1901, and subsequently, the St. Louis and San Francisco RR. Co. acquired substantially the whole capital stock of the Fort Worth and Rio Grande Ry. Co., whose road extends from Fort Worth to Brownwood, Tex., 146.16 miles, and may be extended from Brownwood to San Antonio, Tex., and to the Mexican border. In Jan., 1902, a connection was effected between the St. Louis and San Francisco RR. and the Fort Worth and Rio Grande Ry. through the opening of the Red River, Texas and Southern Ry., from Sherman to Fort Worth, Tex., a distance of 82.77 miles, that length including 29.8 miles of trackage rights from Carrollton Junction to Hodge, Tex., over the St. Louis Southwestern Ry. Both the Fort Worth and Rio Grande Ry. and the Red River, Texas and Southern RR. are operated by their own organizations, although they are controlled by the St. Louis and San Francisco RR. Co.

Lease of Blackwell, Enid and Southwestern Ry.—A part of this railway, from Blackwell, O. T., to Choctaw Northern Crossing, 84.27 miles in length, has been leased to the St. Louis and San Francisco RR. Co. The lease is dated Feb. 27, 1902, but was effective Jan. 1, 1902, and will continue until April 1, 1903, the rental to be paid being \$600 a mile and taxes.

Agreement with Oklahoma City and Western RR. Co.—On May 27, 1902, the St. Louis and San Francisco RR. Co. entered into an operating agreement with the Oklahoma City and Western RR. Co. and its contractors, whereby 39 miles of the constructed road, between Oklahoma City and Chickasha, were turned over to it for operation. There is also an understanding between the St. Louis and San Francisco RR. Co. and the owners of the road, as to its sale on completion.

In consequence of the acquisitions since June 30, 1901, referred to in the foregoing paragraphs, the length of the system on July 1, 1902, was as follows :

Operated by St. Louis and San Francisco RR. Co.

St. Louis and San Francisco RR., as per Sec. 1.....	1,914.97 miles.
Kansas City, Fort Scott and Memphis Ry.....	850.79 "
Kansas City and Memphis Ry. and Bridge.....	8.23 "
Blackwell, Enid and Southwestern Ry.....	84.27 "
Oklahoma City and Western RR.....	39.00 "

Operated by their own Organizations.

Kansas City, Memphis and Birmingham RR.....	276.57 "
Fort Worth and Rio Grande Ry.....	146.16 "
Red River, Texas and Southern Ry.....	82.77 "

Total length of railroads in the system, July 1, 1902.....3,397.76 miles.

Arkansas and Choctaw Ry.—An operating agreement, effective Aug. 1, 1902, has been made with the contractors building the Arkansas and Choctaw Ry., whereby 99 miles of that line have been turned over to this company for operation. The St. Louis and San Francisco RR. has made an agreement with the builders of the road whereby it will guarantee the 4 p. c. bonds of the Arkansas and Choctaw Ry. Co.

Offer to Purchase Chicago and Eastern Illinois Stock.—In a circular dated Aug. 7, 1902, the St. Louis and San Francisco RR. Co. offers to purchase the common and preferred shares of the Chicago and Eastern Illinois RR. Co., at the price of \$150 per share for the preferred shares and \$250 per share for the common shares, payment to be made respectively in preferred stock trust certificates entitled to dividends at the rate of 6 p. c. per annum and in common stock trust certificates entitled to dividends at the rate of 10 p. c. per annum, the trust certificates to be payable on July 1, 1942, but subject to redemption on any dividend day on thirty days' notice. The offer is terminable on Sept. 15, 1902, and in case two-thirds of the entire capital stock of the Chicago and Eastern Illinois RR. Co. shall not have been deposited on or before that date, all deposited shares may be returned to the owners, at the option of this company.

2D (NOW 1ST) MORTGAGE GOLD BONDS.—Total amount authorized and originally issued, \$5,700,000, of which \$110,000 have been retired and cancelled. The bonds are a first lien on the original main line, Pacific to Seneca, Mo., 292.27 m., and Granby Branch, 1.50 m.—together, 293.77 m. and equipment thereon, or at the rate of \$19,288 per mile.

MISSOURI AND WESTERN DIVISION 1ST MORTGAGE GOLD BONDS.—Total amount authorized and originally issued, \$1,100,000; retired and cancelled, \$85,000. Mortgage is first lien on road Peirce City, Mo., to Oswego, Kan., 72.91 m., and Oronogo to Joplin, Mo., 9.32 m.; together, 82.23 miles, and the equipment thereon. The bonds may be drawn for payment (if not purchased) at 105 and interest to the amount of \$5,000 per annum.

TRUST MORTGAGE GOLD BONDS OF 1880-1920.—Originally issued, \$1,350,000; retired and cancelled, \$407,000, through operation of sinking fund. Secured by deposit in trust of \$943,000 of 1st mtge. 7 p. c. bonds on roads Plymouth (Monett), Mo., to Fayetteville, Ark., 71.18 m.; Carl June, Mo., to Girard, Kan., 29.14 m., and Litchfield Junc. to Litchfield, Kan. (Carbon Branch), 3.25 m.; together, 32.39 m. (Joplin RR.)—a total of 103.57 miles. The 1st mtge. bonds have till maturity to run. Sinking fund consists of difference between interest on the 1st mtge. 7s and that on the trust 6s outstanding.

TRUST MORTGAGE GOLD BONDS OF 1887-1987.—Authorized issue limited not to exceed \$20,000 per mile of newly constructed or acquired roads and equipment, connecting with the main system. Secured by deposit in trust of all 1st mtge. bonds and not less than a majority of the capital stock of such roads. These roads now are as follows: Springfield, Mo., Belt Line, 3.18 m.; Red River, I. T., to Paris, Texas, 16.94 m.; Jensen to Mansfield, Ark., 18.34 m.; Powell to St. Paul, Ark., 7.68 m.; Pittsburg to Weir City, Kan., 10.48 m.; St. Paul to Pettigrew, Ark., 8.03 m.; together, 64.65 miles.

GENERAL MORTGAGE GOLD BONDS.—Both classes issued under one and the same mortgage and are equally secured. Total amount authorized, \$30,600,000. The roads under the first lien of the mortgage are as follows: St. Louis to Pacific, Mo., 34.01 m., and terminals in St. Louis; Springfield to Bolivar, Mo., 38.79 m.; Springfield to Chadwick, Mo., 34.86 m.; Fayetteville, Ark., to Red River, I. T., 214.61 m.; Fayetteville to Powell, Ark., 25.61 m.; Joplin, Mo., to Galena, Kan. (and Belt Line, Joplin), 10.59 m.; Joplin to Carl Junc., Mo., 6.70 m.; in all, 365.17 m., and equipment thereon. Also a second lien on 624.06 m. of present system mileage, of which 292.27 m. are the main line from Pacific to Seneca, on which the A, B, and C bonds are a first lien.

1ST MORTGAGE GOLD BONDS, ST. L., W. & W.^o RY. CO.—Amount authorized, \$2,000,000. These bonds are secured by first lien on the road, Oswego to Wichita, Kan., 144.49 miles.

1ST MORTGAGE GOLD BONDS, FR. S. & V. B. BRIDGE CO.—Original issue, \$475,000; retired and cancelled, \$202,000. Under provision of the mortgage, in April of each year, commencing in 1890, 5 p. c. of bonds issued and outstanding are to be drawn for payment at 105 and interest (if not purchased), and cancelled, and any and all are subject to redemption by lot at 110 and interest at any time before maturity. Length of bridge, 0.34 mile.

CONSOLIDATED MORTGAGE GOLD BONDS.—Total authorized amount, \$50,000,000, of which \$39,032,000 are reserved for the retirement of the prior lien bonds at or before maturity, this appropriation superseding the provision in the general mortgage setting aside bonds for the same purpose. The consol. mtge. bonds are to be issued at the rate of \$1,250 for every \$1,000 of prior lien bonds redeemed by the sinking fund or otherwise. The remaining bonds can be issued only for construction, improvements, etc., at the rate of not exceeding \$300,000 per annum. The security for these bonds consists of a 1st mortgage on the Salem Branch, 52.69 m.; and its equipment; Beaumont Branch, 61.86 m.; Blackwell Extension, 17.87 m.; in all, 132.42 m.; also on certain equipment purchased since July 1, 1896: a 2d mortgage on 792.37 m. and equipment thereon; and a 3d mortgage on the remaining 624.06 m. of the present system mileage and equipment thereon. The mortgage also embraces the securities listed in Sec. 13, which are held in trust by the Mercantile Trust Co.

SOUTHWESTERN DIVISION 1ST MORTGAGE GOLD BONDS.—Total amount authorized and issued, \$1,500,000. These bonds are a first lien on road, Seneca, Mo., to Sapulpa, I. T., 112.05 miles (formerly Atlantic and Pacific RR., Central Division). Bonds are subject to redemption at par, at the option of this company, on any half-interest, on any interest day, on three months' notice.

CENTRAL DIVISION 1ST MORTGAGE GOLD BONDS.—Authorized amount, \$3,462,000, of which \$1,962,000 were issued for the purchase of the St. Louis and Oklahoma City RR. from Sapulpa, I. T., to Oklahoma City, O. T., 103.26 miles, and are secured by a purchase money first mortgage on that line. The remaining \$1,500,000 are reserved for the retirement of the Southwestern Division bonds, and these will be deposited as additional security under the Central Division mortgage. They are subject to redemption at 102½ p. c. and accrued interest, on any interest day, on three months' notice.

KANSAS CITY DIVISION 1ST MORTGAGE GOLD BONDS.—The total amount authorized is \$3,300,000, of which \$976,000 bears interest at the rate of 3 p. c. per annum, and \$2,324,000 at the rate of 4 p. c. per annum. Of the 4 p. c. bonds, \$241,000 are reserved to provide for additional equipment and improvements to be made on the property. Secured by first mortgage on the road from Knoche Junction to Bolivar, Mo., 146.9 miles, and the equipment thereon. By agreement, the interest during the first four years from Nov. 1, 1900, on the \$2,994,000 outstanding bonds, is on a graduated scale—\$60,000 the first year, \$72,500 the second year, \$85,000 the third year, and \$97,500 the fourth year; thereafter payment of interest will be made at the regular rates. The bonds are redeemable at the option of the company, on any half yearly interest day, on three months' notice—the 3 p. c. bonds at par and interest, and the 4 p. c. bonds at 102½ and interest.

NORTHWESTERN DIVISION 1ST MORTGAGE GOLD BONDS.—Total amount authorized, \$1,300,000, of which \$200,000 bonds are reserved to provide for additional equipment and improvements to be made on the property after Jan. 1, 1901, and at the rate of not exceeding \$75,000 in any calendar year. These bonds are a first lien on road Wichita to Ellsworth, Kan., 106.4 miles, formerly Kansas Midland Ry. They are redeemable at 102½ and interest at the option of the company, on any half-yearly interest day, on three months' notice.

10. Refunding Mortgage Gold Bonds.—For the purpose of unifying its funded indebtedness, and to provide for the betterment and enlargement of the system, the company executed a mortgage, dated June 20, 1901, to secure an issue of gold bonds to the amount of \$85,000,000, payable July 1, 1951, and to bear interest at not exceeding the rate of 4 p. c. per annum. Under the terms of the mortgage, \$62,500,000 of the bonds were set aside to retire \$51,574,000 of underlying bonds, and for refunding purposes, and the remaining \$22,500,000 were reserved for betterments, new equipment and additional lines. Of the \$22,500,000 lot, \$6,000,000 are to be issued at the cumulative rate of \$1,000,000 a year, for improvements, betterments, new equipment, etc., and the remaining \$16,500,000 are to be issued for extensions, additional lines, etc., at the actual cost thereof, \$4,500,000 at not exceeding \$32,000 per mile, including underlying liens, and \$12,000,000 at not exceeding \$22,500 per mile, including underlying liens. Any surplus bonds of the \$62,500,000 lot, which may not be used or needed for refunding purposes, may be issued for additions or betterments. The following is a statement of the underlying bonds for the retirement of which provision is made in the refunding mortgage:

* It will be observed that the difference between the amount of bonds deposited and the total amount does not equal the amount afloat. This is due to the fact that \$43,000 of underlying bonds (Mo. & West. Div., \$10,000; trust bonds of 1920, \$13,000; and Ft. S. & V. B. Bridge bonds, \$20,000) were retired and cancelled, and that \$33,750 consol. mtge. 4 p. c. bonds issued in lieu thereof were deposited under the refunding mortgage to cover an issue of \$43,000 refunding bonds.

Underlying bonds exchanged for, or replaced by, refunding mortgage bonds are to be deposited under the refunding mortgage, without impairment of lien, unless and until cancelled at the request of the company. The refunding mortgage covers the entire property, rights, and franchises of the company, subject to the liens of the above-named underlying bonds. The following stocks and securities, in addition to the \$36,258,950 of underlying bonds as per preceding statement, are deposited under the refunding mortgage:

Stocks.

150,000 shares Kansas City, Ft. Scott & Memphis Ry. Co.
9,985 shares Springfield and Northern Ry. Co.
5,991 shares Springfield and Southern Ry. Co.
34,998 shares St. Louis, Arkansas and Texas Ry. Co.
1,664 shares Fort Smith and Southern Ry. Co.
9,585 shares St. Louis, Wichita and Western Ry. Co.

19,993 shares Fort Smith and Van Buren Bridge Co.
1,000 shares Oklahoma City Terminal RR. Co.
30,442 shares Fort Worth and Rio Grande Ry. Co.
17,315 shares of various stocks already deposited with the Union Trust Co. under the Trust Mortgage of 1887 (see Sec. 13), subject to the lien of that mortgage.

The capital stock of the St. Louis, San Francisco and Texas RR. Co., subject to the prior pledge thereof under the mortgage of the St. Louis, Oklahoma and Southern Ry. Co., all the bonds secured by which mortgage are deposited under this refunding mortgage.

Bonds or Obligations.

\$1,215,000 St. L. & S. F. Ry. Co. 5 p. c. land debentures.
750,000 St. L., W. & W. Ry. Co. guaranteed 5 p. c. income bonds.
195,000 St. L., Ark. & Texas Ry. Co. (Mo.) 1st mtge. bonds.
244,000 St. L., Ark. & Tex. Ry. Co. (Ark.) 1st mtge. bonds.
27,000 Joplin RR. Co. 1st mtge bonds.
934,000 bonds already deposited with United States Trust Co. under the Trust Mortgage of 1880 (see Sec. 13), subject to the lien of that mortgage.
1,100,000 bonds already deposited with Union Trust Co. under the Trust Mortgage of 1887 (see Sec. 13), subject to the lien of that mortgage.

Refunding mortgage bonds to the amount of \$46,818,000 have been executed by the company, and \$43,695,000 thereof have been issued, \$40,604,000 being outstanding in the hands of the public and \$3,091,000 held in the treasury of the company. Of the remaining \$3,123,000, there are \$2,923,000 deposited (uncertified) with the Morton Trust Co., set apart in accordance with the provision of the mortgage against an equal amount of 1st mtge. bonds of the Fort Worth and Rio Grande Ry. Co., and \$200,000 deposited with the Continental Trust Co. of New York to cover expenditures for improvements, betterments and new equipment on the Northwestern Division (Wichita to Ellsworth, Kan.). The amount of refunding mortgage bonds and of underlying bonds outstanding on or about Aug. 1, 1902, will be seen in the Ready Reference Bond List—see General Index.

11. Trust Certificates for K. C., F. S. & M. Ry. Preferred Stock.—This company owns the outstanding preferred stock, \$13,510,000 in amount, of the Kansas City, Fort Scott and Memphis Ry. Co. and has deposited it in trust as the basis of an issue of trust certificates to an equal amount. The certificates are authorized to the amount of \$15,000,000, and are entitled to dividends at the rate of 4 p. c. per annum payable in gold. They are redeemable at any time at par and accrued dividends, and will be payable in 20 years from Oct. 1, 1901. The preferred stock against which they are issued is guaranteed dividends at the rate of 4 p. c. per annum under the terms of a lease made by the Kansas City, Fort Scott and Memphis Ry. Co. to the St. Louis and San Francisco RR. Co. (see Sec. 2).

12. Equipment Trust Notes.—On Dec. 1, 1901, the St. Louis and San Francisco RR. Co. purchased 25 locomotives, 10 passenger cars, 4 baggage cars, 1,791 freight cars (50 flat, 500 box, 1,091 coal and 150 furniture), 100 ballast cars and 15 caboose cars at a total cost of \$1,695,818.33. Of this amount \$385,818.33 was paid at once, and the remaining \$1,310,000 will be paid in twenty consecutive semi-annual installments amounting to \$65,000 on each 1st of June and \$66,000 on each 1st of Dec. The installments

are evidenced by promissory notes of the company, dated Dec. 1, 1901, and bearing interest at the rate of 4 p. c. per annum. The notes are in denominations of \$5,000 and \$6,000, those payable on June 1 being all \$5,000 notes, and those payable on Dec. 1 being twelve \$5,000 notes and one \$6,000 note. The company reserves the right to redeem the whole issue or any part of it at par and accrued interest, on any interest day.

KANSAS CITY, FORT SCOTT AND MEMPHIS RY.—Lines owned Jan. 1, 1902 (details hereunder), 765.79 m.; trackage rights (K. C., C. & S. Ry.), 85 m.—total, 850.79 miles. 2d track, 9 m.; sidings, etc., 260 miles. Gauge, 4 ft. 8½ in. Rail (steel, 765.79 m.), 40 to 80 lbs. Incorporated under the laws of Kansas, June 14, 1901, to construct and operate a railway and telegraph line from Oswego to Jacques Junction, Kan., about 24 miles (see MANUAL for 1901, page 522). That line is under construction and part of it is in operation. On July 23, 1901, the company acquired from the K. C., F. S. & M. Ry. Co. (of Oklahoma) the newly-completed line of that company, extending from Miami to Afton, I. T., 13.09 miles, and in Aug., 1901, acquired the lines, equipment, franchises and property of the Kansas City, Fort Scott and Memphis RR. Co., the railroad lines of the latter aggregating 752.7 miles in length. In Sept., 1901, the line of the K. C., F. S. & M. RR. from Arcadia, Kan., to Springfield, Mo., 85 miles, was conveyed to the Kansas City, Clinton and Springfield Ry. Co., this company retaining trackage rights in it, and on Oct. 7, 1901, the Current River RR., from Willow Springs to Grandin, Mo., 81.95 miles, was absorbed. The mileage owned and operated by the company on Jan. 1, 1902, exclusive of the partly constructed line between Oswego and Jacques Junction, was as follows:

<i>Lines Owned (total, 765.79 m.):</i>		Miles.			Miles.
Kansas City, Mo., to Arcadia, Kan.....		117.00	<i>Brought forward.....</i>

			Total Operated		850.79

In addition to railroads and franchises, this company also acquired from the Kansas City, Fort Scott and Memphis RR. the holdings of that company in the capital stock of the Kansas City and Memphis Ry. and Bridge Co. and in the capital stock of the Kansas City, Memphis and Birmingham RR. Co. (statements for which see). Effective Jan. 1, 1902, the properties of this company and of the Kansas City and Memphis Ry. and Bridge Co. have been leased to the St. Louis and San Francisco RR. Co., for the term of 99 years, at a rental equivalent to the interest on the bonds for which this company was liable, together with dividends at the rate of 4 p. c. per annum on this company's preferred stock.

Financial Statement, Sept. 1, 1901.—Capital stock authorized (\$15,000,000 preferred and \$45,000,000 common: \$100 shares) \$60,000,000. Capital stock issued (\$13,510,000 preferred and \$15,000,000 common), \$28,510,000. The preferred stock is entitled to dividends at the rate of 4 p. c. per annum, non-cumulative, in priority to common stock. The St. Louis and San Francisco RR. Co. owns the entire outstanding issue of preferred stock. Under date of Aug. 23, 1901, the company executed a mortgage to the Mercantile Trust Co. of New York and William H. Thompson, of St. Louis, as trustees, to secure \$60,000,000 refunding mortgage gold bonds dated Aug. 23, 1901, maturing Oct. 1, 1936, and bearing interest at not exceeding the rate of 4 p. c. per annum. The bonds are secured, subject to prior liens, on the following lines of railroad, now in operation or under construction: Oswego to Jacques Junction, Kan., 24 m.; Kansas City, Mo., to Afton, I. T., 188 m.; Washburn to Cherryvale, Kan., 87 m.; Springfield, Mo., to Memphis, Tenn., 283 m.; Baxter Springs, Kan., to Webb City, Mo., 22 m.; Mackie to Weir City, Kan., 12 m.; Linton, Kan., to Carbon Center, Mo., 25 m.; Greenfield to Aurora, Mo., 88 m.; Willow Springs to Grandin, Mo., 82 m.; Deckerville to Luxora, Ark., 36 m.; point near Joplin to Duenweg, Mo., 17 m.—total, 790 miles. They are also secured on the rest of the company's property and will be secured on any property hereafter acquired through issue of bonds secured by the same mortgage, including any shares in the capital stock and all bonds and obligations of the Kansas City and Memphis Ry. and Bridge Co., Kansas City Belt Ry. Co., Kansas City Union Depot Co., and Kansas City, Memphis and Birmingham RR. Co. Of the \$60,000,000 authorized, bonds amounting to \$11,650,000, bearing interest at the rate of 4 p. c. per annum, were issued in Aug., 1901; \$34,025,770 were set aside for the retirement of underlying bonds to the amount of \$31,025,770, the details of which are given hereunder; \$5,000,000 are reserved for improvements, betterments and equipment, to be issued at the cumulative rate of \$600,000 a year; and the remaining \$9,324,230, together with any bonds not used or required for refunding purposes, are to be issued from time to time for additional lines, extensions, etc., at the actual cash cost thereof, but not exceeding (including underlying liens) \$22,500 per mile. The underlying

bonds for the retirement of which provision is made in the refunding mortgage amounted to \$31,025,770 on the date of the mortgage, as follows:

\$2,151,600 Kansas City, Fort Scott & Gulf RR. 1st 7s of June 1, 1908, secured by first mortgage on the line from Kansas City, Mo., to Baxter Springs, Kan., 150.92 miles (see Manual for 1901, page 525); also upon all the securities owned by the K. C., F. S. & G. RR. Co.

173,000 Fort Scott, Southeastern & Memphis RR. 1st 7s of Sept. 1, 1910, secured by first mortgage on the line from junction near Fort Scott to Springfield, Mo., and branch from Arcadia to Coalvale, Mo., together 102.85 miles, of which the line from Arcadia to Springfield, 85 miles, has been conveyed to the Kansas City, Clinton, and Springfield Ry. Co. There is a sinking fund of 1 p. c. of the whole issue annually for purchase of the bonds at 110, but if not offered at that price bonds may be drawn at 105.

6,000 Short Creek and Joplin RR. 1st 7s of Sept. 1, 1910, secured by first mortgage on the line from Baxter Springs, Kan., to Webb City, Mo., 22.38 miles. These bonds have been taken up and cancelled since the date of the statement.

582,000 Kansas Equipment Co. 1st 5s of Jan. 1, 1905, secured by first mortgage on 26 locomotives and 881 cars (2 passenger, 408 box, 252 coal, 48 flat, 153 furniture, 16 caboose, 1 official and 1 wrecking).

266,000 Fort Scott Equipment Co. 1st 6s of July 1, 1909, secured by first mortgage on 200 flat cars

and 400 coal cars. The bonds are subject to retirement and are provided for under a monthly charge to operating expenses.

\$360,000 Ozark Equipment Co. 1st series 5s of May 1, 1910.

584,000 Ozark Equipment Co. 2d series 5s of May 1, 1910. These issues of Ozark Equipment Co. bonds are secured on 6 locomotives, 100 stock cars, 100 coal cars and 200 box cars. These bonds are subject to retirement and will be provided for by a monthly charge to operating expenses.

1,606,000 Current River RR. 1st 5s of Oct. 1, 1927, secured by first mortgage on the line from Willow Springs to Grandin, Mo. These bonds are assumed and guaranteed by the K. C., F. S. & M. Ry. Co.

3,323,390 Kansas City, Memphis and Birmingham RR. gen. 4s of March 1, 1934, secured by first mortgage on the property of the K. C., M. & B. RR. Co. (see separate statement for that road).

6,322,780 Kansas City, Memphis and Birmingham RR. income 5s of March 1, 1934, secured by 2d mortgage on the property of the K. C., M. & B. RR. Co. Eighty-five p. c. of these bonds have been deposited in agreements with an offer by the K. C., F. S. & M. Ry. Co. to guarantee the payment of the interest from March 1, 1902, at the fixed rate of 5 p. c. per annum, in consideration of an option for 10 years from Sept. 1, 1902, to purchase assenting bonds at 95 p. c. on any interest day after 60 days' notice.

913,000 Birmingham Equipment Co. 6 p. c. bonds of March 1, 1903, redeemable on 60 days' notice at 110 p. c. and accrued interest. These bonds are guaranteed, principal and interest, by the K. C., M. & B. RR. Co.

120,000 Memphis Equipment Co. 6 p. c. bonds of Aug. 1, 1905, redeemable on 60 days' notice at 110 p. c. and accrued interest. These bonds are guaranteed, principal and interest, by the K. C., M. & B. RR. Co.

It is provided that all underlying bonds received in exchange for refunding bonds, unless or until cancelled, shall be deposited as additional security under the refunding mortgage. The refunding bonds are guaranteed, both as to principal and interest, by the St. Louis and San Francisco RR. Co., the guaranty being endorsed upon the bonds.

2. History.—Organized on April 10, 1900, as successor to the Richmond, Petersburg and Carolina RR. Co., which owned the line extending from Richmond, Va., to Norlina, N. C., a length of 102.10 miles. On July 1, 1900, the company assumed the operation of the several railroads embraced in the so-called Seaboard Air-Line System (see MANUAL for 1901, page 770 *et seq.*) together with the Georgia and Alabama Ry. and the Florida Central and Peninsular RR., the whole aggregating in length of main track, 2,592.36 miles. Of the Atlantic, Suwanee River and Gulf RR. there were in operation then and for a year afterwards only 38.90 miles, from Starke to Osceola, Fla. Between July 1, 1900, and March 1, 1902, the Seaboard Air-Line Ry. acquired by consolidation, merger and direct conveyance, the following railroads, all of which are now absolutely owned by it, and are integral parts of its railroad:

Merged in November, 1901.

<i>Raleigh and Gaston R.R.</i> : Raleigh to Weldon, N. C., and br. to Roanoke Rapids. 98.74 miles.	
<i>Durham and Northern R.R.</i> : Durham to Henderson, N. C.....	41.40 "

<i>Carol'a Cent. R.R.</i> : Wil'gton to R'f'f'ton, N. C., and brs. to Caroleen and Henrietta. 273.43 "	
<i>Georgia, Carolina and Northern R.R.</i> : Monroe, N. C., to Atlanta, Ga.....	266.10 "
<i>Seaboard Air-Line Belt R.R.</i> : Belt Junction to Howells, Ga.....	8.10 "
<i>Palmetto R.R.</i> : Hamlet, N. C., to Cheraw, S. C.....	18.28 "
<i>Chesterfield and Kershaw R.R.</i> : Cheraw to Camden, S. C.....	54.94 "
<i>South Bound R.R.</i> : Camden, S. C., to Savannah, Ga.....	171.21 "

Merged on February 8, 1902.

<i>Georgia and Alabama Ry.</i> : Savannah to Meldrim, Ga.; Lyons, Ga., to Montgomery, Ala.; Columbus to Albany, Ga.; Abbeville to Ocilla, Ga., and branch to Savannah River, Ga., a total of.....	400.86 "
<i>Loganville and Lawrenceville R.R.</i> : Loganville to Lawrenceville, Ga.....	10.33 "

The Seaboard Air-Line Ry. owns the entire capital stock of the Roanoke and Tar River RR. Co., and about 99 p. c. of the capital stock of the Florida Central and Peninsular RR. Co., and the Florida Central and Peninsular RR. Co. owns all the securities of the Atlantic, Suwanee River and Gulf RR. Co. The Seaboard Air-Line Ry. also owns approximately 94 p. c. of the capital stock of the Seaboard and Roanoke RR. Co.

3. Savannah Terminals.—The Seaboard Air-Line Ry., through the Georgia and Alabama Ry., owns the entire capital stock of the Georgia and Alabama Terminal Co., which latter company owns about 1,200 acres of land, including more than three miles of water front, with wharves, piers, warehouses, etc., on the Savannah River, directly opposite the City of Savannah, with which it is connected by the steel bridge of the Georgia and Alabama Ry. These terminals embrace about 8.3 miles of track, the distance from the bridge to the end

of track on the farthest wharf being 3.01 miles. The operation of these terminals commenced July 1, 1900, and during the twelve months following there were berthed at the wharves 267 vessels, having an aggregate tonnage of 254,451 tons.

4. Richmond-Washington Line.—The Seaboard Air-Line Ry. owns a one-sixth interest in the Richmond-Washington Co., controlling the line of railroad from Richmond, Va., to Washington, D. C. A like interest in the Richmond-Washington Co. is also owned by each of the following companies, to wit: The Atlantic Coast Line RR. Co., the Baltimore and Ohio RR. Co., the Chesapeake and Ohio Ry. Co., the Pennsylvania RR. Co., and the Southern Ry. Co., and each of the six companies is guaranteed equal rights and privileges for the movement of its trains, both freight and passenger, between Richmond and Washington. The arrangements for this joint control were concluded during the year ending June 30, 1901, and the payments for the capital stock of the Richmond-Washington Co. were called for and made by the several subscribing companies in Sept., 1901.

5. Baltimore Steam Packet Company.—The Seaboard Air-Line Ry., in conjunction with one of its proprietary companies, owns the entire capital stock of the Baltimore Steam Packet Co., which has operated the principal fleet of steamers on Chesapeake Bay between Baltimore and Old Point Comfort, Norfolk and Portsmouth for the past fifty years. The Baltimore Steam Packet Co., however, is operated under separate management. It has no indebtedness of any kind.

6. Union Stations.—Among the more important works of improvement carried forward during the year ending June 30, 1901, were the new Union Passenger Stations in the cities of Richmond, Va., and Savannah, Ga. The station at Richmond is owned jointly and equally by the Chesapeake and Ohio Ry. Co. and the Seaboard Air-Line Ry. It was opened in Nov., 1901. The depot building, steel train shed, and approaches, represent a total cost, including the value of the real estate, of approximately \$700,000. The Savannah station has been built by the Savannah Union Station Co., which is owned jointly and in equal portions by the Southern Ry., the Plant System, and the Seaboard Air-Line Ry. This station is very complete, and represents a total investment for depot building, train shed and approaches, of approximately, \$650,000. It was finished and ready for service in May, 1902.

7. Rolling Stock, June 30, 1901.—Locomotives, 294. Cars—passenger, 139; parlor, 2; combination, 35; baggage, mail and express, 76; freight (box, 4,534; furniture, 27; flat, 3,279; stock, 70; gondola, 199; refrigerator express, 22; log, 52; coal, 19), 8,202; service, 360—total, 8,814.

The total amount of 1st mtge. bonds authorized is \$75,000,000, of which \$12,500,000 can be issued only after July 1, 1903, at the rate of \$1,500,000 a year for the first four years, and at the rate of \$1,000,000 a year thereafter, for the acquisition of new railroads and for construction, betterments, equipment, etc. Of the remaining \$62,500,000 of bonds, \$29,725,000 are reserved for the retirement of the outstanding divisional bonds; \$20,000,000 are deposited as collateral security for the two issues of collateral trust bonds, and \$12,775,000 are outstanding in the hands of the public.

COLLATERAL TRUST GOLD BONDS.—Secured by deposit of \$4,000,000 of the Seaboard Air-Line Ry. 1st mtge. gold bonds of 1950. The holders of these bonds are offered the privilege of exchanging them for an equal amount, par value, of refunding collateral trust gold bonds of May 1, 1911, on payment of \$25 per bond.

COLLATERAL TRUST REFUNDING GOLD BONDS.—Amount authorized, \$10,000,000; issued and outstanding, \$8,800,000; reserved for retirement of collateral trust gold bonds of Oct. 1, 1902, \$2,000,000. Secured by deposit of \$16,000,000 (to be increased to \$20,000,000 when the \$2,000,000 reserved bonds are issued) of the 1st mtge. gold bonds of 1950.

SEABOARD AND ROANOKE RR. BONDS.—The 1st mtge. bonds are secured on the property of the Seaboard and Roanoke RR. (see statement therefor in Sec. 17). The registered bonds are debentures. They are payable after Aug. 1, 1916, either as a whole or in 10 p. c. installments. The total issue of the debentures is \$600,000, of which the Seaboard Air-Line Ry. owns \$405,000.

ROANOKE AND TAR RIVER RR. BONDS.—Secured on the line from Lewiston, N. C., to the Virginia State Line, 32.3 miles.

RALEIGH AND GASTON RR. BONDS.—Secured by first mortgage on the line from Raleigh to Weldon, N. C., and branch to Roanoke Rapids, a total of 98.74 miles.

DURHAM AND NORTHERN RR. BONDS.—Secured by first mortgage on the line from Henderson to Durham, N. C., 41.4 miles. The total issue is \$150,000, but \$50,000 of the bonds are owned by the S. A.-L. Ry.

RALEIGH AND AUGUSTA AIR-LINE RR. BONDS.—Secured by first mortgage on the line from Raleigh to Gibson, N. C., 106.73 miles.

CAROLINA CENTRAL RR. BONDS.—Secured by first mortgage on the line from Wilmington to Rutherfordton, N. C. (less Wilmington Ry. Bridge, 2.4 m.), 264.63 miles, and branches to Henrietta and Caroleen, 6.4 miles. The bonds are guaranteed, both principal and interest, by the Seaboard and Roanoke RR. Co. and the Raleigh and Gaston RR. Co., jointly and severally, the guaranty being endorsed on each bond.

GEORGIA, CAROLINA AND NORTHERN RR. BONDS.—Secured by first mortgage on the line from Monroe, N. C., to Atlanta, Ga., 266.10 miles. The bonds are guaranteed, both principal and interest, by the Seaboard and Roanoke RR. Co. and the Raleigh and Gaston RR. Co., jointly and severally, the guaranty being endorsed on each bond.

GEORGIA AND ALABAMA RY. BONDS.—Secured by first mortgage on the lines from Montgomery, Ala., to Lyons, Ga., from Savannah to Milledgeville, Ga., from Columbus to Albany, Ga., from Abbeville to Ocala, Ga., and branch to Savannah River, a total of 400.86 miles; on terminals at Montgomery, Americus, etc., and on the lease of 57.65 miles of the Central of Georgia Ry. The 1st preferred bonds were prior in lien to the consols, but were redeemable at 105 and interest after Oct. 1, 1900, the holders having the privilege of exchanging them for consols. The bonds were called for redemption Oct. 1, 1901, and all except \$10,000 of them have been retired. There were issued by the G. & A. Ry. Co. consols. to an amount equal to the preference bonds retired.

GEORGIA AND ALABAMA TERMINAL BONDS.—Secured on extensive terminal property on the Savannah River, directly opposite the city of Savannah. The property embraces about 1,200 acres of land, including more than three miles of water front, with wharves, piers, warehouses, 8.3 miles of railroad tracks, etc. (see Sec. 3).

FLORIDA CENTRAL AND PENINSULAR RR. BONDS.—The 1st mtge. bonds of 1918 are secured on the lines from Fernandina to Cedar Keys, from Harts Road to Jacksonville, from Jacksonville to Chattahoochee River, from Drifton to Monticello, from Tallahassee to St. Marks, from Waldo to Plant City, from Wildwood to Tavares, and from Panasoffkee Lake to Sumterville—a total of 573.5 miles. The 1st mtge. land grant extension bonds are secured by first mortgage on lands referred to hereafter and on the lines from Plant City to Tampa, from Tavares to Orlando, from Archer to the Eagle, Early Bird and other phosphate mines, and from Turkey Creek Station to the Alafia River—a total of 91.77 miles; also secured by second mortgage on the lines covered by the 1st mtge. bonds of 1918. The F. C. & P. RR. Co. acquired by building the extension to Tampa, a grant of 67,000 acres of land valued at \$121,000, and is entitled to receive from the State of Florida 122,880 acres, for constructing the extension from Tavares to Orlando. As yet only 5,000 acres of the latter grant have been received. The lands are covered by the extension mortgage, and the proceeds of their sale are to be applied to the purchase of land grant extension bonds at the market price thereof, such purchased bonds to be cancelled. The 1st consol. mtge. bonds are secured by first mortgage on the line from Harts Road, Fla., to Savannah, Ga., 113.32 miles, and by general mortgage on the rest of the F. C. & P. RR.

SOUTH BOUND RR. BONDS.—Secured by first mortgage on the line from Columbia, S. C., to Savannah, Ga., 138.63 miles. Authorized issue, \$2,100,000; originally 6 p. c. bonds, but rate of interest was reduced.

14. Collateral Trust 6 p. c. Loan.—Due March 1, 1902, but redeemed on Aug. 1, 1901, the amount necessary for their redemption being provided out of the proceeds of the sale of the \$8,000,000 refunding collateral trust bonds.

15. Equipment Obligations.—During the year ending June 30, 1901, there was paid off car trust and equipment obligations of the Seaboard Air-Line Ry. and its constituent companies, amounting to \$510,681.07. This represented \$411,111.38 principal and \$99,569.69 interest. There were issued during the year \$1,750,803.76 of car trust notes due yearly, from Sept. 1, 1900, to July, 1906. The amount of car trust and equipment obligations outstanding on June 30, 1901, amounted to \$2,453,912.70, principal and interest, and there was on deposit on that date with the Central Trust Co., of New York, \$324,743 with which to pay off all car trust obligations due prior to Jan. 1, 1902. The car trust obligations issued during the fiscal year were secured upon 2,000 freight cars and 50 locomotives.

16. Wilmington Ry. Bridge Bonds.—The Seaboard Air-Line Ry. and the Atlantic Coast Line RR. Co., jointly own and operate the bridge from Hilton to Navassa, N. C., 2.4 miles, and guarantee the bonds of the bridge company, each one-half (see statement for Wilmington Ry. Bridge in Sec. 17).

Marie Ry., 1,412.3 m.; Duluth, South Shore and Atlantic Ry., 565 m.), 1,977.3 m.—total length of system, 10,623.8 miles. The lines worked for account of owners are the Montreal and Atlantic, 184.7 m.; the Qu'Appelle, Long Lake and Saskatchewan, 253.6 m., and the Calgary and Edmonton Rys., 296.2 m.—total, 734.5 miles. Their receipts and expenses are not included in the accounts of the Canadian Pacific Ry. Co., nor is that company subject to any rent charge in respect of them.

2. Lines Under Construction.—*Western Division:* West Selkirk Extension, from West Selkirk to Winnipeg Beach, 26 m.; Pheasant Hill Branch, from Kirkella northwest, 108 m.; McGregor Branch Extension, from Wellwood to Brookdale, 10 m.; Pembina Branch Extension, from Osborne southwest, 6 m.; Snowflake Branch Extension, from Snowflake to Mowbray, 10 m.; extensions of Souris Branch (from Waskada to Lyleton, 20 m.; from Lauder eastward, 6 m.; from Lauder westward, 6 m.), 32 m.; Yorkton Extension of Manitoba and North Western Ry., from Yorkton west, 40 m.; Forrest Extension of Great North West Central Ry., from Forrest to Lenore, 41.4 m.—total, 273.4 miles. *Pacific Division:* Vancouver and Lulu Island Ry., 17.2 m.; Kootenay and Arrowhead Ry., 33.6 m.—total, 50.8 miles. Total length of lines under construction, June 30, 1902, 324.2 miles.

3. History.—Chartered Feb. 17, 1881; main line opened throughout on May 26, 1887. The branches and leased lines were built or acquired at different periods. (See MANUAL for 1892; also, MANUAL for 1900, pages 778 and 779, and MANUAL for 1901, page 790.) Particulars respecting the leased lines will be found in the separate statements therefor.

For the purpose of improving the company's position in the city of Ottawa and adjacent territory, and with a view to the ultimate shortening of the line between Montreal and Pembroke, an agreement was entered into during the past fiscal year for the control of the Ottawa Northern and Western Ry. Co., the Pontiac Pacific Junction Ry. Co., and the Hull Electric Ry. Co., owning 151 miles of railway and the Interprovincial bridge across the Ottawa River. The terms of the arrangement are not given in the company's report.

An agreement has been made for an extension of the Montreal and Western Ry., one of the company's acquired lines in the Province of Quebec, a distance of 23 miles, on a basis that will involve the payment of practically no interest or rental for a period of 12 years.

A branch line, 105 miles in length, from Kirkella on the main line west of Brandon, to serve the country north of the Qu'Appelle River, and an extension of the Manitoba and North Western Ry. 40 miles in length, are now under construction with a view to their completion before winter sets in.

The company runs a line of mail steamers monthly between Vancouver and China and Japan. In consideration of the service the British and Dominion Governments pay the company a joint subsidy of £60,000 per annum, under a contract to endure until April, 1906. The company also has lines of steamers running to Australia, to Hawaii, to San Francisco, to the mining districts of Southern British Columbia, to the Yukon, and from Fort William to Owen Sound on the upper lakes.

The company owns a controlling interest in the Duluth, South Shore and Atlantic Ry., 568 m., and in the Minneapolis, St. Paul and Sault Ste. Marie Ry., 1,409 miles. It guarantees the 4 p. c. consol. mtge. bonds, principal and interest of the former, and 4 p. c. interest on the bonds of the latter. (See separate statements for those companies.)

The Toronto, Hamilton and Buffalo Ry. Co. is controlled by the New York Central, Canada Southern, Michigan Central, and Canadian Pacific Cos. (see General Index and MANUAL for 1897, page 853). This company's joint use of the Grand Trunk Line between Toronto and Hamilton went into effect on the opening of the Toronto, Hamilton and Buffalo line for regular traffic.

By an agreement dated July 26, 1892, between this company, the Grand Trunk Co., and the city of Toronto, this company secured in perpetuity land for station purposes in the city named at a specified rental, to be increased at the end of each fifty years at the rate of 25 p. c. on each previous rent; and a second agreement, made on the same day, between the two railroad companies, provided that the Union Station should be altered and extended, this company paying for joint use of the new station a rental equivalent to an agreed percentage of the value of the properties then supplied by the Grand Trunk, and also a percentage of the cost of rebuilding the station.

This company has a traffic agreement with the Northern Pacific Ry. Co. for the use of the Seattle and International line from a connection with this system at Huntington, on the International Boundary, southward through the Puget Sound country to Seattle, Wash. This agreement involves no financial responsibility on the part of this company.

An agreement has been made between this company, the Duluth, South Shore and Atlantic Ry. Co. and the Mineral Range RR. Co., whereby in consideration of certain traffic arrangements this company undertakes to guarantee interest at the rate of 4 p. c. per annum on \$1,254,000 bonds of the Mineral Range RR. Co.

11. Common Stock.—The original share capital was \$5,000,000, issued at par, which was increased to \$25,000,000 on May 10, 1882, the \$20,000,000 new stock being sold to shareholders at 25 p. c. of par. On Nov. 28, 1882, the capital was increased to \$100,000,000, and \$40,000,000 of the increase was sold at an average price of 52 p. c., the balance being deposited with the Dominion Government. In 1885 the \$35,000,000 so deposited was cancelled and the common stock thus reduced to \$65,000,000. All certificates of stock now issued are stamped so as to show this reduction. (See Manual for 1896, page 993.) Pursuant to resolutions adopted at a special general meeting of the shareholders held March 27, 1902, common stock of the company to the amount of \$19,500,000 was offered to the shareholders at par and has all been subscribed for (see general balance sheet). The proceeds of the sale of this new stock will be expended for new equipment and for additions and betterments. Outstanding shares of ordinary stock of \$100 each may be converted, at any time, at the holders' option, into sterling ordinary stock. Share registers are kept in London and also at the branch of the Bank of Montreal in New York. Shares on the New York register may be transferred to the London register free, and shares are also discharged from the London register without cost; but a small fee is asked for obtaining fresh certificates from New York in exchange for such discharged warrants, or for executing transfers on the New York register. Shares on the New York register commonly pass from hand to hand as if unregistered; any person holding shares not registered in his name must claim the dividend from the person in whose name the shares stand.

12. Preference Stock.—In 1893 an act was obtained of the Dominion Parliament by which sterling preference stock may, with the consent of the shareholders, be issued up to an amount not exceeding one-half the amount of the ordinary stock outstanding, such preference stock to rank for dividends up to 4 p. c., and to have the same voting power as the ordinary shares—one vote for every £20 or \$100. Dividends on this stock are non-cumulative. During the past year £900,000 of 4 p. c. preference stock was created and sold, for the purpose of meeting expenditures for rolling stock, additions, and improvements, authorized by the shareholders.

13. Consolidated 4 p. c. Debenture Stock.—Amount outstanding, £13,054,606; issued for the following purposes: For general purposes, £3,933,748; for China and Japan steamers, £720,000; for Souris Branch, \$1,004,000; for branch lines, £437,400; to retire Canada Central 1st mtge. bonds, £250,000; for acquiring mortgage bonds of roads of which the principal or the interest is guaranteed by the C. P. Ry. Co., £67,709,458. Interest is payable on the 1st of Jan. and July, by warrant from the company's London office. The stock is transferable in multiples of £1, at the London office only.

During the past fiscal year 4 p. c. consolidated debenture stock to the amount of £650,000 was created and sold on account of the construction of branch lines authorized, and for the purpose of acquiring 1st mtge. bonds, on which the interest is guaranteed by the company, of the Mineral Range RR. Co., the Columbia and Western Ry. Co., and the British Columbia Southern Ry. Co.

14. Funded Debt.—The funded debt outstanding on June 30, 1901, consisted of \$47,238,086.33 of mortgage bonds and \$17,831,000 of land grant bonds, as follows:

\$34,998,633.33 (£7,191,500) 1st mtge. 5 p. c. gold 30-yr. sterling bonds, due in 1915.

973,833.33 Canada Central 2d mtge. 6 p. c. bonds, due 1910.

3,500,000.00 Bonds due Province of Quebec on Q., M., O. & O. Ry. } Interest 4½ p. c., payable April and Oct.; principal payable 1904 and 1906.

3,500,000.00 " " " " " North Shore Ry. }

3,650,000.00 (£750,000) Algoma Branch 1st mtge. 5 p. c. bonds, due July 1, 1937, interest Jan. and July.

616,119.67 North Shore Ry. 1st mtge. 5 p. c. bonds (\$610,716.34 acquired by issue of debenture stock).

1,430,000.00 Land Grant 1st mtge. 5 p. c. 50-yr. bonds, due Oct. 1, 1931, interest April and Oct.

15,000,000.00 3½ p. c. Land Grant bonds, or inscribed stock, due 1938.

NOTE.—The cash receipts from land sales for the year ending June 30, 1902, enabled the company to redeem and cancel 5 p. c. land grant bonds to the face value of \$1,401,000, leaving in the hands of the public at the end of the fiscal year \$1,430,000 of those bonds, all of which have since been called for redemption and cancellation.

The 1st mtge. bonds are in denominations of £100, £500, and £1,000, and are in coupon form, with privilege of registration; principal and interest payable at office of Baring Bros., London—principal July 1, 1915, and interest Jan. and July. The Canada Central 2d mtge. bonds are due Nov. 1, 1910. The mortgages to the Government of Quebec were payable March 4, 1902-1904, interest 5 p. c. semi-annually. During 1894 an arrangement was concluded with the Quebec Government, by which these mortgages shall be paid in two equal installments on March 1, 1904, and 1906, interest being reduced to an average rate of 4.05 p. c. These mortgages apply only to the purchased lines they cover—the Canada Central, the North Shore and the Q., M., O. & O.—and are not a charge on the Canadian Pacific Ry. proper.

Algoma Branch 5 p. c. 1st mtge. bonds.—Secured on the Algoma Branch, from Sudbury to the bridge over the River Ste. Marie. There are 250 bonds of £1,000 (numbers 1 to 250), 400 of £500 (numbers 251 to 650), and 3,000 of £100 (numbers 651 to 3,650), all bearing interest from Jan. 1, 1888, payable on Jan. 1 and July 1, at Baring Bros. & Co.'s, where the principal is also redeemable on July 1, 1937. The bonds may be exchanged for registered certificates at the same place. Sir Charles Tupper and Lord Revelstoke are the trustees for the bondholders.

Land Grant Bonds.—The company executed a mortgage and issued 5 p. c. bonds for \$25,000,000 on its entire land grant of 25,000,000 acres. Of these bonds the Government accepted, in 1881, \$5,000,000 as security for the maintenance and continuous working of the railway for ten years after completion, but \$4,000,000 of them were returned in 1886, and were subsequently cancelled. A further \$8,906,000 of the bonds were deposited with the Government as security without interest under the Loan Act, 1884, but were cancelled under the later agreement of March 30, 1886. The principal of the bonds is redeemable at Montreal, on Oct. 1, 1931, unless previously tendered in payment for lands at 110 p. c. and accrued interest, or redeemed out of the proceeds of land sales, either by purchase or by drawings at 10 p. c. premium. Between Dec. 31, 1899, and June 30, 1901, \$428,500 of the bonds were redeemed and cancelled; \$1,401,000 additional were redeemed during the year ending June 30, 1902, and the remaining \$1,430,000 have recently been called for redemption (see Sec. 14, Note).

Land Grant Bonds, or Inscribed Stock, $3\frac{1}{2}$ p. c., are secured by a mortgage on the unsold Canadian Pacific lands, subject to the lien of the 5 p. c. mortgage. The interest is guaranteed by the Dominion Government, and the net proceeds of the sales of land are to be deposited with the Government to constitute a sinking fund for the said bonds, and to bear interest at $3\frac{1}{2}$ p. c. per annum, to be applied toward satisfying the interest on the bonds; and when the money thus deposited with the Government, whether from land sales or other sources, is sufficient to redeem the principal of the outstanding bonds, the mortgage on the land is to be discharged, and the Government will assume and pay all the future interest as well as the principal, the company being freed from any liability in respect thereof. The inscribed stock amounts to £163,800, and will be transferable in any amount divisible by £10. There are 800 A bonds of £1,000 (numbers 1 to 800), 2,000 B bonds of £500 (numbers 1,001 to 3,000), and 11,299 C bonds of £100 (numbers 5,001 to 16,299). Bonds to bearer may be at any time converted into registered stock at a fee of one-eighth p. c., but registered stock cannot be converted into bonds to bearer. Interest is payable on Jan. 1 and July 1, and the principal will become due on July 1, 1938.

15. Acquired Securities Held.—The acquired securities held by the company, the cost of which is shown on the general balance sheet, were as follows: Mortgage Bonds—Atlantic and North West Ry. 19. Land Grant.—The company received a land grant from the Dominion Government of 25,000,000 acres, in alternate sections of 640 acres each, within 24 mi. of the road on either side from Winnipeg to the base of the mountains, of which 6,793,014 acres were surrendered to the Government under agreement of March 30, 1886, leaving 18,206,986 acres. Adding 1,611,520 acres earned on account of the Souris Branch, 1,396,800 acres received through the Manitoba Southwestern Ry., 190,000 acres through the Columbia and Kootenay Ry., 3,755,733 through the British Columbia Southern Ry., and 320,004 through the Great North West Central Ry., makes the total grant 25,481,043 acres. Total sales to June 30, 1902, less cancellations (Canadian Pacific grants, 6,092,218; Manitoba Southwestern grant, 743,187; Great North West Central grant, 19,804; Columbia and Kootenay grant, 22,811), 6,878,020 acres. Area of land unsold, 18,603,023 acres.

In addition to the foregoing the company will receive about 3,350,000 acres through the British Columbia Southern Ry., about 2,500,000 acres through the Columbia and Western Ry., and about 320,000 acres through the Great Northwest Central Ry.

The company issued \$25,000,000 1st mtge. 5 p. c. 50-yr. land grant bonds, due Oct. 1, 1931, \$1,000,000 of which, held by the Dominion Government as security for certain works to be performed, have been surrendered and destroyed; \$21,169,000 have been redeemed and cancelled; and the balance, \$2,831,000, is outstanding.

The following is a statement of the sales from the Canadian Pacific, the Manitoba Southwestern, and the Great North West Central Grants for the two years ending June 30, 1902:

21. GENERAL REMARKS.

Among the more important works completed during the year were, a diversion of the line about 7 miles in length between Field and Ottertail on the Pacific Division, and the construction of a tunnel 894 feet long, at the loop on the Crow's Nest line, for the purpose of improving gradients and alignment. Two steel grain elevators of an aggregate capacity of 3,700,000 bushels are being built at Fort William. When these are completed there will be storage at that point for 9,000,000 bushels.

The earnings of the Duluth, South Shore and Atlantic Ry. show some improvement, and the increase in the net revenue of the Minneapolis, St. Paul and Sault Ste. Marie Ry. is very striking, the net surplus, after the payment of all charges for the year, being \$1,286,501.

22. RAILROADS LEASED BY THE CANADIAN PACIFIC RY. CO.

Cap de la Magdeleine Ry.—Piles Junc. to Cap de la Magdeleine, Que., 2.32 miles. Chartered in 1895, and road completed late in 1896. The company obtained from the Dominion Government a subsidy of \$9,600 for the construction of its road. The line is leased to the Canadian Pacific Ry. Co. Capital stock (auth., \$50,000; subscribed, \$30,000) paid in, \$20,000; government bonus, \$7,424—total capital paid up, \$27,424. Cost of road, \$27,000.

Columbia and Kootenay Ry.—Nelson to Robson, B. C., 27.70 m.; extension to Mouth of Kootenay River, 0.80 m.; branch line, Slocan Junc. to Slocan City, 32 m.—total, 69.5 miles. Chartered in 1890, to build a railroad from the outlet of Kootenay Lake, B. C., through the Selkirk Range, to a point on the Columbia River near the junction of that stream with the Kootenay; also to operate a line of steamers in connection with the railroad. The company received a subsidy from the Dominion Government to the amount of \$88,800. The property has been acquired by the Canadian Pacific Ry. Co. Capital stock (auth., \$1,000,000; subscribed, \$250,000) paid up, \$25,000; funded debt (4 p. c. bonds; auth., \$24,333 per mile), \$1,277,500; government subsidy, \$88,800—total capital paid up, \$1,391,300. Harry Abbott, Pres.; J. D. Townley, Sec., Vancouver, B. C.

Great Northwest Central Ry.—Chater to Minnola, Man., 71 miles. Rail (steel), 56 lbs. Chartered July 22, 1886, to build a railroad from Brandon, Man., via Rapid City to Battleford, 450 miles. The company received a land grant of 6,400 acres per mile, conditioned on the completion of the road. The section from Chater to Hamiota, Man., 50.93 miles, was completed during 1890, and the extension to Minnola, 20.07 miles, during 1900-1901. The road is operated by the Canadian Pacific Ry. Co., under a lease effective April 5, 1900, the lessee to pay Inter-

est on the securities of this company by way of rental. The securities have been all acquired by the lessee.

Financial Statement, June 30, 1901.—Capital stock (auth., \$2,000,000) paid up, \$500,000; bonded debt outstanding (land grant \$1,000, \$500, and \$100 5 p. c. coupon bonds, issued June 2, 1890, due Dec. 1, 1920, interest Jan. and Dec.; auth., \$2,500,000), \$875,000—total stock and bonds, \$1,375,000. Cost of road, etc., \$779,633. The bonds are secured on the entire property of the company, including a land grant of 2,880,000 acres, of which 320,000 acres have been earned. Trustees of bonds: Lord Gifford and Robert Lothian Curzon. T. G. Shaughnessy, Pres.; D. McNeill, Vice-Pres.; H. C. Oswald, Asst. Sec., Montreal, Que. Office, Montreal, Que.

Guelph Junction Ry.—Guelph Junc., Credit Valley Ry., to Guelph, Ont., 15.50 m.; total track (steel), 16 miles. Chartered by Act of the Dominion Parliament, approved April 19, 1884. By the Dominion Subsidy Act of 1887, authority was given for a subsidy not to exceed \$51,200 for 16 miles of road, and on Nov. 5, 1887, the company was admitted to contract for the work. The road was opened as above, Sept. 11, 1888, and leased to the Canadian Pacific Ry. Co., for 99 years. This road is practically owned by the City of Guelph. The company has no liabilities beyond the debenture debt of \$173,000 and interest accrued upon the same, all held by the City of Guelph, which holds \$20,000 of the \$21,000 paid up stock. The rental receipts for the year ending Dec. 31, 1901, amounted to \$8,077, received from the Canadian Pacific Ry. Co., which pays all the operating expenses and maintenance of the road under its lease, and the receipts from rentals are paid over to the City of Guelph on interest account, less only some trifling incidental disbursements. Capital stock

(auth. and subscribed, \$30,000) paid up, \$21,000; bonded debt, \$232,500 auth., none issued except those to secure the city of Guelph. Government subsidy, \$46,000; municipal aid (subscription to bonds), \$173,000—total capital paid up, \$240,000. Cost of road, etc., \$244,969. William Bell, Pres.; A. H. Macdonald, Sec. & Treas., Guelph, Ont. Office, Guelph, Ont.

Lake Temiscamingue Colonization Ry.—Between Mattawa and head of Lake Kippewa, Ont., and several sections, 45.84 m.; total track, 53.84 miles. Rail (steel), 56 and 60 lbs. Gauge, 4 ft. 8½ in. Chartered July 20, 1886; opened June 9, 1887. By special act (1891) this company was empowered to convey or lease its road to the Canadian Pacific Ry.

Manitoba and Northwestern Ry.—Portage Russell, Man., 11.3 m.; Saskatchewan and Western Ry. 56 lbs., 276.3 miles. Incorporated by Provincial Act western Ry. Co.; received a Dominion charter in 1882; completed to Yorkton in 1891.

In 1893 the charter was amended authorizing the construction of an extension from Yorkton to Prince Albert; an extension of the Binscarth-Russell Branch to the northern or western boundary of Manitoba; and the construction of other branches from the main line. This company has a land grant of 2,918,400 acres, and the Saskatchewan and Western Ry. Co. a land grant of 99,008 acres—a total of 3,017,408 acres, of which 1,187,487 acres have been sold, realizing \$1,951,063 net. The property is leased to the Canadian Pacific Ry. Co. for 999 years from July 1, 1900, the lessee, by way of rental, to pay the interest on this company's securities. These have been all acquired by the lessee, and are held as security for its consolidated debenture stock. Capital stock (common, \$5,837,500; preferred, \$415,000), \$6,252,500; funded debt, \$3,409,100; municipal aid, \$215,600—total paid up capital, \$9,877,200. ATLANTIC AND NORTHWEST RY.—South end of Lachine Bridge to Megantic, 167.1 m.; Megantic to Mattawankeag, 159.9 m.; A. & N. W. Junc. to Eganville, 18.9 m.—total, 345.9 miles. (For full history of the company, see Manual for 1896.) On Dec. 6, 1886, the road (327 m.) was leased in perpetuity to the Canadian Pacific Ry. Co. for an annual rental of \$28,013 15s. for the first 20 years and of \$66,500 thereafter. The lease of the Eganville extension is for 999 years from April 1, 1894, at a rental of \$640 per mile per annum, with the option to the lessee of purchasing the line at any time during the term of the lease at the price of \$16,000 per mile. The subsidy applicable to the completed portion of the line amounts to \$186,600, or \$38,486 5s., which will be applied toward payment of interest on bonds described below, the C. P. Ry. Co. advancing the balance required (\$28,013 15s.) to meet full interest charges under the terms of its lease. To provide the means for the construction of this line there was issued in April, 1887, in London, £1,330,000 1st mtge. 5 p. c. 50-yr. £100, £500 and £1,000 coupon bonds (with registration privilege), due Jan. 1, 1937, interest Jan. 1 and July 1, by Baring Bros. & Co., London. The interest on these bonds amounts to £66,500 annually, which is guaranteed in the manner shown before. The proceeds of these bonds proving inadequate for the construction of the road, the C. P. Ry. Co., on March 27, 1889, made a further guaranty of 5 p. c. annually on \$3,240,000 preferred stock, which the company issued to complete the road. The line to Eganville was built in 1892.

Financial Statement, June 30, 1901.—Capital stock—common, \$174,000; preferred, \$3,240,000—total, \$3,416,000; funded debt (1st mtge. 5 p. c. 50-yr. £100, £500, £1,000 coupon with registration privilege bonds, due Jan. 1, 1937, interest payable Jan. and July, by Baring Bros. & Co., London, Eng.; auth., \$20,000 per mile), \$6,472,697; 1st mtge. RAILROADS OPERATED BY THE CANADIAN PACIFIC RY. CO. AS AGENT —OPERATIONS REPORTED SEPARATELY.

CALGARY AND EDMONTON RY.—Calgary to Edmonton, Dist. of Alberta, 190.97 m.; Calgary to Macleod, Dist. of Alberta, 104.96 m.—total, 295.93 m.; total track (steel, 295.93 m.). Gauge, 4 ft. 8½ in. Rail (steel), 56 lbs. Organized in 1890; road opened as above in Oct., 1892. The company is entitled to a subsidy of \$80,000 per annum for twenty years from July, 1891, from the Dominion Government, for hauling Government traffic, and this subsidy is paid direct to the London agents, as trustees for the bondholders. The company is further entitled to a land grant of 2,178,000 acres, of which 1,481,046 acres have been sold, and about 407,402 acres are retained by the Government against the subsidy, and by the Canadian Pacific Ry. Co. on account of its undertaking to operate the road during the first five years. The Canadian Pacific Ry. Co. operated the road until July 1, 1896, and had the option at that date of acquiring the bonds at 110 p. c., and of having the capital stock transferred to it free of charge. This option was not exercised, and a new agreement was entered into whereby the Canadian Pacific operated the road until July 1, 1901, at actual cost, without charge for general management or for interest on the value of the rolling stock used, and with certain arrangements for allowance to this company for traffic interchanged. By this agreement the total net earnings and the Government subsidy were applicable to the payment of interest on the bonds. Since the expiration of this agreement (July 1, 1901) the C. P. Ry. Co. has continued to operate the road on the same terms, but subject to a month's notice of termination by either company.

Operations, year ending June 30, 1901.—Trains run (freight, 93,347; mixed, 126,183), 219,530 miles. Passengers carried, 43,914. Tons freight moved, 98,204. Earnings—passenger, \$119,611; freight, \$274,587; other, \$12,153—total, \$406,353, less Government service included in foregoing, \$6,871, \$399,482. Operating expenses, \$237,533. Net earnings, \$171,949; other receipts, \$434—total, \$172,383. Payments: Interest, \$124,528; Crow's Nest Connection, \$25,619; London expenses, \$1,024—total, \$151,471. Surplus, \$20,911; surplus forward, \$50,454—total, \$77,365.

General Balance Sheet, June 30, 1901.—Capital stock (\$100 shares) paid in, \$1,000,000; funded debt, \$5,474,513; coupons due and not presented, \$53; interest unpaid, \$709,662; profit and loss, \$77,365—total, \$7,262,114. Contra: Cost of road, \$6,472,013; cash and current assets, \$80,435; interest deferred, \$709,662—total, \$7,262,114.

Funded debt consists of £1,124,900 1st mtge. 6 p. c. 20-yr. £100 bonds, due July 1, 1910, interest Jan. and July; principal and interest payable at the office of Chaplin, Milne, Grenfell & Coy, London. When the bonds were issued the sale of a portion of the land had been concluded, the proceeds of which were paid over to the London agents, making, with the subsidy, a sum sufficient to meet interest to and including that due July 1, 1896. It is agreed that in future if any portion of the coupons cannot be paid in cash out of the net earnings and the Government subsidy, the deficiency will be paid in scrip redeemable out of future surplus earnings. The Jan., 1897, coupon was paid 1 p. c. in cash and the balance in scrip; the July, 1897, coupon 1½ p. c. in cash and the balance in scrip; the Jan., 1898, coupon 1½ p. c. in cash and the balance in scrip, the July 1, 1898, coupon 2 p. c. in cash and the balance in scrip, the Jan. 1, 1899, coupon 2 p. c. in cash and the balance in scrip; the July 1, 1899, coupon 2 p. c. in cash and the balance in scrip; the Jan. 1, 1900, coupon 1½ p. c. in cash and the balance in scrip, and the July 1, 1901, coupon 2½ p. c. in cash and the balance in scrip.

QU'APPELLE, LONG LAKE AND SASKATCHEWAN RR. AND S. B. CO.—Regina, N. W. T., to Prince Albert, 253.96 m.; total track (steel: 56 lbs.), 261.71 miles. Gauge, 4 ft. 8½ in. Incorporated in 1883. Road completed in Oct., 1890. Until Feb., 1896, the road was operated by the Canadian Pacific Ry. Co. free of any cash resource for loss against this company, the Canadian Pacific retaining all the receipts other than the annual subsidy referred to hereafter. Upon the expiration of that agreement the road continued to be operated free of cost by the Canadian Pacific until Aug. 1, 1896, when a new agreement to run for five years was entered into, the road to be operated at actual cost, and under the same terms as apply in the case of the Calgary and Edmonton Rys., statement for which see. The Dominion Government has granted this company a land grant of 1,625,344 acres, of which 1,126,230 acres have been sold, and 499,144 acres are retained by the Government against the subsidy. Operations not included in statement of the Canadian Pacific on pp. 775-776. Equipment is furnished by the Canadian Pacific Ry. Co., free of charge for interest.

Operations, year ending Nov. 30, 1901.—Earnings—passenger, \$37,782; freight, \$94,857; other, \$3,900—total (\$136,539, less \$3,533 Government service), \$133,006. Operating expenses, \$134,283. Deficit from operations, \$1,277; add interest paid on bonds (on account coupons due Feb. and Aug., 1901, £1 1s. p. c. each), \$79,992; expenses re service of coupon, \$1,273—total, \$82,542. Government subsidy for year, \$80,000. Net deficit for year, \$2,542; deficit forward, \$5,062—total, \$7,605.

General Balance Sheet, Nov. 30, 1901.—Capital stock (auth., \$2,000,000; shares, \$100) paid in, \$201,000; bonded debt (1st mgt. 6 p. c. bonds), \$3,809,140; interest unpaid, \$838,488; coupons due, not presented, \$1,812; sundry debtors, \$15,454—total, \$4,855,894. Contra: Cost of road, \$4,010,140; sundry debtors, \$9,662; interest deferred, \$823,488; profit and loss, \$7,605—total, \$4,855,894.

The total issue of bonds is secured upon the entire property, excluding the land grant, and the proceeds have been applied towards the construction of the line to Prince Albert. The company is entitled to an annual subsidy from the Dominion Government, for transport of Government traffic, of \$80,000 (£16,400) for 20 years from completion (1st section, July, 1890; 2d section, Oct., 1890), which is to be paid over direct by the Government to the agents of the loan, as trustees for the bondholders. As security for the annual subsidy the Government retained and now holds 499,144 acres of the company's land grant. The company is further entitled to a land grant of 1,625,344 acres of selected lands, a portion of which has been sold, and the proceeds paid to the agents of the loan to provide the balance of the interest on the bonds until and including the coupon due Feb. 1, 1896. The Canadian Pacific Ry. Co. had the option of paying off the bonds at 110 p. c. on that date, but it was not exercised. The bonds are redeemable Aug. 1, 1911, interest payable Feb. 1 and Aug. 1; all payments made by the agents for the loan—Chaplin, Milne, Grenfell & Coy, London, Eng. It is agreed that in future if any portion of the coupons cannot be paid out of the net earnings and the Government subsidy, the deficiency will be paid in scrip redeemable out of future surplus earnings.

Marie Bridge Co. stock, \$500; Minnesota Transfer Ry. stock, \$7,000; Minnesota Transfer Ry. bonds, \$9,000; Chapin Mining Co. bonds, \$40,200—total, \$376,050.

7. Preferred Stock has priority over common stock for non-cumulative dividends at the rate of 7 p. c. per annum, and is entitled to share pro rata with common stock in any dividend in excess of 7 p. c. on the entire capital stock.

8. Funded Debt.—The funded debt outstanding, June 30, 1901 (total, \$34,149,000), consisted of the following (further particulars are in the Ready Reference Bond List—see General Index):

\$461,000 M. & P. 1st mtge. 4s of Jan. 1, 1936.	\$21,949,000 M., St. P. & S. S. M. 1st con. 4s of July 1, 1938.
\$8,239,000 M., S. S. M. & A. 4s of Jan. 1, 1926.	3,500,000 M., St. P. & S. S. M. 2d 4s of Jan. 1, 1949.

The M., S. S. M. & A. firsts are secured on line from Minneapolis to Sault Ste. Marie and on St. Croix Falls Branch, together about 500.33 miles. The Minneapolis and Pacific bonds are secured on the line from Minneapolis to Boynton, N. Dak., 286.59 miles.

The authorized amount of M., St. P. & S. S. M. 1st consols is \$21,000,000 for 800 miles of road and \$20,000 for each additional mile of road (a total of \$28,345,000), of which sufficient bonds are reserved to take up the underlying M. & P., and M., S. S. M. & A. 1st mtge. bonds. The company sold \$1,141,000 of these bonds, dating from Jan. 1, 1901, and the proceeds were used in the construction of 109.2 miles of road in North and South Dakota and Wisconsin, all of which were completed on Oct. 30, 1901. The Canadian Pacific Ry. Co. guarantees interest on all these consols, and on such of the two issues of 1st mtge. bonds as have assented to a reduction in the rate of interest to 4 p. c. per annum. All of the M. & P. bonds and practically all of the M., S. S. M. & A. bonds have assented to the reduction.

The authorized amount of M., St. P. & S. S. M. 2d mtge. bonds is \$5,000,000, of which \$3,500,000 have been issued and the proceeds expended in paying off the floating debt, purchasing terminals, and in making additions to the property. The remainder (\$1,500,000) will be reserved for future purposes of the company. The Canadian Pacific Ry. Co. guarantees the interest on these bonds.

4. Controlled Lines.—This company controls the Grand Trunk Western, the Detroit, Grand Haven and Milwaukee, the Michigan Air-Line, and the Toledo, Saginaw and Muskegon Rys. through ownership of the entire capital stock of each, and controls the United States and Canada RR. and the Central Vermont Ry. through ownership of a majority of their capital stocks. It disposed of its majority interest in the capital stock of the Cincinnati, Saginaw and Mackinaw RR. Co., but took a lease of that company's property, and the results from the operations thereof for the six months ending Dec. 31, 1901, are included in the statement on page 792. All of these lines, as also the Chicago, Detroit and Canada Grand Trunk Junction Ry., are operated by or in connection with the railroads of the Grand Trunk Ry. Co., but their operations are reported separately. See General Index for statements relating to those com-

panies. There has been an increase of 56 miles in the length of lines operated during the past year, by the addition of 1 mile caused by fractional readjustments; by the construction of extensions of 2.08 miles at Meaford and of 1.42 miles at Beeton, and by the leasing of the Cincinnati, Saginaw and Mackinaw RR. (53 miles), authorized by the proprietors by resolution passed at the general meeting of the company, held April 30, 1901.

6. History.—Consolidation, Aug. 12, 1882, of a company of the same name with the Great Western Ry. Co. The company thus formed was united with the Northern Ry. Co. of Canada and its leased line, the Hamilton and Northwestern Ry., on Jan. 24, 1888, the consolidation taking the present style of the Grand Trunk Ry. Co. of Canada. Full particulars of both amalgamations were published in the *MANUAL* for 1892. (See also *MANUAL* for 1888, page 973.) In 1892 the Northern and Pacific Junc. Ry., 112 m., and in 1893 certain auxiliary lines, having an aggregate mileage of 1,157.59 m., were consolidated with the Grand Trunk Ry. (See *MANUAL* for 1894.)

This company owns \$2,185,100 (out of a total of \$3,000,000) of the capital stock of the Central Vermont Ry. Co., and guarantees the interest on the bonds of that company under a traffic agreement, by the terms of which this company agrees to provide for any deficiency up to an amount equal to 30 p. c. of the gross receipts from business interchanged between the two companies.

17. Additional Information Respecting Capital Stock and Funded Debt.

Four p. c. Guaranteed Stock.—Created by Act of 1884, and issued to holders of Great Western preference stock and ordinary shares, and is entitled to a non-cumulative dividend not exceeding 4 p. c. per annum of the net earnings of the company. Ranks next in priority to debenture stock.

First Preference Stock.—Under the Acts of 1873 and 1874 this stock is now entitled to a dividend of 5 p. c. per annum, in perpetuity, charged on the available net profits of each year after payment of dividend on guaranteed stock.

Second Preference Stock.—Ranking next to the first preference stock and otherwise identical in security with it. Full dividends were paid for the second half of 1863 and the first half of 1864, and a dividend of £1 13s. p. c. was paid for the first half of 1873, but no further dividend was paid till 1880, when the full dividend of 5 p. c. for the year was paid. The full dividend was also paid for the six half-years ending Dec. 31, 1883; no distribution then till 1884. 4d. per annum for the second half of 1887; in 1890, 3½ p. c.; 1900, 3 p. c.; 1901, 4 p. c.

Third Preference Stock.—Under Acts of 1873 and 1884 this stock is entitled to a dividend of 4 p. c. per annum, in perpetuity, out of net earnings of each separate year, subject to the priority of the first and second preference stocks. The only distributions on this stock have been as follows: 1864 (1st half), 4 p. c.; 1880 (2d half), 1 p. c.; 1882 (2d half), 3½ p. c.; 1883 (2d half), 3½ p. c.

Perpetual 5 p. c. Debenture Stock (Grand Trunk Section).—Created under powers of the company's "Consolidated Debenture Stock Act, 1874," passed May 26, 1874. Secured by 1st mtge. on all the company's property, as also upon the company's interest in the International Bridge and in leased and operated lines, subject, however, to the priorities of all other preferential charges existing at date of issue; ranks immediately after the Equipment Mtge. Bonds; interest 5 p. c. per annum, in perpetuity, payable Jan. and July.

Perpetual 5 p. c. Debenture Stock (Great Western Section).—This stock was issued in bonds of £100 each, with half-yearly coupons attached, payable to bearer on Feb. 1 and Aug. 1; or, at the option of holders, the stock can be registered in the books of the company. The Debenture Stock is defined by the "Gt. Western Co.'s Financial Act, 1871," to be, in common with the terminal bonds of that company, "a 1st mtge. and lien upon the railway tolls, lands, and other property which are hereby pledged, and shall stand pledged for the due payment of the said bonds and the interest thereon." In 1886, £17,000 of this stock was exchanged for £21,080 4 p. c. debenture stock; in 1887, £30,190 for £37,533 4 p. c. debenture stock; and in 1888, £3,630 for £4,488 4 p. c. debenture stock.

Perpetual 4 p. c. Consolidated Debenture Stock.—By the terms of the Grand Trunk Ry. Acts, 1887 and 1888, securities acquired by exchange for this stock are held alive for the benefit of the holders of the stock. The conversion into this stock of the pre-preference securities (including the 5 p. c. Grand Trunk and Great Western debenture stock), and the bonds of the controlled and subsidiary lines, will, from time to time, be proceeded with by an agreement with the holders. Interest payable Jan. 14, April 14, July 14, and Oct. 14 by warrant.

Second Equipment Mortgage Bonds.—Of these bonds, £127,000 had been acquired by the company to Dec. 31, 1901, and are held as security for the debenture stock, £123,700 having been acquired by the issue of 4 p. c. consolidated debenture stock.

Four p. c. Perpetual Debenture Stock (North. Ry. of Canada).—Is entitled to privileges and priorities of 2d preference bonds, which matured Aug. 1, 1884. Issued to July, 1884, 2d preference bonds being received in payment at £100 for £125 stock. Interest payable Feb. and Aug., in London, of this stock £15,360 had been exchanged for 4 p. c. consolidated debenture stock up to Dec. 31, 1901.

Third Preference Irredeemable 6 p. c. Bonds, Class A (North. Ry. of Canada).—Issued under the Companies' Act of 1868, and representing the third charge on the undertaking. Holders of these bonds are offered by the company, £125 4 p. c. debenture stock for £100 bond, and £41,500 bonds have been thus converted to Dec. 31, 1901.

Third Preference Irredeemable 6 p. c. Bonds, Class B (North. Ry. of Canada).—Issued under resolution of Feb. 10, 1869, and powers of Companies' Act of 1868, in substitution of the arrears of interest bonds, and ranking for dividends immediately after the Class A bonds, and before the preference stock of 1876. The company offers £125 4 p. c. debenture stock for every £100 of these bonds, and £42,900 bonds had been thus converted to Dec. 31, 1901.

Sterling 1st Mtge. 5 p. c. Coupon Grand Trunk, Georgian Bay and Lake Erie Bonds.—Total authorized amount, £310,200, of which £46,200 were set aside upon trust for extensions, etc., but £23,600 have been since expended in the construction of the South Norfolk extension and for other capital purposes. Of the balance of £264,000, £51,300 had been already issued to the Grand Trunk Ry. Co. and others, leaving £212,700 available. The bonds are secured by a 1st mtge. deed of trust, dated April 25, 1883, on the Grand Trunk-Georgian Bay RR., together with all its land and property of whatever kind. Redeemable at par, in London, Aug. 1, 1903. Interest payable Feb. 1 and Aug. 1. The bonds are numbered 1 to 500 of £500 each, and 1 to 602 of £100 each. Those issued by the Scottish-American Investment Co. have been endorsed by them, and are numbered 001 to 0468 of £500, and 001 to 0060 of £100 each. Under the Grand Trunk Ry. Act, 1888, £109,900 of these bonds had been, up to Dec. 31, 1901, converted into consol. debenture stock. The bonds are payable, principal and interest, at the offices of the Grand Trunk Ry. Co. They may be registered (at the same offices) as to principal or interest or both; bonds registered as to principal only may be exchanged back again into coupon bonds, but bonds registered as to principal and interest must remain registered.

Midland of Canada 5 p. c. Consol. 1st Mtge. Bonds.—By the Act of Amalgamation of the Midland Ry. of Canada a consol. mtge. security was created for the purpose of (1) taking up and redeeming outstanding bonds of the companies then amalgamated, amounting together to £1,521,300; (2) making provision at the rate of £5,137 (\$25,000) per mile, for the construction and equipment of the Toronto and Ottawa Ry.; (3) providing £60,000 for improvements on the Grand Junction section, and (4) £351,000, to be issued as required for enlargements and extensions of the consolidated company's works. The bonds taken up are to retain their priorities on the sections in respect of which they were issued, and be held by the trustees for the benefit of the consolidated bondholders until the existing bonds on all the sections of the Midland Ry. have been got in, when they will be canceled, and the consolidated bonds will form the first charge upon the entire undertaking of the Midland Ry. The consols are secured by a mtge. deed of trust, dated May 10, 1882, conveying to trustees the railway, its lands, rolling stock, tolls, revenues, and all present and future real and personal property and effects. They are of £100 each, but may be of such other sums as the directors may deem proper. Interest payable Jan. 1 and July 1, and principal payable at par, in London, on Jan. 1, 1912. Under the Grand Trunk Ry. Act, 1888, £556,000 of these bonds had been, to Dec. 31, 1901, converted into consol. debenture stock.

Midland of Canada 5 p. c. Sterling 1st Mtge. Bonds.—Issued in 1878 by the old Midland Co., in lieu of outstanding mortgages. The bonds are to bearer, bear interest at the rate of 2½ p. c. per annum for the first three years, afterwards at the rate of 5 p. c. The coupon due May, 1878, was not paid till Nov., 1880, and the five following coupons were funded in 5 p. c. deferred interest certificates, which were included in the bonds to be redeemed by 1st mtge. consols. The subsequent coupons were paid at maturity. Both principal and interest are payable in London, and the bonds are redeemable in May, 1908. Under the Grand Trunk Ry. Act, 1888, £97,900 of these bonds had been, to Dec. 31, 1901, converted into consolidated debenture stock.

The Wellington, Grey and Bruce 1st Mtge. Bonds are the outstanding balance of an issue of £532,000, the remainder having been retired either by drawings or by conversion into Grand Trunk 4 p. c. debenture stock. The bonds are a first lien on the Wellington, Grey and Bruce Ry. The line is operated by the Grand Trunk Ry. Co., which gives Wellington bonds 30 p. c. of the gross receipts as interest, and sets aside a further 20 p. c. of extra traffic interchanged for redeeming bonds by drawings in May and Nov. The 30 p. c. of the gross receipts has been insufficient to pay the full interest on the bonds, which is consequently in

arrears £3 7s. on the coupon due July 1, 1891, besides the full amount of all subsequent coupons. All payments are made at the office of the Grand Trunk Ry. Co.

Gauge, 4 ft. 8½ in. Rail (steel), 65 to 80 lbs. For history, see Manual for 1888, page 1. Leased Aug. 5, 1853, for 999 years, to the Grand Trunk Ry. Co. of Canada, the lessee assuming all outstanding obligations and guaranteeing 6 p. c. on the stock. Rolling Stock.—Supplied by the Grand Trunk Ry. of Canada. Balance Sheet, June 30, 1901.—Capital stock, \$5,484,000; funded debt (1st mtge. 5-20-yr. bonds of Oct. 1, 1884, \$309,900 or \$1,499,916; 2d mtge. 5-20-yr. bonds of May 1, 1871, £147,300 or \$712,932; 3d mtge. 5-20-yr. bonds of July 1, 1889, £162,600 or \$786,984; balance due on exchange of bonds, \$168; 6 p. c. 30-yr. Island Pond debentures, dated Dec., 1882, \$438,000), \$3,438,000—total, representing cost of road, etc., \$8,922,000. Par value of stock: Currency, \$100; sterling, £100, say \$484. The bonds, \$3,000,000, are all held by the Grand Trunk Ry. Co., which issued against them its 5 p. c. perpetual debenture stock. The sinking fund for the redemption of the City of Portland bonds was finally closed Nov. 2, 1888, by the payment of \$308,000 of those bonds, which matured on that date. By the terms

of the agreement between the Grand Trunk and this company the lessor is required to issue stock to replace the debt to the City of Portland when the lessee demands such issue. The Grand Trunk Ry. Act of 1884 gave the lessee power to redeem the rental payable to the Atlantic and St. Lawrence Co. by the issue of 4 p. c. debenture stock. George B. Reeve, Pres., Montreal, Can.; W. W. Duffett, Treas. & Clerk, Portland, Me. General Office, Montreal, Que.

Lines Operated in Connection with the A. & St. L. RR.

LEWISTON AND AUBURN BRANCH RR.—Lewiston Junction to Lewiston, Me., 5.41 miles. Rail (steel), 65 lbs. Chartered in Maine, Feb. 19, 1872; road opened July 14, 1874, and leased to the Grand Trunk Ry. Co. for 99 years from March 10, 1874 (lease dated March 25, 1874), for \$18,000 per year, being 6 p. c. on \$300,000 stock owned by the cities of Lewiston and Auburn. W. W. Harris, Pres., Auburn, Me.; E. F. Scruton, Treas.; E. L. R. Hunt, Sec., Lewiston, Me. Corporate Office, Lewiston, Me.

NORWAY BRANCH RR.—South Paris to Norway, Me., 1.36 miles. Chartered April 23, 1879; opened in Dec., 1879. Leased to Grand Trunk Ry. Co. for 99 years from May 1, 1880, at a nominal rental of \$1 per annum. Capital stock (all of which was paid to Grand Trunk Ry. Co.), \$8,750. H. L. Horne, Pres.; Cyrus S. Tucker, Treas.; F. GRAND TRUNK SYSTEM.—GRAND TRUNK WESTERN RY. CO.

1. Line of Road Owned.—Port Huron, Mich., to C. & W. I.

R.R. Junc., Chicago.....330.40 m.

LEASED: *C. & W. Ind. R.R.:* C. & W. I. R.R. Junc. to Polk Street, Chic., Ill. 4.78 m.—335.18 miles. 2d track, 158.28 m.; sidings, 160.49 miles. Gauge, 4 ft. 8½ in. Rail (steel), 67 to 80 lbs.

2. History.—Reorganization Nov. 22, 1900, of the Chicago and Grand Trunk Ry. Co. (see MANUAL for 1901, page 816). The railway of that company was sold on Oct. 31, 1900, to a Purchasing Committee, which transferred the line in Michigan to the Port Huron and Indiana Ry. Co.; the line in Indiana to the Indiana and Illinois Ry. Co., and the line in Illinois to the Chicago Lake County Ry. Co. The two first-named companies were afterwards consolidated under the name of the Grand Trunk Western Ry. Co., which purchased the Illinois section, and to which the receivers surrendered the railway on Dec. 1, 1900, by order of the Court.

The Grand Trunk Ry. Co. of Canada guarantees the payment of the interest on the G. T. W. Ry. Co.'s 1st mtge. bonds, and, as additional security, will devote each half year not exceeding 80 p. c. of its gross receipts on traffic interchanged with the G. T. W. Co. to meet the interest not earned by that company for such half year. Capital stock for \$6,000,000 was issued to the Grand Trunk Ry. Co. of Canada in payment of advances, and in consideration of guaranteeing the payment of the interest on the G. T. W. Ry. Co.'s 1st mtge. bonds, and for other valuable considerations. On Jan. 15, 1901, the Grand Trunk Western Ry. Co. purchased the Grand Trunk Junction Ry., previously leased by the Chicago and Grand Trunk Ry. Co., assuming all liabilities of the Junction Co.

3. Rolling Stock, Dec. 31, 1901.—Locomotives, 155. Cars—passenger, 43; baggage, mail and express, 26; freight (box, 1,220; flat, 177; stock, 10), 1,407; service, 109—total cars, 1,585. GREAT NORTHERN RAILWAY OF CANADA.

(For map of this road, see page 805.)

1. Lines Owned (177.0 miles).

Main Line of Road: Rivière à Pierre Jct., Que., to Hawkesbury, Ont. 168.0 miles.
Branches: To St. Jerome, Grand Mere and Shawinigan Falls, Que. 9.0 "
TRACKAGE: Quebec & Lake St. John Ry.—Rivière à Pierre, Que., to Quebec, Que. 58.0 "

Total length of lines operated, Jan. 1, 1902. 235.00 miles.
 Sidings, etc., 11.59 miles. Gauge, 4 ft. 8½ in. Rail (steel), 56, 60, and 70 lbs.

2. History.—Chartered as the Great Northern Ry., by the Legislature of Quebec on March 30, 1883, and by the Dominion Government on July 9, 1892. On June 23, 1900, the title of the company was changed to Great Northern Ry. of Canada, and the charter made perpetual by Act of Parliament. The line was built from St. Jerome to Montcalm, 28 miles, in the fall of 1894; the extension to Shawinigan during the fiscal year, 1896-97, and the entire line completed as above, April 1, 1901. The Lower Laurentian Ry., extending from Rivière à Pierre to St. Tité, Que., a distance of 39 miles, was purchased, and forms a part of the main line (see MANUAL for 1900, page 819).

The main line operated by the company runs from a connection with the Canada Atlantic Ry. at Hawkesbury, Ont., to Quebec, Que., a distance of 226 miles, of which 168 miles are owned, the remaining 58 miles consisting of leased running rights over the Quebec and Lake St. John Ry., and affording connection with the Great Northern's own freight terminals and docks at Quebec. A cut-off, to be built during 1902-3, will reduce the mileage operated over the Quebec and Lake St. John Ry. to 22 miles. "In connection with the Canada Atlantic Ry., the Leyland Steamship Co. Manchester Line, and the Canada Atlantic Transit Co., the Great Northern Ry. forms an important part of a through line, lake and rail, between Duluth and Liverpool, over 800 miles shorter than via Buffalo."

The Great Northern Ry. of Canada has a contract running for twenty years with the Canada Atlantic Ry., for interchange of traffic on a mileage basis. The Great Northern owns the entire capital stock of the Great Northern Elevator Co. at Quebec.

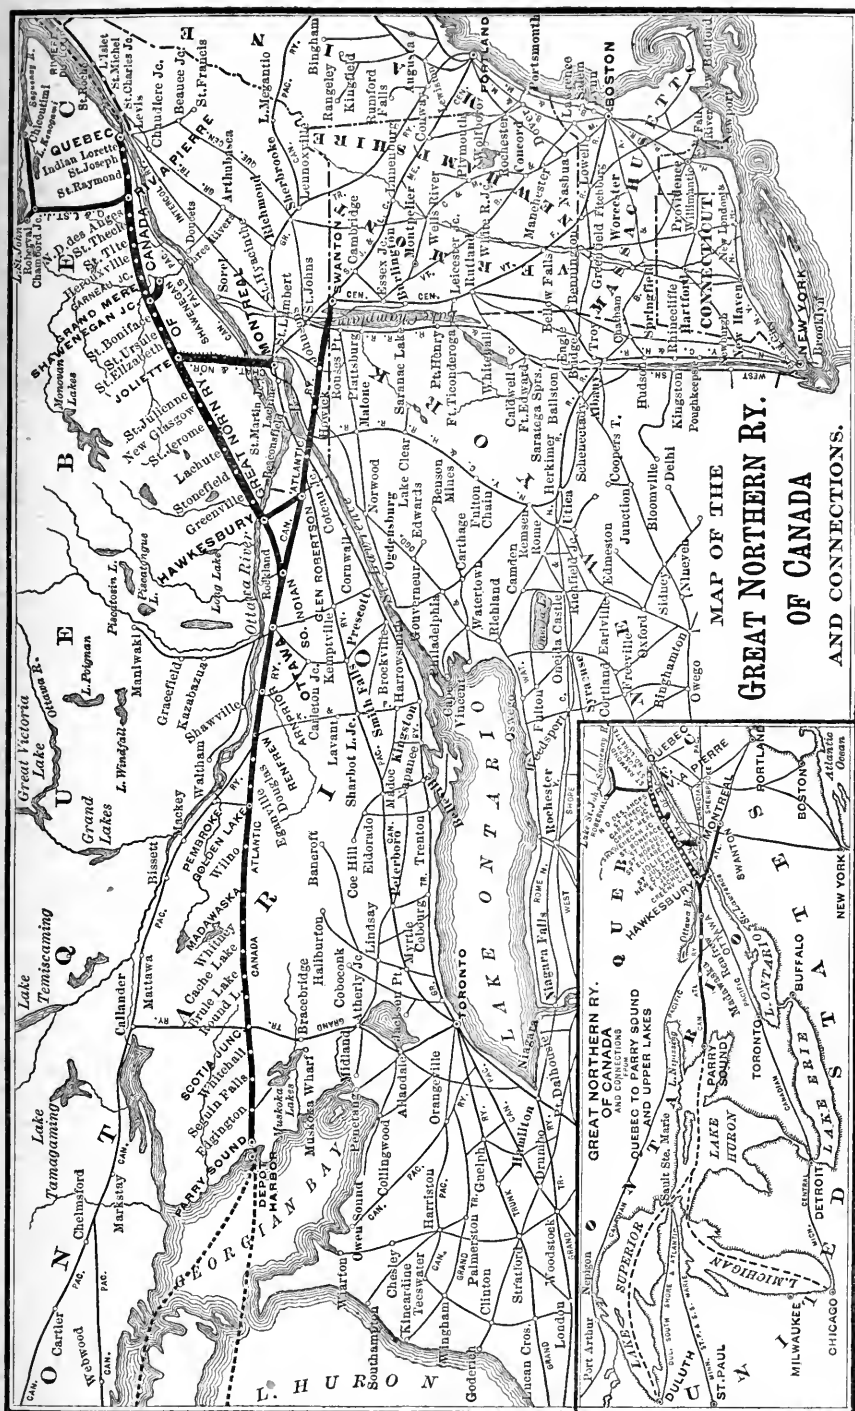

The Chateaugay and Northern Ry., now under contract to be built from Montreal to Joliette, Que., has been leased by the Great Northern for 99 years on completion, and will form the entrance of the latter into the City of Montreal, where it will have its tracks direct to the wharves, and a connection with all the southern lines entering Montreal. This line will be 36 miles long, and is expected to be completed in the fall of 1903.

3. Rolling Stock, March 1, 1901.—Locomotives, 21. Cars—passenger, 25; combination, 3; freight (box, 600; flat, 150; gondola, 69; stock, 50; refrigerator, 2; caboose, 6), 877—total cars, 905.

4. Operations, year ending June 30, 1902.—Earnings—passenger, \$77,920.72; freight, \$430,725.44; mail and express, \$3,900.85; miscellaneous, \$12,216.50—total, \$524,763.51. Operating expenses, \$316,800.69. Net earnings, \$207,962.82.

5. Financial Statement, July 1, 1902.—Capital stock authorized (common, \$4,550,000; debenture, \$3,000,000; preferred, \$450,000), \$8,000,000. Issued to date \$4,375,100 common and \$1,996,625 debenture stock. Funded debt outstanding consists of (1) \$4,040,000 1st mtge. 50-yr. \$1,000 gold coupon (with privilege of registration of principal) sinking fund bonds, due Jan. 1, 1950, interest Jan. and July at the office of the trustee, Central Trust Co., New York, N. Y.; (2) \$158,000 Quebec Terminal 1st mtge. 50-yr. bonds, due 1950, interest at Montreal, Can., and (3) \$350,000 equipment trust 6 p. c. bonds, dated 1901, due semi-annually till 1905, interest Jan. and July at office of Central Trust Co., New York, N. Y. Total stock and bonds outstanding, July 1, 1902, \$10,919,725.

The \$4,040,000 outstanding 1st mtge. bonds consist of two series—Series "A" for \$3,540,000, and Series "B" for \$500,000. The authorized amount of Series A bonds is \$6,000,000, being at the rate of \$20,000 per mile of completed railway, not exceeding 300 miles, provided, however, that bonds, not to exceed \$20,000 per mile, may be issued upon completed railway mileage acquired in excess of said 300 miles, but only with the consent of the holders of 60 p. c. in value of outstanding Series "A" bonds. These bonds are secured by deed of mortgage, dated Jan. 1, 1900, to the Central Trust Co., New York, N. Y. of all railways, lands, rolling stock and franchises of the railway company. The \$500,000 Series "B" bonds were issued on account of bridge over the Ottawa River at Hawkesbury. These two issues

of 1st mortgage bonds (Series "A" and Series "B"), by special act of the Dominion Parliament in 1901, were made equal security and a first lien on the railroad and bridges. Beginning Jan. 1, 1910, a sinking fund of 1 p. c. of the outstanding amount of bonds, is provided for their redemption; this sinking fund absolutely retires the entire issue at maturity. The authorized amount of Quebec Terminal mortgage bonds is \$300,000; they were authorized by the stockholders on Oct. 16, 1900, to provide for improvements to the company's terminals at Quebec. The equipment trust bonds were authorized on July 17, 1901; they are a lien on the equipment, but are further secured by deposit of \$300,000 of the 1st mtge. railroad bonds.

ALBERTA RY. AND COAL CO.—Lethbridge, District of Alberta, to Coutts, at International Boundary, 64.62 m.; total track (steel; 35 lbs.), 77.83 miles. Gauge, 3 ft. Incorpor. Jan. 20, 1889. On Dec. 31, 1889, the company leased the properties of the North Western Coal and Navigation Co. and purchased them outright in Feb., 1891. They included a railroad from Lethbridge to Dunmore in the District of West Assinibola, 109.5 miles, which was sold, Dec. 31, 1897, to the Canadian Pacific Ry. Co. (See MANUAL for 1898, page 896.) The line from Lethbridge to Coutts was built by this company. It was opened for traffic on Dec. 8, 1890. At the International Boundary Line connection is made with the Great Falls and Canada Ry., which is owned by an affiliated corporation, and at Lethbridge, with the Canadian Pacific Ry. Besides the railway from Lethbridge to Dunmore the properties purchased from the North Western Coal and Navigation Co. included coal mines, etc., about 10,640 acres of coal lands, of which the company paid for 2,972 acres, and agreed to purchase the rest from the Dominion Government at \$10 per acre, now payable within nine years from Jan., 1894. The company also acquired in the North Western Coal and Navigation purchase 317,390 acres of farming land and obtained from the Dominion Government a grant of 418,736 acres, making a total of 736,126 acres. As the result of negotiations between the company and the debenture holders, all the town plots, farm lands, and mortgages were, in Dec., 1891, released from the trust deed for the debentures, to enable an affiliated company to be formed for their purchase. (See Lethbridge Land Co. subjoined.) Locomotives, 12. Cars—passenger, 3; baggage, etc., 2; freight (box and stock, 22; flat, 8; coal, 266), 301; service, 19—total cars, 320.

Operations, year ending June 30, 1901.—Trains run (passenger, 22,092; freight, 44,448; mixed, 3,888), 70,428 miles. Passengers carried, 4,203. Tons freight moved, 69,881. Earnings (passenger, \$9,831; freight, \$52,023; other, \$95,305), \$157,059. Operating expenses, \$106,745. Net earnings, \$50,314.

Financial Statement, June 30, 1901.—Capital stock authorized (ordinary, \$100,000; preferred, \$1,500,000; shares, \$100), \$1,600,000; paid in (ordinary, \$100,000; preferred, \$1,000,000), \$1,100,000; funded debt, \$5,000,362—total capital paid up, \$6,109,362. Floating debt, \$43,482. Cost of road, etc., \$4,863,852. Capital stock consists of \$100,000 ordinary stock and \$1,000,000 (\$1,500,000 auth.) preference non-cumulative 6 p. c. stock, making total share capital paid in, \$1,100,000.

Funded debt outstanding consists of \$608,333.33 prior lien 4 p. c. debenture stock (\$608,333.33 auth.), dated Dec. 10, 1895, redeemable at 110 p. c. until June 28, 1905, and at 105 p. c. thereafter, interest Jan. and July; \$1,216,666.67 debenture stock "A" dated Dec. 10, 1895, and redeemable at par at any time at three months' notice, interest 4 p. c., payable Jan. and July only if earned until June 30, 1900; \$3,184,362.29 debenture stock "B" (\$3,650,000 auth.), dated Dec. 10, 1895, interest 5 p. c., payable in Dec. only if earned.

The Lethbridge Land Co. was organized in 1891 for the purpose of taking over the farm lands and certain other property of this company, and paying therefor in bonds, while the debenture holders of this company agreed to accept payment of their coupons in 1892, 1893, and 1894, partly in cash and partly in the bonds of the Lethbridge Land Co. This arrangement fell into default in 1893, and in 1895 the capital account was entirely reconstituted, the ordinary shares being written down by \$1,650,000, while for the old debentures, with arrears of interest reckoned at £110,000, "A" debenture stock and "B" debenture stock have been issued, and prior lien debenture stock has been issued partly to provide for floating debts. The prior lien debentures, "A" debentures, and "B" debentures are secured in the order named on the railway, land, and other real property of the company, except the Dunmore-Lethbridge Line and purchase money payable for the same by the Canadian Pacific Ry. Co. and are secured as a floating charge on the other assets of the company. The "B" debentures are redeemable as to £100,000 out of any balance remaining from the sale of the Dunmore-Lethbridge line after the repayment of a loan of £113,000, and as to the balance at any time, at par, at the company's option, on three months' notice. Trustee for debentures: The Trustees, Executors and Securities Insurance Corporation, Limited, London, E. C.

COMPANIES CONTROLLED OR OPERATED BY THE ALBERTA RY. AND COAL CO.

LETHBRIDGE LAND CO., LIMITED.—Chartered Dec. 22, 1891, to acquire from the Alberta Ry. and Coal Co. mortgages to the amount of about \$800,000 on lands (which the Alberta Co. had sold) lying in the district of Alberta, N. W. T., Can., together with about 45,000 acres near the town of Lethbridge and 1,500 lots within that town. Capital stock (£10 shares), £100; funded debt, purchase money, 6 p. c. £50, £100, and £500 debentures, due Jan. 1, 1905, but redeemable at par on three months' notice, interest Jan. and July (£200,000 issued), £191,980. These debentures were issued to the Alberta Co., to be delivered by that company in part payment of interest on its debentures (see statement for Al-

berta Ry. and Coal Co.). In the agreement with the Alberta Co. it is provided that so soon as this company's bonds shall have been redeemed, all the remaining lands and properties hypothecated as security are to be re-transferred to the Alberta Co. The company's report, dated Dec. 22, 1896, stated that negotiations were pending for the purchase outright of the major portion of the company's bonds. Interest on the bonds is payable at the company's office. The interest due July 1, 1894, and subsequently, is in arrear. Adrian C. F. Hope, Pres.; Geo. Edwards, Sec. 17 Old Jewry, London, E. C.

CANADIAN NORTHERN RY.—Junction with Manitoba and Northwestern Ry. at Gladstone to Winnipegosis, Man., 125 m.; Sifton June, Man. to Erwood, 177 m.; Winnipeg, Man., to Minnesota State Line, 108 m.; Dauphin, Man., to Grand View, 27 m.; Port Arthur to Stanley, 19 m.; Stanley to Gunflint Lake, 66 m.—total, 522 m.; total track (steel: 56 lbs.), 589.02 miles. Gauge, 4 ft. 8½ in. Consolidation, during the fiscal year 1898-99, of the Winnipeg Great Northern Ry. Co. and the Lake Manitoba Ry. and Canal Co. (See MANUAL for 1899, page 897.) During the fiscal year 1899-1900, the Manitoba and Southeastern Ry., and the Ontario and Rainy River Ry. Cos. were consolidated with this company. The Port Arthur, Duluth and Western Ry., extending from Port Arthur, Ont., to Gunflint Lake, a distance of 85.5 miles, was purchased by this company in May, 1900. (See MANUAL for 1900, page 817.)

The Manitoba Government has leased in perpetuity from the Northern Pacific Ry. Co. its Manitoba branches, paying the following rental: First ten years, \$210,000 annually; second ten years, \$225,000; third ten years, \$275,000; thereafter, \$300,000, with the option of purchase at \$7,000,000. This makes a p. c. on a capitalization of \$20,000 per mile. These lines were turned over to the Canadian Northern Ry. Co., and the company allows the Government to fix rates in Manitoba, and between points in Manitoba and Lake Superior. The company also agreed to complete its line to Port Arthur by Oct., 1901. In return for these concessions the Government undertakes to guarantee bonds of the Ontario and Rainy River lines, principal and interest, at 4 p. c., to the extent of \$20,000 per mile for 290 miles, a capital liability of \$5,800,000, with an annual interest charge of \$332,000. The Government also permits the company to increase the bonds on Manitoba lines from \$8,000 to \$10,000 per mile on all mileage where the Government has already guaranteed \$8,000. In the event of earnings being insufficient to pay operating expenses and bond interest the Government, without any recourse against the company, will make good such

deficiency. On the question of the payment of interest on the bonds which the Government is to guarantee on the Ontario and Rainy River Ry., the company is only to do it if the earnings enable it to do so. If not, the Government must pay interest. The lease of the Northern Pacific lines went into effect on June 1, 1901. They aggregate 351.04 miles in length, as follows: Dakota State Line to Winnipeg, Man., 65.94 m.; Morris to Brandon, Man., 145.24 m.; Belmont to Hartney, Man., 50.94 m.; Portage Junction to Portage la Prairie, Man., 52.52 m.; Winnipeg Transfer Ry., 1.24 m.; Portage la Prairie to Beaver, Man., 20.02 m.; Portage la Prairie to Delta, Man., 15.14 miles. (See statement for Northern Pacific Ry. Co.) Locomotives, 43. Cars—passenger, 17; official, 2; baggage, etc., 8; freight (box, 383; flat, 763), 1,146; service, 17—total cars, 1,190. KINGSTON AND PEMBROKE RY.—Kingston to Renfrew, Ont., 103.10 m.; Bedford to Zanesville, Ont., 4 m.; branches to Iron Mines and Mills, 5.75 m.—total, 113.85 m.; total track, 133.85 miles. Rail (steel, 103.10 m.), 56 lbs.; iron, 50 and 84 lbs. Gauge, 4 ft. 8½ in. Chartered April 14, 1871; road opened June 17, 1875; extended to Renfrew in 1884. At the latter place and at Sharbot Lake connection is made with the Canadian Pacific Ry. and at Renfrew with the Canada Atlantic Ry. This company has running powers over the Canadian Pacific from Renfrew to Pembroke, about 35 m., and from Pembroke to Nipissing, a further distance of 140 miles. It also has the right to have its traffic carried, with the same diligence, despatch, and care as the Canadian Pacific traffic, and at arbitration rates, from Nipissing to Sault Ste. Marie, a distance of 300 miles. These privileges are granted by the Government, and are settled by statute. The company received from the Dominion Government 30 acres of land in the City of Kingston for terminal facilities, and 60 acres additional under water for docks, at nominal figures. The company also owns 18 acres at Renfrew and 10 acres at Sharbot Lake. It is exempt from taxation for 20 years in Kingston and Renfrew. The Bay of Quinte Ry. Co. (see General Index) uses this company's line between Kingston and Harrowsmith, 19 miles.

Default was made on interest due on the 1st mtg. 6 p. c. bonds on Jan. 1, 1893, and on October 15, 1894, a receiver was appointed. On June 13, 1898, the Parliament of the Dominion of Canada passed an Act authorizing the reorganization of the company on the following terms: (1) The exchange of its 6 p. c. bonds for 3 p. c. bonds, due Jan. 1, 1912, on payment of six and one-half years' 6 p. c. interest up to Jan. 1, 1899. (2) The reduction of the common stock 50 p. c. and for purpose of paying its indebtedness to issue \$1,000,000 of 1st preference 5 p. c. non-cumulative stock. The company was also authorized to issue, for the benefit of the bondholders only, \$150,000 2d preference 3 p. c. non-cumulative stock, to be given to the bondholders in lieu of 3 p. c. reduction of interest to maturity of bonds in 1912. The receiver has been discharged and the company has no floating debt. Locomotives, 9. Cars—passenger, 13; baggage, etc., 5; freight (flat, 150; box, 22), 172—total cars, 190. KOOTENAY RY. AND NAV. CO.—Incorporated in London, Aug. 8, 1898, to acquire the undertaking of the Kaslo and Slocan RR., running from Sandon to Kaslo, on Kootenay Lake, B. C., about 30 miles; the undertaking of the International Nav. and Trading Co., Ltd., owning the connecting steamers on Kootenay Lake; the undertaking of the Bedlington and Nelson RR. Co., formed to construct a railroad from Kootenay Lake to the International Boundary; and the undertaking of the Kootenai Valley Ry. Co., an American corporation, formed to construct a railroad from the International Boundary to Bonner's Ferry, Ida., where it connects with a line of the Great Northern System. These undertakings are held through ownership of all the stock and securities of the various companies. The total length of railroad line in operation is 97 miles, as shown in detail in the appended statements. This company took over the working of the properties on Jan. 1, 1899. It has acquired a land grant of 220,000 acres.

Financial Statement.—The authorized capital stock is £500,000 in £1 shares, all of which except 7 shares has been issued fully paid. Debenture stock authorized, £140,000; outstanding, £476,000. The debenture stock is secured by a trust deed assigning to trustees all the securities of the subsidiary companies. It is to be redeemed within a period of 36 years from the end of 1900, by the action of a sinking fund to be provided out of land sales or net profits. The sinking fund may be applied to the purchase of bonds if they can be obtained at a price below 110 p. c., or to drawings at 110 p. c., the company having reserved the right to redeem the stock at that price on three months' notice. The Great Northern Ry. Co. owns practically the whole capital stock, and guarantees the debenture stock both as to principal and interest.

The capital stock consists of \$3,381,603.33 fully paid shares, including Chaudière extension shares of \$125 (called first preference). The \$1,102,967 debenture stock, issued to June 30, 1901, bears interest not exceeding 4 p. c. per annum, payable in London, the total interest upon which shall not at any time exceed the sum of £30,000 sterling per annum, and the principal whereof shall rank as a charge on the company's railways, rolling stock, property and undertaking, without registration, next after the outstanding prior lien bonds. Part of these debentures were issued for the retirement of prior lien bonds, reducing the amount of the latter from £350,000 to £153,900. Funded debt consists of £153,900 prior lien bonds of £100 each, due Feb. 1, 1908, coupons payable Feb. and Aug., in London. They are secured on the whole line, lands, equipments, tolls, and revenues, etc. The bonds are to bearer, but may be registered (as to principal only), and registered bonds may be exchanged back again into bonds to bearer. There are also £76,000 5 p. c. income bonds of £100 each, interest payable if earned. These bonds were issued in 1888, are for £100 each (Nos. 1 to 6,760), and are redeemable in 1911. For 1889 they received 1½ p. c.; for 1890, 1½ p. c.; for 1891, 1½ p. c.; for 1892, 1½ p. c.; for 1893, 1½ p. c.; for 1894, 1½ p. c.; for 1895, 1½ p. c.; for 1896, 1½ p. c.; for 1897, 1½ p. c.; for 1898, 1½ p. c.; for 1899, 2½ p. c.; for 1900, 2½ p. c. The income bonds carry voting power at the rate of one vote for every £20, and elect six directors out of a board of nine; and the power to vote vested in preference shares is suspended until full interest shall have been paid on income bonds for three consecutive years. Subsidies amounting to £175,850 were received for the original line and £112,650 for the Tring Mégantic branch.

Funded debt: £330,450 5 p. c. 1st mtge. debentures of £50, £100, £500, and £1,000 in coupon form, with privilege of registration, secured on the road and property of the company. Interest payable Jan. and July, at Lloyd's Bank, Limited, 72 Lombard St., London, E. C. Bonds are guaranteed by the Province of Quebec, and mature in 20 years, but a sinking fund of 67 p. c. of the net earnings of the line, together with the annual subsidy received from the Government, are set aside for the redemption of the bonds by annual drawings at 105 p. c., or by purchase. The first redemption took place in 1889. Trustees: Lord Hatherton and the Trustees' and Executors' Co., Limited, of London.

Also, £140,000 guaranteed 5 p. c. sterling 1st mtge. debenture bonds (St. Francis Branch, Temiscouata Ry.), in bonds of £50 and £100. The interest on this issue is absolutely and unconditionally guaranteed (irrespective of the earnings of the railway) by the Quebec Government, for 10 years from March 1, 1890. Each bond is endorsed by the treasurer of the Government of Quebec. Interest payable by the London agents, in sterling, March 1 and Sept. 1; principal payable in gold, in London, March 1, 1910. A reserve fund will be formed for securing the regular payment of the interest after the expiration of the Government guarantee by setting aside 33 p. c. of the net earnings of the branch in each year for ten years, to accumulate in the hands of trustees. The whole property of the new railway and the undertaking has been secured to the debenture holders by deed of mortgage and trust deposited with the Secretary of State of Canada. Bonds are numbered—Series A, 1 to 1,000, of £100 each, and Series B, 1,001 to 1,800, of £50 each. Trustees: Lord Hatherton, John Charles Salt, and C. A. Whitmore. 2. History.—Chartered April 30, 1888, and purchased all the concessions granted by the Mexican Government for a railroad from Vera Cruz to Amacuzac, and contracted with the concessionnaire to build the lines necessary to complete existing links and to put the latter into repair. The concessions confer the privilege of operating the railroads for 99 years from Feb., 1883, after which the latter are to pass to the State, which will then recognize charges on them to an amount of not exceeding \$10,000 per kilometer (about \$16,000 per mile) bearing interest at 6 p. c. per annum until paid off; the rolling stock to be paid for at a valuation. The road was opened to Vera Cruz from the City of Mexico on April 1, 1891. In July, 1891, the company purchased the Matamoros Ry., extending from Los Arcos, near Puebla, to Matamoros Izucar, 48 miles. The extension from Jojutla to Puente de Ixtla, about 12 m., necessary to fulfill the obligations of the company under its concession, was opened Aug. 1, 1894. A subvention of \$160,000, payable by the Government in respect to this extension, has been received.

Interest due in 1893 and subsequently on the then 6 p. c. mtge. debenture stock was paid in cash only in part, and in 1896 a scheme for the reorganization of the debenture stocks was carried out, the company, for the purposes of the plan, being placed in temporary liquidation. An outline of the scheme of reorganization was published in the *MANUAL* for 1896, page 1510. This company has under construction a line from Cuautla to Atencingo, to connect the Morelos and Matamoros divisions, a distance of 42 miles.

Extract from the company's report for 1900-01:

"The expediency of purchasing the narrow-gauge line from San Marcos to Tezuitlan, 79 miles in length, known as the *Nantla Railway*, and of constructing a line 61 miles long from Virreyes to San Nicolas—two stations on this company's line—has for some time past been under consideration. The board have decided that the control of these two lines is of great importance to this company, and that the most convenient and economical procedure by which this result can be attained is by the formation of a separate company. An option has been obtained for the purchase of the Nantla Railway, together with a Government subvention of \$300,000, and this subvention will be transferred to the Virreyes-San Nicolas line, for the construction of which a concession has been secured.

"A company to be called the *Mexican Eastern Railway Company Limited* is being formed with a share capital of £10,000 nominal (all of which will be allotted as fully paid to this company), and a five per cent. debenture capital of £450,000. The purchase price of the Nantla Railway, the construction of the Virreyes-San Nicolas line, and the equipment of both, will necessitate an issue of not exceeding £400,000 of such debenture capital, and it is proposed that a lease shall be entered into under which this company, after the completion of the Virreyes line, will take over and work the railways of the Mexican Eastern Company for a period of 80 years, at an annual rental sufficient to meet the interest on the debenture capital of that company for the time being outstanding, and its general expenses. Any issue in excess of £400,000 will be made only in agreement with this company.

"The company will have the right to purchase the property of the Mexican Eastern Company at any time after 1st June, 1914, upon giving six months' notice, the purchasing price to be a sum sufficient to redeem the issued debenture stock of the Mexican Eastern Company at the price of 105 per cent. The rental will, after 1920, include a sum to constitute a fund towards the redemption of the debenture stock, which will be payable at par in 1989."

"Accrued interest" does not include arrears due on the 7 p. c. preferred shares, which are payable when the profits of the company will allow. On June 30, 1901, these amounted to £685,416.

S. PARTICULARS RESPECTING THE COMPANY'S SECURITIES.

The ordinary shares are for £10, fully paid, and were issued to the vendors of the original concession and the contractors, and £200,000 in part payment of the Matamoros Ry.

The 7 p. c. cumulative preferred shares are for £10, fully paid. Of this amount, £800,000 were issued to the public in July, 1888, at par, and the remainder (£200,000) was issued to the vendors of the original concession and the contractors.

The 5 p. c. prior lien debentures are for £50 and £100 each, of which £200,000 were issued in March, 1892, at 90 p. c., £100,000 in May, 1893, at 93 p. c., £60,000 in Feb., 1894, at 90 p. c., and £40,000 on Jan. 1, 1897, at 95 p. c. Interest payable Jan. 1 and July 1, and principal due March 31, 1912; but the company reserved the right of repayment at par at any time after March 31, 1897, on six months' notice. A sum equal to the percentage paid as dividend on the preference shares is to be set aside each year as a reserve fund for the redemption of these bonds. These prior lien debentures are a 1st mtge. on the lines from Mexico to Vera Cruz, Mexico to Amacucac, and branches to San Juan, San Nicolas and San Lazaro to the Custom House in Mexico City, and upon the company's equipment and net revenue. Provision has been made for the repayment of these bonds by the issue of £450,000 4 p. c. debenture stock.

The 4 p. c. debenture stock ranks next after the prior lien debentures on the whole of the company's undertaking. Interest is payable March 15 and Sept. 15, and the principal matures on Sept. 15, 1950, the company, however, having the option of redeeming the stock at par at any time on six months' notice. Issued in accordance with a scheme of arrangement agreed to in 1896, as follows: £462,000 to holders of the 6 p. c. mtge. debenture stock, in the proportion of 33 p. c.; £54,450 to holders of the Matamoros debenture stock, in the proportion of 33 p. c., and £12,210 to holders of the Matamoros debenture stock, being the par value of the arrears of interest up to Sept. 15, 1895, not represented by deferred interest warrants. £450,000 stock is reserved for the redemption of the existing £400,000 prior lien debentures, and the remainder (£100,000) of the working capital was offered on Oct. 4, 1900, to the 4 p. c. debenture stockholders and was allotted. The stock is a first charge (secured by deed of hypothecation registered in Mexico in favor of the National Safe Deposit Company, as trustee) upon the whole of the company's undertaking, including the Matamoros Railway, subject only to the existing lien of the £400,000 5 p. c. prior lien debentures.

The 7 p. c. "A" debenture stock ranks next after the 4 p. c. debenture stock. Interest is payable only if earned, and is non-cumulative until for five consecutive years the revenue shall have been sufficient to provide the full interest on this stock and on the "B" debenture stock. The stock is to be redeemed on Sept. 15, 1950, with power to the company to pay it off at any time on six months' notice at 110 p. c. This stock was issued in 1896 in part conversion of pre-existing 6 p. c. mtge. debenture stock, 6 p. c. Matamoros debenture stock, and in redemption of deferred interest warrants issued for part interest on the pre-existing 6 p. c. debenture stock and Matamoros debenture stock. (See statement of 4 p. c. debenture stock above.)

The 7 p. c. "B" debenture stock ranks next after the "A" debenture stock. Interest is payable only if earned, and is non-cumulative until for five consecutive years the revenue shall have been sufficient to provide the full interest on this stock. The stock is to be redeemed on Sept. 15, 1950, with power to the company to pay it off at any time on six months' notice at 120 p. c. This stock was issued in 1896 in part conversion of the 6 p. c. mtge. debenture stock and Matamoros debenture stock.

Four and one-half Cent Debenture Stock.—To provide in part the means to complete the works and improvements then in progress, or contemplated, a circular was issued to the shareholders and "A" and "B" debenture holders on Nov. 10, 1900, proposing the creation of £1,300,000 4½ p. c. second debenture stock, of which it was proposed that £200,000 should come immediately under the control of the Board; £150,000 should constitute a reserve for future requirements, and the balance, £950,000, should be reserved for the redemption of the 7 p. c. "A" debenture stock of the company. On Oct., 1901, £150,000 of this stock was issued at 86 p. c. to the holders of the 4 p. c., 7 p. c. "A" and "B" debenture stocks and the 7 p. c. preferred shares of the company.

1. History.—Incorporated in Massachusetts Feb. 25, 1880, and in the same year purchased of the Guanajuato Ry. Co. 60 kilometers of narrow-gauge railway, which was widened

and incorporated into the main line. The entire main line was completed March 8, 1884, and opened April 10, 1884. For progress of construction up to the close of 1900, see **MANUALS** for 1893, 1899, 1900 and 1901. The following additions were made to the operating mileage January 1, 1901: Zamora Extension, between Chavinda and Tarecuato, including a wye at Yurecuaro, 22.58 miles; San Marcos Extension, between La Vega and San Marcos, including a wye at La Vega, 29.37 miles; Parral Extension, between Parral and Adrian and branch to Santa Barbara, including wyes at Jimenez and Adrian, 17.66 miles; a wye at Guadalajara on the Ameca Extension, 0.44 mile; and the Mexican Union Ry. (leased) between Rincon de Romos and Cobre, including a wye at Rincon de Romos, 10.85 miles; making a total of 2,135.25 miles operated in 1901, compared with 2,054.35 in 1900, an increase of 80.90 miles, or 3.94 p. c. The Monterey and Mexican Gulf Railway, 388.36 miles in length, was acquired and added to the operating mileage on March 1, 1902 (see below).

The Zamora Extension was completed in 1901 from Tarecuato to Tinguindin, 13.5 miles, the Zapotlan Extension from Guadalajara to Tuxpan, including a wye at La Junta, 119.68 miles, and the Parral Extension from Adrian to Rosario, 28.99 miles. All of the mileage so completed was taken into the operating mileage on January 1, 1902. The Rio Verde branch from San Bartolo was also built as far as the Rio Verde, 24.87 miles, but was not to be taken over by the operating department until the bridge across the Rio Verde should be completed, and the line extended into the town of that name, about 2.5 kilometers further. This was expected to be done in May, 1902. The Los Reyes Extension, from Tinguindin south to Los Reyes, 12 miles in length, the construction of which was authorized by the board of directors in June, 1901, was also expected to be completed in May, 1902.

3. Acquisition of the Monterey and Mexican Gulf Ry.—In June, 1901, a contract was made for the purchase of all the capital stock and bonds of the Societe Anonyme de Belge de Chemins de Fer au Mexique, a Belgian corporation, owning and operating the Monterey and Mexican Gulf Ry. from Tampico on the Gulf of Mexico to Trevino, on the Mexican International RR., a distance of 388.36 miles. All the capital stock and bonds were delivered to the company, and paid for in November, 1901, \$6,000,000 of collateral pledge notes, due May 15, 1902, being issued for that and other purposes. On February 1, 1902, the property, with the approval of the Mexican Government, was transferred to the Mexican Central Ry. Co., and from March 1, 1902, it has been operated as the Monterey Division, and its earnings and expenses included with the operations of this company.

4. Subsidies.—The company acquired a subsidy of about \$15,200 per mile (\$9,500 per kilometer) covering the main line, the Tampico and the Guadalajara Divisions, the subsidy being payable from custom-

house receipts, and the company having the right to import free of duty all material required for construction, maintenance and operation of its lines for 15 years, and being exempted from taxes till the expiration of 45 years after completion of all the lines; also the right to construct and operate its railway and telegraph lines for 99 years. It also has small subsidies from the State Governments of San Luis Potosi and Guanajuato. The Government of Mexico, on June 1, 1855, suspended the payment of its subsidy. For further information relative to the company's subsidies, see Manual for 1901, page 812.

It was agreed by the Government that the company should continue the sale of subsidy certificates until Oct. 31, 1890, at which time all sales should cease, and that the amount which the company had sold from July 1 to Oct. 31, 1890, inclusive, should be deducted from the amount due, which the Government had agreed to pay on March 20, 1891.

With the proceeds of the final payment the trustees bought from time to time, under the terms of the consolidated mortgage, as an investment, \$5,597,000 of the priority bonds of the company; the balance of the issue of \$7,000,000 of said bonds then outstanding, \$1,403,000, were called for payment and cancellation on April 10, 1891.

"The deficit in earning fixed charges for the year 1901 was met by a withdrawal of money from the Subsidy Trust Fund. The increase in interest charges during the year was on account of the issue of Mortgage Bonds in the latter part of 1900 and early part of 1901, to pay for construction of new lines and improvements to the property. The amount of Consolidated Mortgage Bonds issued in 1901, however, was only \$1,000,000, in March, on account of contract made in the previous year, the funds required for new construction being obtained by borrowing on the Company's notes, with Mortgage Bonds as collateral."

13. DETAILED DESCRIPTION OF FUNDED DEBT.

Priority Consol. Mtge. 5 p. c. 50-yr. \$ and £ gold bonds, dated July 1, 1889, due Jan. 1, 1939, interest Jan. and July, in Boston and London. These bonds are coupon, with privilege of registration, and are redeemable at 110 p. c. They are secured by a deposit with the Boston Safe Deposit and Trust Co., trustee, of 1st mtge. 4 p. c. bonds, by pledge of about \$20,000,000 (Mexican money) subsidy, to which the company was entitled on account of its railway construction; and are further secured by a consol. mtge. on the road and all other property of the company. The remainder (\$1,000,000) of the authorized issue can be used only for the purchase of additional rolling stock. These bonds have been paid and cancelled or purchased for account of the Subsidy Trust Fund, as shown before in the statement of that fund.

Consol. Mtge. 4 p. c. 30-yr. \$1,000 gold bonds, coupon, with privilege of registration, due July 1, 1911, interest Jan. and July, in Boston, Mass. These bonds are authorized at the rate of \$32,000 per mile, and were issued at par to holders of 1st mtge. assented 4 p. c. bonds, who also received, upon exchange, \$300 of 1st consol. income bonds. In March, 1901, \$1,000,000 of these bonds were issued to provide the means for the construction of new lines and improvements to the property. They are secured on same terms as the priority mtge. bonds. The total length of lines subject to the lien of the consolidated mortgage on May 15, 1902, was 2,689.13 miles. This mileage entitled the company to issue consol. mtge. 4 p. c. gold bonds at the rate of \$32,000 per mile to the aggregate amount of \$86,052,000, all of which had been certified and issued by the trustee at that date. Of the bonds so issued, \$65,613,000 had been listed on the New York Stock Exchange.

First Consol. Income 3 p. c. 50-yr. \$1,000 coupon gold bonds, due Jan. 1, 1939, interest (non-cumulative) payable annually, July 10, if earned. These bonds were authorized at the rate of \$9,000 per mile, and were issued to holders of 1st mtge. assented 4 p. c. bonds as a bonus of 30 p. c. on their holdings in consideration of their surrender of the right to additional interest to which they were entitled. The interest on these bonds must be satisfied before any interest can be paid on the 2d consol. income bonds. In 1890, 1891 and 1892 the full rate of interest was paid; in 1893, 1894, 1895, 1896, 1897, 1898, 1899, 1900, and 1901 there was no interest paid. Trustee: American Loan and Trust Co., Boston, Mass.

Second Consol. Income 3 p. c. 50-yr. \$1,000 coupon bonds, due July 10, 1939, but power reserved by the company to pay off the issue on or before July 10, 1929, at 50 p. c. Interest annually, July 10, if earned. No interest is being paid. These bonds were authorized at the rate of \$6,400 per mile and were issued at par to holders of old income bonds. They are redeemable at any time previous to July 10, 1929, at 50 p. c. U. S. currency. The first incomes have preference over these bonds in payment of interest.

The registered income bonds are for \$1,000 each, ranking on the income of each year for 3 p. c. interest, due July 1. They mature July 1, 1911, but may be converted into ordinary shares at par. No interest is being paid. This is the amount outstanding of the old income bonds not converted under the scheme of 1889.

The equipment and collateral 1st Series gold bonds are for \$1,000 each; are dated April 1, 1897, due April 1, 1917; interest, 5 p. c. per annum, payable April and Oct., at the office of the Old Colony Trust Co., Boston, Mass., or at the office of Glyn, Mills, Currie & Co., London, Eng.; bonds carry privilege of registration, and are transferable at the office of the trustee, Old Colony Trust Co., Boston, Mass. Under date of April 1, 1897, an agreement was entered into with the Old Colony Trust Co., as trustee, for the acquisition of about \$1,000,000 worth of new equipment, the cost of same to be covered by the issue of \$1,000,000 5 p. c. equipment and collateral gold bonds, the bonds to be secured by the equipment itself (which remains the property of Old Colony Trust Co. until the entire amount of bonds has been redeemed and cancelled) and also by a deposit with that company, as trustee, as collateral, of \$1,500,000, par value, of Mexican Central consol. mtge. 4 p. c. bonds. The Ry. Co. pays to the trustee each year one-twentieth of the total amount of bonds issued, which sum is applied by the trustee to the purchase and cancellation of that amount of bonds. On each redemption and cancellation of equipment bonds, one-twentieth of the collateral bonds are released to the Ry. Co. On the final redemption and cancellation of all the equipment bonds, the equipment becomes the property of the Ry. Co.

The equipment and collateral 2d Series gold coupon bonds are for \$1,000 each, interest April 1 and Oct. 1, at the office of the Old Colony Trust Co., Boston, Mass., trustee, or at the office of Glyn, Mills, Currie & Co., London, Eng. These bonds are dated 1899, and mature Oct. 1, 1919, and beginning 1910, are redeemable at 102½ per cent. The Railway Co. will pay yearly to the trustee one-twentieth of the total amount of bonds issued, which sum is applied by the trustee to the purchase and cancellation of that amount.

The equipment covered by these two series of bonds is as follows: Locomotives, 85. Cars—passenger (1st class, 8; 3d class, 8), 16; freight (box, 1,060; stock, 100; coal, 290; flat, 50; caboose, 55), 1,555—total cars, 1,571.

13a. Collateral Trust 4½ p. c. Bonds.—Under date of Feb. 1, 1902, the company executed a trust indenture to the Mississippi Valley Trust Co., of St. Louis, Mo., trustee, to secure an issue of \$10,000,000 collateral trust 4½ p. c. gold bonds, dated Feb. 1, 1902, due Feb. 1, 1907, interest tax-free, payable Feb. 1 and Aug. 1, at the office or agency of the railway company in St. Louis, Mo., or, at the option of the holder, at the office or agency of the railway company in New York, N. Y. These bonds are subject to redemption, at par and accrued interest, at the option of the railway company on any interest day on thirty days' notice. They are for \$1,000 each; in coupon form, with privilege of registration as to principal. To secure these bonds, the company has executed and delivered to the trustee a trust agreement dated Feb. 1, 1902, pledging thereunder 4 p. c. consolidated mortgage gold bonds of the railway company to the face amount of \$16,129,000, bearing the coupon maturing July 1, 1902, and all subsequent coupons. Of the consolidated mortgage bonds pledged under the trust agreement, bonds to the amount of \$6,879,000 were deposited with the trustee. The remainder of these bonds, \$9,250,000, was held by National Shawmut Bank to secure an issue of \$6,000,000 collateral trust notes (see general balance sheet, Sec. 12). These notes matured May 15, 1902, and since the execution of the trust agreement of Feb. 1, 1902, have been paid, and the consolidated mortgage bonds held against them deposited under the trust agreement. The entire issue (\$10,000,000) of 4½ p. c. collateral trust bonds has been sold, and the proceeds used to retire the issue of \$6,000,000 collateral pledge notes of the company which matured May 15, 1902, and the residue will be used for the payment of all other floating indebtedness of the company, for the construction of additional mileage and for other improvements for capital account.

14. PROPERTY OWNED BY THE MEXICAN CENTRAL RY. CO., LIMITED.

The Tampico Harbor Co. (owned by the Mexican Central Ry. Co.)—Organized for the purpose of canalizing, by jetties, the harbor of Tampico. To aid this purpose a concession was granted by the Mexican Government. Work was begun March 13, 1890, and was completed in 1892. Under the concession the company is entitled as a subsidy to \$3,000,000 of Government 6 p. c. bonds, of which \$2,790,000 have been received. These \$2,790,000 of subsidy bonds were sold in 1897 and 1898, and the proceeds used to redeem \$894,000 of the Tampico Harbor Co. mtge. bonds held in the treasury of the Mexican Central Ry. Co. The net cost of the works amounted, Dec. 31, 1901, to \$3,145,437.34, all of which has been advanced by the Mexican Central Ry. Co. On Jan. 1,

1901, the Tampico Harbor Co. mortgaged its property to the Boston Safe Deposit and Trust Co., trustee, and issued under that mortgage to the Mex. Cent. Ry. Co. 5 p. c. bonds in payment of the advances made by the M. C. Ry. Co. up to June 30, 1900, which amounted to \$3,138,260.25, leaving balance due the railway company, Dec. 31, 1901, \$7,177.09, for which a further issue of bonds can be made to the railway company in settlement. Simultaneously with the creation of the mortgage a lease of the Tampico Harbor Co.'s property was made to the M. C. Ry. Co. at a rental equal to interest and sinking fund on the mortgage bonds. The outstanding bonds of the Tampico Harbor Co. are held in the treasury of the Mexican Central Ry. Co.

RAILROAD ACQUIRED BY THE MEXICAN CENTRAL RY. CO., LIMITED, ON MARCH 1, 1902.

MONTEREY AND MEXICAN GULF RR.—General Trevino to Tampico (625 kilos), 388.36 miles. Sidings, 35 miles. Gauge, 4 ft. 8½ in. Rail (steel), 56 and 60 lbs. Chartered Sept. 5, 1888. This road was built in 1889 to 1891, under a concession made by the Mexican Government. (See MANUAL for 1893.) The line extends from General Trevino (formerly Venadito), on the International Ry., southeast through Monterey, Linares and Victoria, to Tampico, on the Gulf, 387 miles. On Sept. 3, 1892, the road was placed in charge of a receiver by the Federal Court of the State of Nuevo Leon. On Dec. 1, 1895, the road was turned over to the Belgian Society of Rys. in Mexico (Limited), who purchased the property and all assets. Locomotives, 27. Cars—passenger, 13; baggage, etc., 5; freight (box, 349; stock, 13; flat, 130; coal, 69; caboose, 11), 572—total cars, 590.

In June, 1901, a contract was made with the Mexican Central Ry. Co., Limited, for the purchase of all the capital stock and bonds of the Societe Anonyme de Belge de Chemins de fer au Mexique, a Belgian corporation, owning and operating this railroad. All of the capital stock and bonds were delivered to the company, and paid for in November, 1901, \$6,000,000 of collateral pledge notes, due May 15, 1902, being issued for that and other purposes. On February 1, 1902, the property, with the approval of the Mexican Government, was transferred to the Mexican Central Ry. Co., and from March, 1902, it has been operated as the Monterey Division of the Mexican Central Ry., and its earnings and expenses are since included with the operations of that company.

MEXICAN RAILWAY COMPANY, LIMITED.

Main Line of Road.—City of Mexico, Mex., to Vera Cruz, Mex. 264 m.
Puebla Branch: Apizaco to Puebla. 29 m.
Pachuca Branch: Ometusco to Pachuca. 28 m.—321 miles.
Sidings, 30 miles. Rail (steel, 321 m.), 62 and 82 lbs.

History.—Incorporated Aug. 20, 1864, as the Imperial Mexican Ry. Co., Limited. The State gave a subvention to the concessionaire of \$560,000 a year, of which \$420,000 was the property of the company for 25 years from Nov. 11, 1868. The Government agreed not to subsidize any other railway between Vera Cruz and City of Mexico for 65 years from Nov., 1868. When the net revenue of the company exceeds 8 p. c. per annum on the ordinary stock, the Government may, in conjunction with the company, readjust the rates, etc. After providing for dividends of 8 p. c. per annum, 4 p. c. of the surplus goes to the concessionaire, and of the balance then remaining 4 p. c. goes to the directors as extra remuneration, and 4 p. c. to the reserve.

The extension from Ometusco to Pachuca was completed and opened Dec. 3, 1890. The concession (dated May 27, 1889) for this extension carries no subvention, and runs for 99 years, after which the Government may purchase the line at a price to be fixed by experts.

This company has agreed with the board of the Interoceanic Ry. Co., as from March 1, 1901, for a pool of all competitive traffic, both import and national, for a period of not less than seven years, subject to four years' notice if given as on March 1, 1905, or not less than five years' notice if given at any subsequent date. The objects the two companies have in view are to encourage trade through the port of Vera Cruz, and to secure economies in the cost of administration and expense of working the traffic over the two lines which the recent keen competition has so largely increased.

The four lines constituting the Mexican Traffic Association have entered into a new pooling arrangement, dealing with European goods imported into Mexico. This pool went into operation on May 1, 1902.

MEXICAN SOUTHERN RAILWAY, LIMITED.

1. Line of Road.—Puebla to Oaxaca, Mex.227.9 miles.
 Sidings, etc., 11 miles. Gauge, 3 ft. Rail (steel), 50 lbs.

2. History.—Registered May 9, 1889, to construct and operate a narrow-gauge line from Puebla to Oaxaca (as above), under a concession granted by the Mexican Government. In May, 1892, a Government subvention of \$2,400 per kilometer per annum for 15 years was given up in exchange for a net sum of \$8,000,000 Mexican Government 6 p. c. 50-yr. silver bonds, with a sinking fund of $\frac{1}{2}$ p. c. per annum, commencing in 1895. The concession is for 99 years, at the end of which the line will revert to the Government without payment; but stations, rolling stock, etc., must be paid for. Road opened throughout, Dec. 8, 1892.

During 1896, this company's capital was adjusted under the terms of a scheme of reconstruction which is published in the *MANUAL* for 1897, page 914.

The Tehuacan-Esperanza tramway, 31.7 miles in length, connecting the town of Tehuacan with the Esperanza Station of the Mexican Ry., was acquired by this company on Oct. 10, 1899, and has since been operated by it. Animal traction is used at present.

The projected railway from Oaxaca, the southern terminus of the main line, to Ejutla, 42 miles, is now under construction by the parties owning the concession.

NOTE.—MAIN LINE.—Upon the expiration of the 99 years of the Main Line Concession (June 8, 1990) the railway passes to the dominion of the Mexican National Government, subject to the obligation upon the part

grades, and difficult curves, and shortening the main line by about forty miles, as also to provide adequate capital for present and future requirements. The plan provided for the formation of a new company with authority to issue the following securities: (1) \$20,000,000 prior lien $4\frac{1}{2}$ per cent gold bonds, due 1926; (2) \$15,000,000 1st consol. mtge. 4 p. c. gold bonds due 1931; (3) \$25,000,000 4 p. c. non-cumulative preferred stock, and (4) \$33,350,000 common stock. Each old 1st mtge. 6 p. c. bond received \$35 in cash and \$1,000 in new prior lien bonds; each old 2d mtge. 6 p. c. Series "A" bond received \$21.88 in cash, \$397.50 in new 1st consols, and \$625 in new preferred stock voting trust certificates; each old 2d mtge. 6 p. c. Series "B" bond received \$900 in new preferred stock voting trust certificates; each income mtge. 6 p. c. bond received \$300 in new preferred trust certificates, and each \$1,000 of old stock (voting trust certificates) received \$1,000 in new common stock voting trust certificates.

The following table shows the distribution of the new securities:

Under the plan the right was reserved to issue, in addition to the stocks and bonds above specified, not to exceed \$7,000,000 of the new 1st consol. mtge. bonds, and not to exceed \$7,000,000 of the new preferred stock, to provide the means for acquiring securities of the Mexican International R.R. Co. (to include at least a majority of the capital stock of that company) in case the Readjustment Managers or the new company should consider such acquisition desirable. Under this provision the National R.R. Co. of Mexico has acquired \$15,786,100 of the capital stock of the Mexican International R.R. Co. (part of a total issue outstanding of \$20,708,200), and \$4,499,000 of the income bonds of that company, constituting the entire issue thereof, and has issued in respect of such purchase, \$7,000,000 1st consol. mtge. bonds and \$7,000,000 preferred stock.

The old 1st mtge. bonds were redeemable on six months' notice, at par and accrued interest, and were paid off on June 1, 1902. The 1st mtge. bonds, as also the other securities deposited under the plan, have been pledged with the trustee under the new prior lien mortgage.

The following statements of "Rolling Stock," "General Income Account" and "Net Revenue Account" are those for The Mexican National R.R. Co. for the year ending December 31, 1901:

9. Capital Stock.—Preferred stock is entitled to 4 p. c. non-cumulative dividends, payable quarterly, semi-annually or annually as the board of directors may determine. After the payment of such dividends, the holders of common stock shall be entitled to receive all net profits that may then be distributed in dividends. The amount of preferred stock may not be increased except with the consent of the holders of a majority of the whole amount of the preferred stock then outstanding, given at a meeting of the stockholders called for the purpose of considering such increase, and with the further consent of the holders of a majority of the whole amount of the common stock as shall be represented at such meeting, the holders of each class of stock voting separately upon such proposed increase; nor may preferred stock of any other class entitled to priority over such preferred stock, either as to dividends or capital, be authorized except with like consent, given in like manner. Total amount of preferred stock now authorized, \$32,000,000, all of which has been issued.

10. Voting Trust.—The plan and agreement of adjustment provided that the preferred and common stock, except such shares as may be disposed of to qualify directors, shall be vested in three voting trustees, and shall be held by them and their successors jointly under a trust agreement for a period of five years, and for such further period, if any, as shall elapse before the preferred stock shall have paid 4 p. c. per annum in cash dividends for two consecutive years, with power in the voting trustees, in their discretion, to deliver the stock at an earlier date.

11. DESCRIPTION OF THE COMPANY'S FUNDED DEBT.

Prior Lien 4½ p. c. Gold Bonds.—These bonds are dated March 15, 1902, and mature Oct. 1, 1926, interest, tax free (from Oct. 1, 1901) payable Jan. 1 and July 1 at the office of Speyer & Co., New York, N. Y., and are redeemable at the option of the company, on any interest date, on six months' notice at 105 and accrued interest. These bonds are of an issue limited (except as stated below) to the principal amount of \$23,000,000 at any one time outstanding, and 4,000 of them (Nos. D 18,000 to D 22,000 incl.) are for \$500 each, and the remainder (Nos. M 1 to M 18,000 incl.) are for \$1,000 each. Any additional bonds will be for \$1,000 each. They are in coupon form, with the privilege of registration as to principal, and are secured by mortgage to the Union Trust Co., New York, N. Y., trustee, covering the constructed railroads, terminals and equipment acquired from the Mexican National RR. Co. (as well as the securities acquired from that company), the El Salto cut-off, and the constructed line acquired from the Guanajuato, San Luis de la Paz y Pozos Ry. Co.

Under the prior lien mortgage, \$3,000,000 additional bonds are reserved for issue; if previous to Jan. 1, 1904, only to meet any unexpected increase in the expenses in connection with changing the gauge of the mortgaged lines of railroad from narrow gauge to standard gauge and of building the proposed El Salto cut-off; if after Jan. 1, 1904, only for reimbursement of expenditures thereafter made for the enlargement or betterment of the mortgaged premises, including (provided a majority of the stock shall be obtained and pledged under the prior lien mortgage) the acquisition of the securities of other corporations owning additional lines of railroad. Provision is also made that, if the company shall at any time desire to unify the mortgage debt of the Mexican International RR. Co. with its own mortgage debt, the company may, for that purpose, issue additional bonds to an amount equal to the face value of the prior lien bonds of the International Co., then outstanding against the deposit with the trustee, of the prior lien bonds of the International Co., at the rate of one new \$1,000 prior lien bond for each \$200 prior lien bond or each two \$100 prior lien bonds of the International Co. so deposited with the trustee.

First Consolidated Mtge. 4 p. c. Gold Bonds.—These bonds are dated March 15, 1902, and mature Oct. 1, 1951, interest, tax free (from Oct. 1, 1901), payable April 1 and Oct. 1, at office of Speyer & Co., New York, N. Y. They are in coupon form, with the privilege of registration as to principal, and are not redeemable before maturity. Bonds (Nos. M 1 to M 20,000 incl.) are for \$1,000 each and bonds (Nos. D 20,001 to D 24,000 incl.) are for \$500 each. They are secured by mortgage, dated March 15, 1902,

to the Central Trust Co., New York, N. Y., trustee, and are a second lien on the railroads and property embraced and to be embraced in the prior lien mortgage of the company above described, and a first lien on other property of the company acquired, or to be acquired, subject, however, to any liens on such property at the time of such acquisition thereof by the company, and to any purchase money liens thereon created in the acquisition thereof. The trust deed securing these bonds provides for a total issue of \$76,000,000 for the following purposes: Issued under the plan of adjustment (see table on page 836), \$15,000,000; issued for improvements and betterments, \$6,000,000; reserved for extensions and new property, \$9,000,000; to retire prior liens, \$23,000,000; for Mexican International capital stock and income bonds, \$7,000,000; for Mexican International consolidated 4 p. c. bonds, \$16,000,000—total, \$76,000,000. The mortgage provides, that should the company desire to unify the mortgage indebtedness of the Mexican International RR. Co., with its own mortgage indebtedness, for the issue of additional bonds to an amount equal to the face amount of the outstanding consol. mtg. bonds of the International Co., and against the delivery to the trustee and pledge under the 1st consol. mtg. of the bonds of the International Co. so taken up.

Provision is also made for the issue, at the election of the company, of additional bonds, dollar for dollar, to an amount sufficient to provide for the payment or redemption at or before maturity of the prior lien bonds of the company the prior lien bonds so taken up to be held by the trustee under the consolidated mortgage until not less than 97 p. c. in principal amount shall have been so deposited with the trustee, when at the request of the company, they may be cancelled. Total amount of consol. mtg. bonds issued to June 1, 1902, \$22,000,000., viz.: To take up old 6 p. c. 2d mtg. Series A bonds, \$11,404,687.50; for the acquisition of securities of the Mexican International RR. Co., \$7,000,000; sold for cash, \$3,595,312.50—total, \$22,000,000.

The plan of adjustment provides that no additional mortgage shall be placed upon the property of the old company acquired under the plan, and no increase in the amount of the preferred stock authorized under the plan should be made except after obtaining the consent of the holders of a majority of the whole amount of preferred stock outstanding, given at a meeting of the stockholders called for that purpose, and the consent of the holders of a majority of such part of the common stock as should be represented at such meeting, the holders of each class of stock voting separately. Provision is made by the trust agreement that, during the existence of the voting trust, the voting trustees will not vote in respect of the stock held by them, to authorize any such additional mortgage, or for such increase in the preferred stock without similar consent of holders of like amounts of the respective classes of voting trust certificates, given at a meeting of such holders called in accordance with the provisions of the voting trust agreement.

12. RAILROADS LEASED OR CONTROLLED BY THE NATIONAL RR. CO. OF MEXICO.

Brownsville and Gulf RR.—Rio Grande River through Brownsville, Tex., 1.01 miles. Gauge, 3 ft. Capital stock, \$25,000. Controlled by the National RR. Co. of Mexico. See General Index, Department of Street Rys.

Michoacan and Pacific Ry., Limited.—Maravatio to Zitacuaro, 57.43 m.; all in the State of Michoacan, Mex. Gauge, 3 ft. Rail (steel), 40 lbs. Locomotives, 7. Cars—passenger and baggage, 4; freight (box, 94; flat, 30), 130; rack, 7; caboose, 2—total cars, 143. Concession granted Aug. 18, 1888, for a railroad from Maravatio through Zitacuaro, Tamascaltepec, Sultepc, Zacualapan and Tasco to Iguala. The concession was for 99 years and provided for a subvention of \$6,000 per kilometer. At the end of the concession the railway will revert to the Government, subject to a mortgage to the amount of \$6,000 per kilometer, bearing interest at 6 p. c., the Government to pay a fair price for stations, rolling stock, etc. On Jan. 20, 1889, the Michoacan Ry. and Mining Co. was registered in London to acquire this concession and also to acquire mines of silver and other metals in the State of Michoacan. The railroad was completed from Maravatio to Ocampo, and branch to Anganguero, together about 56 kilometers, in 1891. The original concession was superseded by a new one running from Aug. 29, 1893, on the same terms as regards period and subvention (subject to modifications involved by the Government debt conversion scheme of 1894) as the former one, but the company was relieved of any obligation to extend the line beyond the town of Zitacuaro, a distance of about 60 m. from Maravatio, and was given power to extend the line if so desired to Cuernavaca, or to join at a convenient point any railway going to the Pacific. By a further concession promulgated July 30, 1896, the right to build to Cuernavaca was relinquished, and authority obtained to build from Yurecuaro on the Mexican Central Ry. to Arlo, about 250 kilometers, with a subvention of \$6,000 per kilometer in 5 p. c. bonds of the Redeemable Interior Debt on 190 kilometers of line so constructed. The extension to Zitacuaro was completed in May, 1897. The line from Yurecuaro to Zamora

has been taken over by the Mexican Central Ry. The line from Maravatio to Zitacuaro, as above, was leased to the Mexican National RR. Co. for a period of 25 years from Aug. 1, 1900; lease transferred to the National RR. Co. of Mexico. Cost of the 61 m. of road completed as above, about \$800,000. Capital stock (\$10 shares) authorized and issued, \$60,000; \$20,000 6 p. c. registered \$100 prior lien debentures, due July 31, 1925, interest Jan. and July (first to be paid July 1, 1901); 6 p. c. registered \$100 mtg. debentures, due July 1, 1907 (since extended to July 31, 1925), interest Jan. and July (first to be paid Jan. 1, 1898), in London, Eng. 2. History.—Organized Dec. 9, 1882, under special charter from the State of Connecticut. In 1883 it acquired certain concessions granted by the Government of Mexico under date of June 7, 1881, Nov. 4, 1881, and April 21, 1882, which authorized the construction and operation of a line of railroad and telegraph between the City of Mexico and the Rio Grande, terminating at or near Ciudad Porfirio Diaz (formerly Piedras Negras), with the right to construct another line from a convenient point on the main line to some point on the Gulf of Mexico between Matamoros and Vera Cruz; also another line to the Pacific Ocean at some point between Mazatlan and Zihuatanejo, and also such branches of the lines just mentioned as the company may deem desirable, said branches to be subject to the approval of the Department of Public Works.

It is stipulated in said concessions that the road and its appurtenances shall be exempt from taxation for fifty years, and that materials required for the construction, operation and repair of the road shall be free from import or other duties. No subvention is granted, but the Government has obligated itself not to grant a subvention to any other line of railroad within 25 miles on either side of the lines so authorized.

On March 30, 1896, a contract was made between the National Government and the company, by which the period in which to build the uncompleted lines in the original concessions was extended for ten years from the date of the promulgation of that contract, and all the other franchises enjoyed by the company were confirmed.

On March 31, 1897, an amendment to existing concessions was secured, whereby the limitation contained in previous contracts in respect to the parties to whom, with the previous permission of the Executive, the company may transfer or rent its lines, rights, concessions and obligations, has been omitted and annulled. For terms of the rearrangement of the bonded debt of the company, see MANUAL for 1897, page 906, and MANUAL for 1899, page 909.

For history of progress of construction on the several lines of this company's system up to Dec. 31, 1901, see MANUAL for 1899, page 907, and MANUAL for 1901, page 846. Construction on the extension north from Durango toward Guanecevi was continued during the past year, and it is expected that this line from Santiago Papasquiaro as far as Tepehuanes, about 53 kilometers (33 miles), will be opened for traffic in April, 1902.

This company has recently passed under the control of the National RR. Co. of Mexico through purchase of \$15,786,100 of its capital stock (out of a total issue outstanding of \$20,708,200) and \$4,499,000 of its income bonds, being the entire issue thereof.

* Against this advance the company is entitled to receive 1st consol. mtge. 4 p. c. gold bonds of the par value of \$200,000, issuable under the provisions of Sec. 2, paragraph 14, of the mortgage of Aug. 6, 1897, to the Metropolitan Trust Co. of New York, N. Y.

9. Financial Statement, Dec. 31, 1901 (U. S. Currency).—Capital stock (auth., \$25,000,000; \$100 shares), \$20,708,200; funded debt issued (4½ p. c. prior lien sterling, due Sept. 1, 1947, interest March 1 and Sept. 1 [Nos. 1 to 4,500, £200 sterling each, \$4,387,500; Nos. 4,501 to 7,500, £100 sterling each, \$1,462,500], \$5,850,000; 4 p. c. 1st consol. mtge. gold bonds, due Sept. 1, 1977, interest March 1 and Sept. 1 [auth., \$16,000,000], \$6,983,000; income gold bonds, due Sept. 1, 1977, interest not exceeding 4 p. c. per annum, non-cumulative, payable Sept. 1 of each year out of net earnings and income, \$4,499,000, \$17,332,000—total stock and bonds issued (auth. \$42,332,000), \$38,040,200.

10. FURTHER PARTICULARS RESPECTING THE FUNDED DEBT.

The 4½ p. c. prior lien sterling bonds are dated Aug. 6, 1897, due Sept. 1, 1947, principal and interest payable in London, and secured by first lien upon the now completed railways of the company (other than the 43.52 m. of the Tlahualilo Branch); interest payable March 1 and Sept. 1. Trustee: Union Trust Co., New York, N. Y.

The 1st consol. mtge. bonds are dated Aug. 6, 1897, and will mature Sept. 1, 1977, interest being payable on March 1 and Sept. 1, at the office or agency of the company in the city of New York. Secured upon the same property as the prior lien bonds, but subject thereto, and secured by first mortgage upon the Tlahualilo Branch. Will also be secured by first mortgage upon the new lines referred to hereafter. The authorized issue is \$16,000,000, of which bonds to the amount of \$6,000,000 are reserved to take up prior liens, and bonds to the amount of \$3,017,000 for extensions and betterments; the remaining \$6,983,000 are outstanding. Under the provisions of the mortgage, additional bonds may be issued, similar in all respects to the \$6,983,000, for the following purposes: (1) At the rate of \$10,000 per mile for the construction or acquisition of a line from Cuatro Ciénegas to the vicinity of Sierra Mojada, about 107 miles, and a line from Santiago to Guanacevi or its vicinity, with a branch to Promontorio, about 83 miles, being about 190 miles of new line. (2) At the rate of \$200,000 per annum up to the limit of \$800,000, for additions, betterments and improvements to the property and rolling stock of the company. (3) At the rate of five dollars to the pound sterling in exchange, at the option of the company, for the outstanding

RIO GRANDE, SIERRA MADRE AND PACIFIC RR.—Ciudad Juarez, Mex., to Casas Grande, Mex., 156 miles. Construction commenced in Aug., 1896, and the road was completed as above in June, 1897. The line as projected will be about 400 m. in length, running from Juarez through the Corralitos mining district to Guerrero. The promoters of the enterprise are said to have secured valuable concessions from the Mexican Government, including a subsidy of \$10,000 per mile. The road is being built by the Sierra Madre Construction Co., the directors and officers of which are practically the same as those of the railway company. The railway company was chartered in New York on June 11, 1897, with a share capital of \$3,130,000.

VERA CRUZ AND PACIFIC RR.—Projected: Cordoba to Santa Lucretia, Mex., 218 m.; Vera Cruz to Tierra Blanca, Mex., 63 m.—total, 283 miles. Completed, Jan. 1, 1902: Cordoba to Perez, 210.4 kilos; Tierra Blanca to Estanzuela, Mex., 11.6 kilos—total, 213 kilos. Gauge, 4 ft. 8½ in. Rail (steel), 56 lbs. This road is being constructed under a concession granted by the Mexican Government to Alfred Bishop Mason, for a railroad from Cordoba to Santa Lucretia on the National Tehuantepec Ry., with a branch from Vera Cruz to a point near the River Papaloapan and another to the Valle Nacional; a total length of about 560 kilometers, say 348 miles. The Government agrees to pay \$16,000 per kilometer of main line and \$8,000 per kilometer of the Vera Cruz Branch, but with the proviso that the entire concession shall not exceed \$6,000,000. By the terms of the concession, 100 kilometers of the road must be completed before Dec. 5, 1900, an additional 100 kilometers before Dec. 15, 1901, and the entire road before Dec. 15, 1903; the dates mentioned being, respectively, two years and nine months, three years and nine months, and five years and nine months from the date of the concession, March 15, 1898. The company may build additional branches provided the routes are filed with the Government previous to Dec. 15, 1903; but for these there will be no subsidy. The concession is a modification of and supersedes one granted to H. V. R. Reed, of London, Eng., for a line in extension of the Mexican Southern Ry. from Oaxaca south. The company purchased the franchises of the Mexican Southern Ry., south of Oaxaca; also the Agricola RR., extending from Cordoba to Motzorong, 26 miles, taking possession thereof on Feb. 18, 1899. From Jan. 1 to Feb. 15, 1902, 51 kilometers of track had been laid, and it is expected that both the main line and the Vera Cruz branch will be completed during the summer of 1902. Locomotives, 21. WESTERN RY. OF MEXICO.—Altata to Culiacan, Mex., 38.5 miles. Sidings, etc., 3 miles. Gauge, 4 ft. 8½ in. Rail (steel), 45 lbs. Chartered Sept. 23, 1890, in London, to acquire the property and railroad then owned by the Sinaloa and Durango R.R. Co. (See MANUAL for 1892.) Capital stock (£10 shares), £231,000. The company obtained a concession, dated May 17, 1895, for a railroad from Culiacan to Gutierrez, on the Mexican Central Ry., about 450 miles. This concession was modified in Jan., 1897, the government agreeing to grant a subvention of \$8,500 per kilometer, payable in the 5 p. c. bonds of the interior redeemable debt, which the company is to take at par. The line is to be divided for subsidy purposes into four sections: (1) From Culiacan to the Papudos Heights in the Sierra Madre; (2) from the Papudos Heights to Santiago Papasquiaro; (3) from Santiago Papasquiaro to Durango; and (4) from Durango to Gutierrez. Locomotives, 2. Cars—passenger, 5; freight (box, 4; flat, 19), 23; other, 14—total 42. Also 4 coasting steamers, 6 lighters, 1 steam launch and 1 skiff.

PANAMA RAILROAD COMPANY.

1. Main Line of Road: Colon (Atlantic) to Panama (Pacific), Colombia, 47.5 m.

La Boca Branch: Junction to La Boca, 2.5 m.—50.0 miles.
Sidings, 23.6 miles. Gauge, 5 ft. Rail (steel), 56 and 70 lbs.

2. History.—This interoceanic line was chartered by the Legislature of New York, April 7, 1849. The road was opened from the Atlantic to the Pacific, Jan. 28, 1855. The immediate purpose was to provide a route to California. It has become a great commercial highway between the nations on the coasts of Western Europe and Eastern Asia, as well as between San Francisco and New York. The concessions from the United States of Colombia were granted in 1850, and, as amended and enlarged, run until the year 1966. They have continued for 48 years unimpeached and unquestioned, and represent a large cash investment, fully discharged, leaving payable only the annual subsidy of \$250,000. By its concessions the company is exempted from payment of any tax.

3. Rolling Stock, Dec. 31, 1901.—Locomotives, 35. Cars—passenger (special, 5; 1st class, 8; composite, 1st and 2d class, 2; 2d class, 9; baggage, 7), 31; freight (box, 582; coal, 136; flat, 186), 904; miscellaneous, 57—total cars, 992.

4. Floating Stock.—Consists of the steamships "Advance," "Finance," and "Alliança," comprising the Panama RR. Steamship Line between New York and Colon, which makes connection at Panama for all points on the west coast of North, Central, and South America; also 2 steam tugs, 18 freight lighters, 2 coal lighters, and 1 floating pile driver.

* 1,202 6 p. c. gold sinking fund subsidy bonds of \$1,000 each, amounting to \$1,202,000, issued Nov. 1, 1889, fall due Nov. 1, 1910.

To meet this bonded indebtedness, \$225,000 annually of the Colombian Government Subsidy was pledged till March 27, 1908, the same to be applied by the company: First, to the payment of the interest, and second, as a cumulative sinking fund for the redemption of the principal; the bonds to be drawn yearly in Sept. to an amount equal to the then surplus of the subsidy sinking fund, the drawn bonds to be paid on Nov. 1, after each drawing, and thereby redeeming the whole issue in 1908.

† Of this amount, \$871,000 will become due in 1905 and is secured by an equivalent amount of the company's new $4\frac{1}{2}$ p. c. bonds as collateral. The total may be reduced in the meantime at the option of the company by payments on account.

D. DESCRIPTION OF FUNDED DEBT.

The 1st mtg. $4\frac{1}{2}$ p. c. gold sinking fund bonds are dated Aug. 15, 1897, and mature Oct. 1, 1917, interest payable April 1 and Oct. 1, at the office or agency of the company in New York, N. Y. The authorized amount is \$4,000,000, of which \$2,000,000 were issued and delivered to the company at the time of the execution of the mortgage and were issued to retire (together with cash assets of the company) 2,681 sterling mortgage bonds of £200 each which matured Oct. 10, 1897, and which remained in the hands of the public out of the original issue of 5,000 bonds. The remaining \$2,000,000 were reserved to be issued only for the purpose of the acquisition or construction of property, steamers, vessels, wharves, harbors, piers, railroads, branches, warehouses, grain or other elevators, lands, double tracking, terminal facilities and other property, and for betterments and improvements of the corporate property, and only in such amounts as the Board of Directors may, from time to time, by a three-fourths vote of the entire board, determine to be necessary for any of said purposes. The bonds are redeemable at the option of the railroad company on any interest date after five years from their date, at 105 p. c. and accrued interest in the manner and upon the notice provided in the mortgage securing the same. The provisions of the sinking fund are to the effect that the company shall apply the sum of \$150,000 in gold each year to the purchase of such bonds in the market at a price not exceeding the principal and a premium of 5 p. c. upon the par value thereof and the accrued interest, or to the drawing of such bonds annually by lot, at the principal and a premium of 5 p. c. upon the par value thereof and the accrued interest. A further issue of \$962,000 of these bonds was authorized in order to provide as may be necessary for contract payments at maturity in 1902, or earlier, at the company's option on account of indebtedness incurred in the construction of the La Boca Terminal. Trustees: Central Trust Co., New York, and William Nelson Cromwell, New York, N. Y.

Sacramento Electric, Gas and Ry.—Length of line, 16.5 m.; of track, 24.5 miles. Gauge, 4 ft. 8½ in. Rail (combination), 35 and 60 lbs. Consolidation, April 4, 1896, of the Sacramento Electric Power and Light Co. (for statement, see Manual for 1896, page 1073) and the Folsom Water Power Co. The company's franchises run to Oct. 6, 1942, and give entire control of the transportation of the city. The object of the consolidation was not only the merging of the Water Power Co. with the Electric Co., but the providing of a legal basis whereon gas and other illuminants can be handled and a margin of capitalization formed for handling the same. This company now (June, 1902) owns all of the stock and bonds of the Capital Gas Co. of Sacramento, capital stock (\$50 shares), \$500,000; bonded debt, \$150,000 6 p. c. bonds. In payment for the latter bonds this company issued \$150,000 of its 5 p. c. bonds.

Entire plant is operated by electricity generated by water power at Folsom, 24 miles from Sacramento, where is installed a 5,000 h. p. plant, and under a contract for supplementary power, when required, with the Bay Counties Power Co. to the extent of 5,000 h. p. Cars (motor), 40; railway dynamos, 4.

Operations, year ending Jan. 31, 1902.—Gross earnings, \$419,781. Operating expenses, \$195,266. Net earnings, \$224,515. Paid fixed charges, \$113,540. Surplus for year (\$110,974, less net sundry charges to profit and loss, \$9,603), \$101,371; surplus forward, \$125,541—total, \$226,912. Deduct dividends paid during fiscal year, \$36,104; net surplus, Jan. 31, 1902, \$190,809.

General Balance Sheet, Jan. 31, 1902.—Capital stock (\$100 shares), \$2,500,000; funded debt (see below), \$2,100,000; accounts payable, \$20,457; bills payable, \$38,079; bond interest accrued, \$24,788; profit and loss, \$190,809—total, \$4,874,133. Contra: Water rights and right of way, \$668,360; real estate and hydraulic works, \$1,340,166; generating and transmission system, \$404,074; Sacramento distributing system, \$379,811; railway system, \$902,131; stock in treasury, \$647,500; stock of other companies, \$372,792; franchises and licensee rights, \$19,450; cash, \$27,701; bonds owned by company, \$64,000; sundry accounts receivable, \$24,255; bills receivable, \$1,200; material on hand, \$22,692—total, \$4,874,133.

Funded debt outstanding, May 31, 1902, consisted of \$265,000 (auth., \$400,000) 1st mtge. Central Electric Ry. 1st mtge. 6 p. c. 30-yr. \$500 and \$1,000 gold coupon bonds, due \$25,000 yearly from June 1, 1912, to June 1, 1921, interest June and Dec., at the office of the trustee, California Safe Deposit and Trust Co., San Francisco, Cal., or by Union Trust Co., New York, N. Y., and \$1,985,000 1st mtge. S. E., G. & Ry. 1st mtge. 5 p. c. 30-yr. \$1,000 gold coupon bonds, due Nov. 1, 1927, interest May and Nov., at office of the trustee, California Safe Deposit and Trust Co., San Francisco, Cal., or by the Guaranty Trust Co., New York, N. Y.

The total authorized amount of S. E., G. & Ry. 1sts is \$2,500,000, of which \$1,685,000 were issued under the terms of consolidation; \$150,000 were issued to retire a like amount of Folsom Water Power Co.'s 7 p. c. bonds of Feb. 1, 1899; \$265,000 are set aside and held in escrow by the trustee to retire the Central Electric Ry. 1sts, and the remainder (\$250,000) is reserved for future corporate purposes of the company. The above stock and bond issues cover all the property of the S. E., G. & Ry. Co., which includes the dam, canal, power houses, double transmission line, distribution system, and street railway system in the city of Sacramento, and also valuable water rights and rights of way, stock in treasury, stock of other companies, franchises and licensee rights, and bonds owned by company. Washington Ry. and Electric Co.—Length of track owned (underground electric, 28.23 m.; overhead electric, 23.11 m.), 51.34 miles. Gauge, 4 ft. 8½ in. Rail (various), 58 to 86 lbs. Incorp. as the Washington and Great Falls Electric Ry. Co., July 29, 1892, under the laws of the District of Columbia; name changed to Washington Ry. and Electric Co. on Feb. 1, 1902. Succeeded on Feb. 4, 1902, to the assets of the Washington Traction and Electric Co., which were sold under foreclosure on Nov. 24, 1901, in pursuance of a plan for the reorganization of that company's finances (see Manual for 1901, page 883). This plan of reorganization is dated Aug. 1, 1901; it provided for the foreclosure of the collateral trust mortgage of the W. T. & E. Co., and the formation of a new company with authority to issue, (a) \$17,500,000 4 p. c. 50-yr. gold bonds, (b) \$8,500,000 5 p. c. preferred stock, cumulative after June 1, 1904, and (c) \$6,500,000 common stock. Holders of old collateral trust bonds received for each \$1,000 bond, \$550 in new 4s, \$550 in new preferred stock and \$200 in new common stock. Each \$100 share of old stock, on payment of \$9 per share, received \$9 in new preferred stock and \$30 in new common stock. It is proposed, though it is not an essential part of the plan, to consolidate, or merge the United States Electric Lighting Co., with the Potomac Electric Power Co., and a mortgage may be placed on the combined plants or on one or both of the properties to secure bonds, aggregating \$2,500,000, which are to be used as follows: To be reserved for extinguishing the funded debt of the United States Electric Lighting Co., \$650,000; to be sold to provide means for payment of the floating debt and for improvements and extensions, \$850,000; to be reserved in treasury for future use under such limitations as shall be provided in the mortgage securing the same, \$1,000,000—total, \$2,500,000.

The entire issues of stock and bonds of this company under its former name of the Washington and Great Falls Electric Ry. Co. have been retired (see Manual for 1901, page 885). On Feb. 4, 1902 the properties of the Columbia Ry., and of the Metropolitan RR. Co. were acquired by actual deed, subject to their mortgage debt (see Manual for 1901, page 884). In addition to the mileage actually owned by this company (51.34 miles) as shown above, it controls through stock ownership, the principal street railroads in Washington, with an aggregate track mileage of 91.22 miles, as also the two electric light companies which alone operate in that city. The following statement shows the mileage of the railways, etc., controlled by the Washington Ry. and Electric Co., the total capital stock of each constituted company and the amount held by this company on April 1, 1902:

The 1st mtge. Chicago North Shore bonds are in coupon form for \$500 and \$1,000 each; other issues are for \$1,000 each in coupon form.

The company had no direct funded debt of its own on Feb. 27, 1899, but assumed the mortgage indebtedness shown in the above table, guaranteeing the bonds. Additional guarantee of the North Chicago Street RR. Co. has also been placed upon \$1,228,000 of the above stated issues, and the guarantee of the West Chicago Street RR. Co. upon \$3,058,000 thereof. In detail these guarantees are—By North Chicago Street RR. Co.: Chicago Electric Transit 1sts, \$255,000; Evanston Electric 1sts, \$130,000; No. Chicago Electric 1sts, \$688,000, and No. Side Electric 1sts, \$155,000—total, \$1,228,000. By West Chicago St. RR. Co.: Chicago Electric Transit 1sts, \$842,000; Chicago and Jefferson Urban 1sts, \$208,000; Cicero and Proviso consols, \$1,078,000; No. Chicago Electric 1sts, \$180,000, and Ogden Street 1sts, \$750,000—total, \$3,058,000. By the terms of the several trust deeds of the mortgages securing the \$5,435,000 bonds described in the funded debt statement, there cannot be any more bonds issued except for construction, and then only for 75 p. c. of the actual expenditures therefor. Registrar of stock—in New York, Central Trust Co.; in Chicago, Equitable Trust Co. of Chicago.

Financial Statement, May 1, 1902.—Capital stock (\$100 shares), \$15,000,000. Funded debt, authorized and outstanding, consists of \$6,750,000 1st mtge. 4½ p. c. 40-yr. gold bonds, due Dec. 1, 1939, interest June and Dec., at office of the trustee, Equitable Trust Co., Chicago, Ill., principal and interest guaranteed by the Chicago Union Traction Co. For terms under which these bonds were exchanged for stock of the Consolidated Traction Co., see page preceding. For bonds of the constituent companies assumed by this company, see bond table on preceding page.

CHICAGO NORTH SHORE STREET RY.—Length of track, 19 m.; of streets, 8.5 miles. Gauge, 4 ft. 8½ in. Rail (girder), 85 lbs. Motor cars, 25. Operated by the General Electric System. Chartered April 15, 1891, to build an electric road from Evanston to Chicago; road opened June 10, 1894. Leased for 50 years, from Oct. 30, 1894, to the North Chicago Electric Ry. Co., at an annual rental equal to interest on bonds and 6 p. c. on stock. Lease assumed by the Chicago Consolidated Traction Co. **Financial Statement, Dec. 31, 1899.**—Capital stock, \$650,000; funded debt (1st mtge. 6 p. c. 20-yr. coup. \$500 and 1,000 bonds, due April 1, 1912, interest April and Oct.), \$675,000—total stock and bonds, \$1,325,000. The authorized amount of 1st mtge. bonds is \$1,500,000; they mature April 1, 1912, but may be redeemed at par and 5 p. c. premium on any interest day after Oct. 1, 1904, and are guaranteed, principal and interest, by endorsement, by the North Chicago Electric Ry. Co. Trustee of mtge.; Illinois Trust and Savings Bank, Chicago, Ill. Interest payable at the office of the trustee, or at the Chase National Bank, New York, N. Y.; J. L. Cochran, Pres.; L. S. Chicago Electric Traction Co.—Length of lines, 18.5 m.; 2d track, 9.4 m.—total track, 28.4 miles. Gauge, 4 ft. 8½ in. Rail (girder), 80 lbs. Successor, in Jan., 1898, to the Englewood and Chicago Electric Ry. (opened Jan. 19, 1897), whose property was sold under foreclosure on Oct. 12, 1897, and purchased for \$260,000 on behalf of the reorganization committee (see Manual for 1897, page 929). New company took possession, Jan. 2, 1899. During 1898 the railroad business of the Harvey Water and Light Co. (the Harvey Transit Co.) was sold to the Chicago Electric Traction Co. On June 13, 1900, a receiver was appointed on petition of the trustees of the 1st mortgage. A reorganization committee has been appointed consisting of J. S. Bache (chairman), S. L. Shipley, Isaac L. Rice, and Geo. H. Day, and all securities have been deposited with this committee. Motive power was changed to overhead trolley from storage battery in 1901. Cars (motor, 50; trail, 26), 76. Power stations, 2; engines to generate power, 3.

Operations, year ending Dec. 31, 1901.—Gross earnings, \$99,256. Operating expenses, \$74,108. Net earnings, \$25,153.

Financial Statement, April 1, 1902.—Capital stock (\$100 shares), authorized and issued, \$2,000,000; funded debt outstanding (1st mtge. 5 p. c. 30-yr. gold coupon bonds, due Jan. 1, 1929, interest Jan. 1 and July 1, at office of Manhattan Trust Co., New York, N. Y.), \$500,000—total stock and bonds outstanding, \$2,500,000. The bonds are secured by mortgage dated Jan. 2, 1899, to Manhattan Trust Co. of New York and John Kean of New Jersey, and the \$500,000 issued were to pay for the property acquired. Bonds in addition, to an unlimited amount, may be issued from time to time for extensions, betterments, etc., at a rate not exceeding \$40,000 additional bonds for each mile of new track. They may be redeemed, on three weeks' notice, on any interest day, at 105. The plan of reorganization (see Manual for 1898, page 961) also provided for the issue of \$2,000,000 consol. mtge. income 5 p. c. 20-yr. bonds, due Jan. 1, 1929, interest April and Oct.; none issued to April 1, 1902.

Directors.—Isaac L. Rice, J. S. Bache, Hoffman Atkinson, New York, N. Y.; Samuel R. Shipley, Henry Lewis, Philadelphia, Pa.; Charles R. Holden, Carl Meyer, E. R. Gilbert, Wm. C. Tibbs, T. A. Moran, Jr., A. S. Austrian, Chicago, Ill. **Officers:** Charles Henrotin, Rec.; Isaac L. Rice, Pres., 100 Broadway; Hoffman Atkinson, Vice-Pres.; Jules S. Bache, Sec. & Treas., 66 Exchange Pl., New York, N. Y.; E. R. Gilbert, Gen. Mgr., Chicago, Ill. General Office, 88th St. and Vincennes Road, Chicago, Ill. New York Office, 20 Broad St.

Chicago General Ry.—Length of track, 30 miles. Gauge, 4 ft. 8½ in. Rail (girder), 80 lbs. Incorpor. Oct. 31, 1893, and on April 3, 1894, leased the property of the West and South Towns Street Ry. Co. (For history of this company, see Manual for 1896, page 1090.) On May 25, 1896, the property of the latter company was purchased by the Chicago General Ry. Co. Receiver appointed April 17, 1900, and again on June 14, 1901, under bill of foreclosure. Three bondholders' committees have been formed as follows: For the West and South Towns Street Ry. Co. bonds, consisting of Granger Farwell, Herbert B. Davis, and Arthur Heurtley, with the Northern Trust Co. of Chicago, as depository; for the Chicago General Ry. Co. bonds, consisting of Erskine M. Phelps, John S. Rannels, and L. A. Goddard, with the Merchants' Loan and Trust Co. of Chicago, as depository; and a general committee for all bonds, consisting of James P. Black, Lyman M. Paine, and Glenn E. Plumb, with the Real Estate Trust Co. of New York, as depository. A stockholders' committee, consisting of Charles L. Bonney, Wm. A. Goodman, and Joseph P. Mahoney, has likewise been formed. Cars, 23.

Financial Statement, April 1, 1902.—Capital stock (auth., \$10,000,000; \$100 shares), \$500,000; capital stock issued, but in litigation, \$272,350; funded debt (gen. mtge. 5 p. c. 40-yr. \$500 and \$1,000 gold bonds, due Nov. 1, 1935, interest May 1 and Nov.), \$1,437,500—total stock and bonds issued, \$2,209,850. The authorized issue of gen. mtge. bonds is \$3,000,000, secured by trust deed to the Merchants' Loan and Trust Co., Chicago, Ill. Of these bonds, \$625,000 (Nos. 2,076 to 2,700 incl.), were deposited with the trustee with power to sell the same and apply the proceeds in payment of 500 bonds of the old Towns Co., which is a lien on a portion of the property (\$210,000 of the latter bonds have been paid off under this provision); \$75,000 were issued to retire a like amount of debentures issued by the C. G. Ry. Co.; \$500,000 were issued to purchase the property and franchises of the Old Towns Co. (above stated). Default in payment of interest continuing for six months after demand empowers the trustee to declare the bonds immediately due, and the trustee may take possession on the written request of a majority of the bonds. The mortgage further provides that the trustee may foreclose the mortgage at the written request of holders of two-fifths of the bonds outstanding. In Jan. 1898, holders of the West and South Towns Sts. Ry. 1st mtge. 6s. were offered the right to exchange their bonds for Chicago General 5s, and all but \$290,000 of these bonds have been exchanged. The coupons due May, 1900, and subsequently of the general mtge. bonds, as also the coupons due Aug., 1900, and subsequently of the West and South Towns bonds, have been defaulted.

Directors.—Not reported. Frank H. Sellers, Rec., Chicago, Ill. General Office, 1496 West 22d St., Chicago, Ill.

Chicago Union Traction Co.—Organized May 24, 1899, under the laws of Illinois, to construct, lease, own, maintain, and operate street railroads, to be operated by other than steam power, within the city of Chicago and the counties of Cook, Lake, McHenry, Du Page, and Will, in the State of Illinois. On July 1, 1899, this company acquired, by leases and agreements, the entire railroad and assets of the North Chicago Street RR. Co. and the West Chicago Street RR. Co., and the railroads and assets leased, owned, and controlled by said last named corporations, consisting of railroads, equipment, ordinance and contract rights, real estate, etc., etc., and also assumed the liabilities and contract obligations of the North Chicago Street

RR. and the West Chicago Street RR. Cos. Under the terms of these leases, which are dated June 1, 1899, and run during the corporate existence of the lessor companies, the lessee agrees to pay 6 p. c. per annum on the capital stock of the West Chicago Street RR. Co. and 12 p. c. per annum on that of the North Chicago Street RR. Co., in addition to their fixed charges. By a tripartite agreement, dated June 1, 1899, the Chicago Union Traction Co.'s holdings of stock in the two companies, viz., \$3,200,000 par of the West Chicago Street RR. Co. and \$2,000,000 par of the North Chicago Street RR. Co. (equivalent to \$10,000,000 in cash) are deposited in trust with the Illinois Trust and Savings Bank of Chicago as security for the leases. The total amounts annually payable by the Chicago Union Traction Co. on account of rentals, bonds, and other indebtedness assumed are: By lease of West Chicago Street RR., \$1,742,940; of North Chicago Street RR. Co., \$1,159,950—total, \$2,902,890. The lines operated by this company extend over the entire north, northwest, west, and southwest sections of the city of Chicago, together with tracks, loops, and terminals in the south side of said city.

In April, 1900, an operating agreement was executed between the Chicago Union Traction Co. and the Chicago Consolidated Traction Co. (see statement C. C. T. Co.), of date December 1, 1899, to continue for fifty years. It provides for the adjustment of a number of older contracts between the parties, respecting the furnishing of electric current by one to the other, trackage rights, transfers, etc., the effect being, in general, to fix an equitable basis of compensation for current furnished to maintain a number of existing transfer arrangements and certain trackage rights. It also gives to the Consolidated Company the right to operate its cars over a number of tracks of the Union Company running into the heart of the city, and over all electric tracks within the heart of the city, and provides that the Consolidated Company shall have like right to operate its cars over all the cable lines of the Union Company which intersect or join lines of the Consolidated Company, as soon as the cable shall be superseded by some other motive power. The Consolidated Company pays no repair, renewal or maintenance charges in respect of such tracks running down town; but it gives the Union Company 23 p. c. of the fares collected in its cars while being operated over such tracks. In consideration of this privilege the Consolidated Company gives the Union Company \$6,750,000 of its $\frac{1}{4}$ p. c. 50-yr. gold bonds. These bonds were guaranteed by the Union Company and used by the trustee in purchasing on behalf of the Union Company the capital stock of the Consolidated Company at \$45 in bonds for each \$100 share. The Union Company agrees that it will not mortgage any of its property, owned at the date of this agreement, while these bonds are outstanding.

Operations, year ending June 30, 1901.—Earnings (passenger, \$7,269,816; chartered cars, \$4,222; mail, \$15,101), \$7,289,139. Operating expenses, \$3,942,194. Capital Stock.—The preferred stock is entitled to receive, out of the net earnings of the company, for each fiscal year beginning July 1, 1899, dividends at the rate of not to exceed 5 p. c. per annum, in preference and priority to the payment of any dividend on the common stock for such fiscal year. The dividends in each year are cumulative, and if in any fiscal year the dividends declared upon the preferred stock should be less than 5 p. c. the deficiency shall be made up in the dividend declared for the next succeeding year or years. In the event of the dissolution of the company or the distribution of any part of its corporate assets among its stockholders, the holders of the preferred stock shall be entitled to receive payment in full of the par value of their preferred stock out of any surplus of assets remaining after the payment of its corporate debts, before any distribution or payment shall be made out of the same to any of its common stockholders. The preferred stock and the common stock have equal voting power.

This company owns \$3,200,000 par value of the stock of the West Chicago Street RR. Co. and \$2,000,000 par value of the capital stock of the North Chicago Street RR. Co., both deposited under the tripartite agreement above referred to. It is the lessee by mesne assignment of \$625,000 par value (out of a total of \$1,250,000) capital stock of the Chicago West Division Ry., said stock being deposited with the Illinois Trust and Savings Bank of Chicago as collateral security (with other property) for \$3,917,000 of the 1st mtge. 40-yr. 5 p. c. bonds of the West Chicago Street RR. Co. It is also the lessee by mesne assignment of \$730,000 (out of a total of \$1,340,300) of the Chicago Passenger Ry. Co., this stock standing in the name of Jesse Spalding, trustee for the Union Traction Co., and of \$250,100 (out of a total of \$500,000) stock of the North City Ry. Co., this stock being deposited with the Fidelity Insurance Trust and Safe Deposit Co. of Philadelphia (with other property), as collateral security to \$3,171,000 of the 5 p. c. 1st mtge. bonds of the North Chicago Street RR. Co.

The authorized amount of 4½ p. c. bonds is \$4,800,000, of which \$1,614,000 series "A" were issued to retire the old 6 p. c. debenture certificates; \$3,171,000 are reserved to take up the 1st 5s maturing in 1906-9-11, and \$15,000 to pay off a mtge. on Dearborn Street property; interest payable at office of the trustee: Northern Trust Co., Chicago, Ill. The 1st mtge. bonds are secured by mortgage to the Fidelity Insurance, Trust and Safe Deposit Co., of Philadelphia, Pa., covering all the property and franchises of the company; interest payable at company's office. Of these bonds, \$1,500,000 mature in 1906; \$1,250,000 in 1909, and \$421,000 in 1916. Of the \$3,171,000 outstanding, \$1,500,000 were issued against 2,501 shares of North Chicago City Ry. Co.'s bonds held by this company, and \$1,671,000 under the general mortgage authorizing bonds equal to 75 p. c. of amount expended for betterments, and to provide the means for the cable system and other improvements. John A. Rose, Pres.; H. F. Keegan, Vice-Pres.; M. B. Orde, Treas.; F. E. Smith, Sec., Chicago, Ill. General Office, Chicago, Ill.

North Chicago City Ry.—Chartered Feb. 14, 1859, by a special act of the Legislature of Illinois. A majority (2,501 shares) of the capital stock was purchased by the North Chicago Street RR. Co. in 1886. On May 24, 1886, this company leased its roads and franchises to the North Chicago Street RR. Co., for 999 years, at an annual rental equal to \$30 per share on the stock of the lessor company, the lessee also guaranteeing the payment of principal and interest on the lessor's bonds. Of these bonds there were outstanding, May 1, 1902, \$3,000,000, viz.: \$500,000 1st mtge. 4 p. c. 27-yr. bonds, due July 1, 1927, interest Jan. and July, and \$2,500,000 2d mtge. 4½ p. c.

Lease assumed by the Chicago Union Traction Co. on July 1, 1899. Capital stock, \$500,000, of which the lessee owns \$250,100. Interest payable at the office of the lessee. Trustee of bonds: 1st mortgage, Merchants' Loan and Trust Co.; 2d mortgage, Illinois Trust and Savings Bank, Chicago, Ill. Daniel T. Hunt, Pres.; John A. Rose, Vice-Pres.; M. B. Orde, Treas. & Sec., Chicago, Ill. General Office, Chicago, Ill.

WEST CHICAGO STREET RR.—Length lines (cable, 28.91 m.; electric, 175.33 m.; horse, 6.88 m.), 211.07 miles. Gauge, 4 ft. 8½ in. Rail (Johnson girder and Chicago flat), 85 and 90 lbs. (For history, see Manual for 1896, page 1095.) In 1887 the company acquired control of all the street railway lines in the West Division of Chicago by the purchase of a majority of the capital stock of the Chicago West Division Ry. Co., and a procurement of a lease of that company's lines for 999 years (see Manual for 1899, page 953). Leased, July 1, 1899, to the Chicago Union Traction Co., on terms given in the statement of that company. For statement of operations, etc., for eight years ending Dec. 31, 1899, see Manual for 1899. Cars, 1,896; other vehicles, 107; horses, 165.

Financial Statement, June 1, 1902.—Capital stock (\$100 shares; auth., \$20,000,000), \$13,189,000 funded debt outstanding, \$10,497,000—total stock and bonds outstanding, \$23,686,000.

Funded debt outstanding consists of \$3,864,000 (auth., \$4,100,000) 1st mtge. 5 p. c. 40-yr. \$1,000 coupon bonds, due May 1, 1928, interest May and Nov.; \$6,136,000 consol. mtge. 5 p. c. 40-yr. \$1,000 gold coupon with privilege of registration, bonds, due Nov. 1, 1936, interest May and Nov., and \$497,000 debenture

6 p. c. 5-20-yr. \$1,000 coupon, with privilege of registration, bonds, due Dec. 1, 1914, interest June and Dec.

The 1sts are secured by mortgage to the Illinois Trust and Savings Bank, Chicago, Ill., trustee, of all the property of the company, except the lease of the Chicago West Division Ry. and improvements thereon, now owned or hereafter to be acquired, and including the 6,251 shares of the stock of the Chicago West Division Ry. The mortgage provides for the assignment of these shares and all dividends declared thereon, to the trustee, which, after receiving all dividends on that stock and paying current coupons, shall invest the balance of said funds when and as they may be received by it in any of the bonds hereby secured, by purchasing the same at the market price, and shall cancel the bonds so purchased. The consols are secured by mortgage to the Central Trust Co., New York, and George Sherman, New York, N. Y. Of the total authorized issue (\$12,500,000), \$4,000,000 were held by the trustee for the purpose of retiring an equal amount of 1st mtge. bonds; \$6,000,000 (purchased by a syndicate in Feb., 1897) were to be used for the purpose of retiring \$2,700,000 outstanding 6 p. c. debenture bonds and the floating debt, amounting to about \$3,000,000; and \$2,500,000 were reserved to be issued only for permanent improvements on the property, or for the acquisition or construction of new lines at a rate not to exceed 75 p. c. of the cost of such additional acquisitions. The debenture bonds cannot be called until 1900; they are not due until 1914, but may be paid at the option of the company any time after 1899. John A. Rose, Pres.; H. F. Keegan, Vice-Pres.; F. E. Smith, Sec.; M. B. Orde, Treas., Chicago, Ill. General Office, Chicago, Ill.

RAILROADS LEASED BY THE WEST CHICAGO STREET RR. CO., BUT LEASES ASSUMED BY THE CHICAGO UNION TRACTION CO.

Chicago Passenger Ry.—For history, see Manual for 1896. By an agreement made May 15, 1888, the Passenger Co.'s lines and tunnel are to be operated by the West Chicago Co., which is to pay therefor an annual rental equal to 5 p. c. on the stock of the lessor company, and guarantee principal and interest of bonds. Leases assumed by the Chicago Union Traction Co.

Financial Statement, April 1, 1902.—Capital stock (\$100 shares) paid in, \$10,000,000; funded debt outstanding (1st mtge. 5 p. c. 35-yr. \$1,000 gold coupon bonds, due July 1, 1928, interest Jan. 1 and July 1, 1,376,000; collateral trust debenture 33-yr. 5 p. c. gold bonds, due July 1, 1928, interest Jan. 1 and July 1, 4,484,000; income 5 p. c. 33-yr. bonds, due July 1, 1928, interest [if earned], annually Feb. 1, \$1,121,100), 6,981,500—total stock and bonds outstanding, \$16,981,500.

The 1st mtge. bonds are secured by mortgage to the American Trust and Savings Bank, and the Equitable Trust Co., Chicago, Ill., as trustees, of that portion of the line from the river west on Lake Street to the city limits, and the loop downtown. The authorized issue was \$6,500,000, of which 1,000,000 were set aside to retire \$812,000 6 p. c. bonds of the Lake Street Elevated Ry. Co., \$5,150,000 to complete that part of the road from Market Street to West 52d Street, and the remainder (\$350,000) could be issued only for the lawful purposes of the company. The debentures were issued under the plan of reorganization of the company, and are guaranteed, principal and interest, by the Northwestern Elevated RR. Co. Trustee of debenture and income bonds: Northern Trust Co., Chicago, Ill.

Under date of June 19, 1902, the Northern Trust Co., gave notice of its readiness, in accordance with the provisions of the Instrument of Trust, executed to it as trustee, by The Lake Street Elevated RR. Co., under date of March 1, 1895, to make exchange of the bonds of said railroad company for its debentures.

A decree had previously been entered in the State court, and notice given by the Lake Street company in conformity therewith, which obliged the Northern Trust Company to at once cancel 2,989 of the 474 Lake Street Elevated bonds in its hands, and an additional bond as soon as the Lake Street company turns over for cancellation \$400 of the debentures, thus leaving only 4,484 of said bonds outstanding, and the trust company is obliged to exchange these 4,484 bonds, dollar for dollar, for the like amount of Lake Street debentures now outstanding. The decree directs that holders of the outstanding 4,484,000 debentures all cancel and deliver same to the trust company, together with all coupons on the debentures from coupon No. 15, due July 1, 1902, in exchange for bonds, and that the debentures shall thereafter have no validity and constitute no obligation of the road except simply for the purpose of exchange for bonds.

Metropolitan West Side Elevated Ry.—Length of lines owned (1st track, 13.11 m.; 2d track, 3.11 m.; 3d track, 3.34 m.; 4th track, 3.34 m.), 32.90 m.; leased, see below (1st track, 2.19 m.; 2d track, 1.9 m.), 4.38 m.—total single track operated, Feb. 28, 1902, 37.28 miles. Gauge, 4 ft. 8½ in. Rail (T), 40 lbs. Chartered Jan. 16, 1899, as successor to the Metropolitan West Side Elevated RR. Co., whose property was sold under foreclosure on Jan. 4, 1899 (see Manual for 1898, page 964). This company assumed possession and began operations on Feb. 3, 1899. The 4.38 miles held under lease consist of 2 miles of double track road, forming what is commonly known as the "Loop Line" (Union Elevated RR.) and leased jointly with the South Side Elevated RR., the Lake Street Elevated RR., and the Northwestern Elevated RR. Co., and 0.19 mile of double track road leased from the Union Consolidated Elevated Ry. Co.

The company has now under construction two extensions, the Douglas Park and Garfield Park branches, the Douglas branch from about Campbell Ave., between 20th and 21st Streets, west to West 40th Avenue, a distance of 1.85 miles, and the Garfield Park branch from West 45th Avenue to West 52d Ave., a distance of 0.5 mile—total, 2.35 miles. The Garfield Park extension will be completed in July, 1902, and will connect with the lines of the Aurora, Elgin, and Chicago RR. Co. (see Index), with which company the Metropolitan West Side Elevated Ry. Co. has a traffic arrangement. The Douglas Park branch will be completed about May 1, 1902. The company's charter authorizes the building of extensions to Cicero, Proviso, Mayfield, and Lawndale.

Equipment, Feb. 1, 1902.—Cars—motor, 87; passenger, 264; freight (coal, 6; flat, 3), 9; switching, 1—total cars, 361. Power station, 1; engines to generate power, 7.

Preferred stock is entitled to 5 p. c. non-cumulative dividends, and shall have exclusive voting power for five years, subject to be terminated, however, when in any one year during that period dividends amounting to 5 p. c. shall have been paid on the preferred stock. The title to the common stock is vested for five years (unless in any one year during that period dividends of 5 p. c. shall have been paid on the preferred stock) in Frederic P. Olcott, Walter G. Oakman, and Samuel Thorne as voting trustees, who shall vote only for directors receiving a majority vote of the preferred stock. It is further provided that the voting trustees shall not vote to create any lien or charge upon or for the lease or sale of the property of the company without the consent of a majority in amount of the voting trust certificates. This company also guarantees the principal and interest of \$407,000 1st mtge. bonds of the Union Consolidated Elevated RR. Co.

Funded debt authorized and issued, Feb. 28, 1902, consisted of \$10,000,000 1st mtge. 4 p. c. 40-yr. coupon and registered \$1,000 gold bonds, due Aug. 1, 1938, interest Feb. 1 and Aug. 1, at company's office Chicago, Ill., or Central Trust Co., New York, N. Y. Of these bonds, \$192,000 were issued to the company by the reorganization committee of the old railroad company, and are still held in its treasury for future improvements. The bonds of this issue are secured by mortgage to the Central Trust Co. and George Sherman, of New York, N. Y., trustees, of all the lines and railway of the company above stated, "together with all lands, tracks, and roadway of said railroad and said branches, and all buildings and all structures of every character used in connection with the operation of said railroad and its branches, and all machinery and equipment of the said railway company." Bonds may be registered as to principal at the office or agency of the M. W. S. E. Ry. Co. in the city of New York, or coupon bonds may be exchanged for registered bonds.

At a special meeting held on April 8, 1901, the stockholders authorized an issue of extension mtge. 4 p. c. 37-yr. gold bonds to an amount not exceeding \$5,000,000, for the purpose of building extensions to the present property of this company. The bonds bear date July 1, 1901, and mature July 1, 1938; interest payable Jan. 1 and July 1, at the company's office, Chicago, Ill., or Central Trust Co., New York, N. Y. The mortgage covers the extensions as a first lien and the remainder of the road as a second lien, subject to the \$10,000,000 1st mtge. 4s. The company sold \$1,500,000 of these bonds, July 1, 1901, to provide the means for the following extensions: 1.8 miles double-track elevated, Douglas Park branch, from Campbell Avenue to South Fortieth Avenue, and 0.5 mile elevated and incline, Garfield Park branch, from 48th Ave. to 42d Ave. The remaining bonds authorized under the mortgage are to be issued from time to time as further extensions are built. The bonds are redeemable at 105 on any interest day by giving 60 days' notice. The amount of bonds issued under this mortgage (\$1,500,000) is not shown in the general balance sheet as of Dec. 31, 1901, owing to the fact that the money received from the sale of the bonds has been held by the trustee of the mortgage (Northern Trust Co., Chicago, Ill.), and paid out for construction in accordance with engineer's certificates, and is therefore in the nature of a construction account, the work not yet having been completed.

In July, 1902, \$1,500,000 additional of these bonds were offered for sale, making \$3,000,000 in all.

New Orleans Railways.—Incorp. Jan. 28, 1902, under the laws of the State of New Jersey, with a capital stock of \$5,000,000 to acquire control of certain street railway and lighting interests in the city of New Orleans, La., and on April 1, 1902, leased the property of the New Orleans City RR. Co. In May, 1902, the capital stock of the company was increased to \$40,000,000, and authority given for the execution of a new mtge. to secure an issue of \$40,000,000 sinking fund 4½ p. c. gold bonds. These new securities were created to provide for the acquisition and consolidation of the New Orleans City RR., New Orleans and Carrollton RR. Light and Power Co., St. Charles Street RR., Orleans RR., New Orleans Gas Light Co., New Orleans Lighting Co., Edison Electric Co., and Merchants' Electric Co. These comprise practically all the street railway and lighting interests in New Orleans, La.

Plan of Consolidation.—This plan is dated May 5, 1902, and provided for the recapitalization of the then New Orleans Rys. Co. on the basis of an authorized issue of \$40,000,000 50-yr. 4½ p. c. gold sinking fund mtge. bonds; \$10,000,000 4 p. c. cumulative preferred stock and \$30,000,000 common stock. Of the bonds, \$12,846,000 will be held in the treasury for existing bonds; \$7,154,000 are reserved for future extensions and improvements, and the remainder (\$20,000,000) are to be issued for the purchase of the securities of the present companies. It is proposed by the New Orleans Rys. Co. to take over by exchanging its securities, the New Orleans Gas Light Co., the New Orleans Lighting Co., the Edison Electric Co., the Merchant's Electric Co., and the following street railway companies: New Orleans City RR. Co., about 115 m.; the New Orleans and Carrollton RR., Light and Power Co., about 35 m.; the New Orleans RR. Co., about 10 m., and the St. Charles Street RR. Co., about 18 miles, a total of about 178 miles of street railway lines (see subjoined statements for these companies).

The electric light companies are owned by the New Orleans and Carrollton RR., Light and Power Co., and the gas plant is owned by the New Orleans Gas Light Co., which is leased to and operated by the New Orleans Lighting Co., right to the control of all which companies, with the exception of the St. Charles Street RR. Co., has been obtained in the interest of the New Orleans Rys. Co.

The outstanding mtge. bonds of these companies which cannot be retired are as follows: New Orleans Gas Light Co., \$76,000; New Orleans City RR. Co., \$6,521,000; New Orleans and Carrollton RR., Light and Power Co., \$5,549,000; St. Charles Street RR. Co., \$300,000; Orleans RR. Co., \$400,000—total, \$12,846,000. It is believed, however, that a considerable amount of these bonds can be exchanged for the bonds of the New Orleans Rys. Co. to be issued under this plan.

The bonds and stocks of the various companies to be controlled by the New Orleans Rys. Co. under this plan are as follows, and at least a majority of the stocks of each company (except the St. Charles

Street RR. Co.), as well as all the bonds of the New Orleans Lighting Co. and the New Orleans Ry. Co., are controlled by optional feature or otherwise for the purposes of this plan:

Bonds. Pfd. Stk. Com. Stk. Total.				Bonds. Pfd. Stk. Com. Stk. Total.			
\$	\$	\$	\$	\$	\$	\$	\$
N. O. City RR. Co. 6,521,000	2,500,000	5,000,000	14,021,000	Orleans RR. Co. 400,000	250,000	650,000	
N. O. & Carr. RR. L. & P. Co. 5,549,000	4,600,000	2,500,000	12,649,000	New. Or. Ry. Co. 2,000,000	5,000,000	7,000,000	
N. O. Gas Light Co. 76,000		3,750,000	3,826,000	St. Ch. St. RR. Co. 300,000	1,000,000	1,300,000	
N. O. Lighting Co. 1,500,000		2,000,000	3,500,000	Total		42,946,000	

As the New Orleans Gas Light Co. has but \$76,000 bonds outstanding, of which \$46,000 can be retired April, 1903, and \$30,000 April, 1908, the new bonds will be practically a first lien on the property of that company when all of its stock is secured. The stocks and bonds now controlled or that may be acquired for the purposes of this plan are to be deposited under the mortgage given to secure the new 50-yr. 4½ p. c. sinking fund gold bonds, and unless at least a majority of the stock of the St. Charles Street RR. Co. can be secured it will not be included in this plan.

The owners of the existing securities of the companies proposed to be acquired hereunder are to be given the privilege of accepting the following securities of the New Orleans Rys. Co. for each \$1,000 cash value at the prices noted below: 4½ p. c. bonds at par, \$769.23; 4 p. c. cumulative preferred stock at par, \$384.61; common stock at par, \$769.23. Estimating the value of the 4½ p. c. bonds at 100, the cumulative preferred stock at 60 and the common stock at 15, holders exchanging will receive about 77 p. c. of their holdings in 4½ p. c. bonds, 23 p. c. of the option price of their holdings in 4 p. c. cumulative preferred stock and 11 p. c. of their holdings in common stock—total, 111 p. c., showing present holders about \$1.10 in value of new securities in lieu of \$1,000 cash value. The prices at which the existing securities are exchangeable for above new securities are as follows: New Orleans City RR. Co. preferred stock, \$112.50 per share; New Orleans City RR. Co. common stock, \$35.00 per share; New Or. & Carr. RR. L. & P. Co. preferred stock, \$105.00 per share; New Orleans & Carr. RR. L. & P. Co. common stock, \$95.00 per share; New Orleans RR. common stock, \$80.00 per share; New Orleans Gas Light Co. stock, \$125.00 per share; New Orleans Light. Co. stock, \$60.00 per share; New Orleans Light Co. bonds, \$1.100 and interest per bond; New Orleans Ry. Co. 5 p. c. bonds, \$980 and interest per bond.

Under this plan, therefore, the holders of existing securities will receive the following amounts of the new securities in exchange:

SECURITIES OF CONSTITUENT COMPANIES.				SECURITIES OF CONSTITUENT COMPANIES.			
Bonds.	Pref. Stock.	Com. Stock.		Bonds.	Pref. Stock.	Com. Stock.

It is provided that of the new stock and bond issues, sufficient amounts be reserved to take up, on the basis of exchange shown above, the stocks of all the constituent companies, and all of their bonds that can now be retired.

Financial Statement, Aug 1, 1902.—Capital stock (shares, \$100) authorized—common, \$30,000,000; 4 p. c. cumulative preferred, \$10,000,000—total, \$40,000,000. Funded debt authorized: \$40,000,000 gold sinking fund 4½ p. c. 50-yr. \$100, \$500, and \$1,000 bonds, due July 1, 1952, interest Jan. and July at the office of the trustee, New York Security and Trust Co., New York, N. Y.

Of the total authorized issue of bonds (\$40,000,000), \$12,846,000 are reserved for the retirement of prior liens, and \$7,154,000 for future extensions and improvements. The stocks and bonds that are acquired by the issue of these bonds are to be deposited as security for the same. The stock is to be held in a voting trust for five years to control the management of the property.

Interest on the City and Suburban 1st 5s, the Lake Roland Elevated Ry. 1st 5s, the 1st consol. 4s, and the income 4s is payable at office of Alexander Brown & Sons, Baltimore, Md.; on all other issues at National Mechanics' Bank, Baltimore, Md.

The authorized amount of the 1st consolidated 4 p. c. bonds of 1899 is \$38,000,000, of which \$25,231,000 had been issued to Dec. 31, 1901. Of the balance, \$514,000 were reserved for construction, acquisitions, extensions, equipment, and expenses of organization. The remainder (\$12,255,000) were reserved to retire at maturity the divisional bonds of the constituent companies in the bonded debt statement shown above. They are coupon gold bonds of \$1,000 each, to bearer, with privilege of registration of principal, and cannot be redeemed before maturity; secured on all the real estate, franchises, and property of every kind now belonging to or which may hereafter be acquired by the company. The Baltimore Traction Co. 1st 5s are a first mortgage on the old Citizens' and People's Ry.s, and the improvements thereon. The North Baltimore system is complete in itself; the mortgage covers about 35 miles of electric road and certain real estate. The extension and improvement bonds are a 2d mortgage on the Citizens' and People's lines. The convertible bonds are secured by a deposit of the company's authorized stock, with the Mercantile Trust and Deposit Co. of Baltimore, trustee, payable in gold in five years, with the option of the company to pay in ten years, and convertible, at any time during their existence, into shares of stock at par.

History.—Chartered in 1894; charter amended June 10, 1897, under the laws of Massachusetts, to construct an elevated railway through certain streets of the city of Boston and Cambridge, Mass., a total of 10.29 miles. The company was further empowered to lease the property, franchises, etc., of the West End Street Ry. Co., and such lease was executed Dec. 9, 1897, taking effect as of Oct. 1, 1897, and expiring June 10, 1922. Under the terms of this lease the lessee agrees to pay 7 p. c. per annum on the common and 8 p. c. per annum on the preferred stocks of the lessor company, in addition to all interest, rentals, etc. Furthermore, in addition to regular street railway taxes, the Elevated Co. is to pay $\frac{1}{2}$ of 1 p. c. of gross earnings if dividends do not exceed 6 p. c. per annum; all excess over 6 p. c. to be added to the $\frac{1}{2}$ of 1 p. c. The lessee assumed operation of the property on Jan. 1, 1898. Construction of an elevated railway to be operated in connection with the subway and the company's surface lines was begun early in 1899; the section from Dudley Street, Roxbury, to Sullivan Square, Charlestown, by way of the Subway, was completed and opened for traffic on June 10, 1901, and the Atlantic Avenue loop on Aug. 22, 1901.

NOTE.—Bonds marked thus (*) are in coupon form, with privilege of registration. † Redeemable at 105 after March 1, 1900.

The Lynn and Boston RR. 1st mte. bonds of 1894 were authorized in Oct., 1894, to the amount of \$5,379,000, of which \$2,711,000 were used to pay off the company's debts and the remainder to retire prior issues. On Sept. 30, 1901, \$5,218,000 of these bonds were outstanding, of which \$1,495,000 were held in trust to redeem other bonds. To provide the means for certain necessary enlargements, improvements and extensions, as well as to reimburse the company for similar work done during the fiscal year 1897, there were issued \$1,250,000 6 p. c. 20-yr. gold coupon notes. The proceeds of \$500,000 in amount of these coupon notes were used for the above purposes, and the proceeds of the remainder of the notes for further improvements, extensions, and enlargements, as occasion may require, but not prior to 1899. The authorized amount of Lowell, Lawrence and Haverhill Street Ry. 1st mte. bonds is \$1,900,000 of which \$350,000 are reserved to retire the Merrimack Valley St. Ry. bonds. They may be called for payment at 105 and interest, or purchased at less in the open market. It is provided under the mortgage that the company shall retire by purchase or call $\frac{1}{2}$ p. c. of its outstanding bonds yearly from May 31, 1894, to 1898, inclusive; 1 p. c. in 1899 to 1903; $\frac{1}{4}$ p. c. in 1904 to 1908; 2 p. c. in 1909 to 1913; $\frac{3}{4}$ p. c. in 1914 to 1918, and 3 p. c. in 1919 to 1923. The Merrimack Street Ry. 1st mte. bonds are redeemable at option at any time after ten years from the date of issue.

Worcester Railways and Investment Co.—This is a voluntary association formed in Massachusetts in July, 1901, managed by a board of trustees, in whom is vested the ownership of the entire capital stocks (except the qualifying shares held by officers of the constituent corporations) of the Worcester Consolidated Street Ry. Co. and of certain other corporations holding charters under Massachusetts laws, and are engaged in enterprises closely identified with that of street railway transportation. The company also controls other securities of these corporations and other property rights.

Financial Statement, June 1, 1902.—Capital stock (\$100 shares), \$7,000,000. The agreement and declaration of trust under which the trustees hold title to the capital stocks of the controlled companies provides (1) that all shares of this company shall be non-assessable, and that there shall be no personal liability on the part of the stockholders; (2) that no pledge or mortgage of its securities can be made without the consent of two-thirds of all its outstanding shares; (3) that all shares shall participate equally in the benefits of the company without preference of any kind; (4) that no additional shares can be issued without the consent of two-thirds of the outstanding shares, except for the purpose of taking up stock of the Worcester Consolidated Street Ry. Co. authorized by the Board of Railroad Commissioners of Massachusetts under an order dated July 18, 1901.

The Trustees have issued negotiable certificates or evidences of interest for seventy-one thousand shares, each share representing a fractional beneficial interest of one seventy-one thousandth in the property of the Trustees. The shares are non-assessable, and holders are relieved from personal liability. A dividend of \$2.25 per share was paid Feb. 1, 1902.

Detroit United Ry.—Length of lines operated (single track), Dec. 31, 1901, 379.46 miles. Gauge, 4 ft. 8½ in. Rail (T and girder groove), 77 to 98 lbs. Incorp. under the laws of Michigan, Dec. 31, 1900. Organized for the purpose of purchasing, acquiring, constructing, owning, maintaining, using, and operating street railways in the city of Detroit, Mich., and in any or all of the townships, cities, and villages adjacent thereto. On Dec. 31, 1900, the company acquired by purchase with shares of its capital stock, all the properties, rights, privileges and franchises of the Detroit Citizens' Street Ry., the Detroit Suburban Ry., the Detroit Electric Ry., and the Detroit, Fort Wayne and Belle Isle Ry. Cos. (see Manual for 1900, page 920). The company is also authorized and empowered to acquire by purchase or otherwise such property as may be necessary or proper for conducting its business, and also to enlarge, develop, equip and improve the same as may be deemed expedient. Its directors have the usual powers conferred by general law in regard to sale and disposition of property, but have no special privilege in regard thereto, either by charter or by-laws, and said powers are limited and restricted by the provisions of its mortgage.

The mileage operated by this company on Jan. 1, 1901, was 184.97 miles. During the past year there have been added the following lines: Wyandotte and Detroit River Ry., 10.98 miles; Detroit and Northwestern Ry., 58.77 miles; Detroit and Pontiac Ry., 36.52 miles; Detroit and Flint Ry., 85.31 miles; city mileage, 2.91 miles—total, 194.49 miles, making the total mileage of street railway in operation, including sidings and yard tracks, Dec. 31, 1901, 379.46 miles. The dates of and terms under which these lines were acquired are as follows: The Wyandotte and Detroit River Ry. (now the Wyandotte Division) was added on Feb. 20, 1901, and was paid for by assuming \$200,000 of 6 p. c. bonds and \$197,000 of outstanding 5 p. c. bonds and by paying \$140,000 in cash; the Detroit and Northwestern Ry. (now the Orchard Lake Division) was taken over on May 1, 1901, by assuming and guaranteeing the payment of \$655,000 4½ p. c. bonds; the Detroit and Pontiac Ry. (now the Pontiac Division) was added on June 1, 1901, the Detroit United Ry. Co. guaranteeing \$500,000 of 5 p. c. bonds and \$515,000 of 4½ p. c. bonds, and the Detroit and Flint Ry. (now the Flint Division) was taken over on Aug. 1, 1901, by guaranteeing the payment of \$2,500,000 of 5 p. c. bonds. (For latest published statements of the three first-named companies, see Manual for 1900, page 924, and Manual for 1901, pages 942 and 943.) The Detroit and Flint Ry. Co. was a consolidation of the Detroit, Rochester, Romeo and Lake Orion Ry., the North Detroit Electric Ry., and the Detroit, Utica and Romeo Ry. Cos., after the purchase by the first-named company of the Detroit, Lake Orion and Flint Ry. (see Manual for 1901, pages 941 and 943). Under an arrangement made June 11, 1901, the company has paid, including interest, \$115,734 toward the acquirement of 13,176 shares of capital stock of the Detroit and Port Huron Shore Line Ry. Co.; it also purchased 2,970 shares of the capital stock of the Sandwich, Windsor and Amherstburg Ry., and 180 shares of stock of the City Ry. of Windsor, this being all the capital stock of the said companies, and has paid for same, including interest, \$247,679.59. The company also owns a majority of the capital stock of the Detroit and Howell Plank Road Co., formerly held by the Detroit and Northwestern Ry. Co., and has advanced the sum of \$22,635 to the Electric Depot Co., a corporation organized to develop this company's express business in Detroit and on the suburban lines.

The \$1,000,000 Detroit City 6 p. c. bonds; the \$150,000 Grand River Ry. Bonds, and the \$1,100,000 Detroit City St. Ry. 5 p. c. bonds, referred to in the Manual for 1901, page 942, were retired during the year by the issue of a like amount of Detroit Citizens' consolidated mtg. bonds reserved for that purpose. Of the authorized amount (\$7,000,000) of Detroit Citizens' consols, \$415,000 are held by the trustee to retire a like amount of Detroit Suburban Ry. bonds. The Detroit Ry. 1st mtg. bonds were issued on 56.34 miles of road completed and equipped; bonds numbered 1 to 600 mature in order of numbers at \$50,000 per annum, beginning Dec. 1, 1912; numbers 601 and upwards mature Dec. 1, 1924, and there is a sinking fund for bonds numbered 1,501 and upwards. Of the authorized amount (\$2,800,000) of the Detroit Electric consols, a sufficient amount is reserved to retire the 1sts. The Detroit, Fort Wayne and Belle Isle Ry. bonds are subject to call at 105 and interest on sixty days' notice. Of the Wyandotte and Detroit River consols, \$200,000 are reserved to retire the 1sts. The Detroit and Northwestern Ry. bonds are guaranteed, principal and interest, by the Detroit United Ry. and are subject to call at 105 and interest on sixty day's notice after May 1, 1911. The authorized amount of Detroit and Pontiac Ry. consols is \$1,100,000, of which \$500,000 are reserved to retire a like amount of 1st mtg. bonds, and \$85,000 bonds are in the treasury; they are subject to call at 105 and interest on sixty days' notice after June 1, 1911; principal and interest guaranteed by the Detroit United Ry. The authorized amount of Detroit and Flint Ry. consols is \$3,000,000, of which \$1,100,000 are reserved to retire a like amount of D., R., E. & L. O. Ry. 1st mtg. bonds, and \$500,000 are unissued; they are subject to call at 100 and interest after Aug. 1, 1911, on sixty day's notice and are guaranteed by the Detroit United Ry. The Detroit Ry. and Detroit Electric bonds are in registered form and in coupon form with the privilege of registration; all other issues shown in the statement of funded debt above are in coupon form, with privilege of registration.

Since the close of the fiscal year the Detroit United Ry. has executed a mortgage to the Guaranty Trust Co., New York, N. Y., trustee, to secure an issue of \$25,000,000 1st consolidated mtg. 4½ 30-yr. \$1,000 gold coupon, with privilege of registration, bonds, due Jan. 1, 1932, interest Jan. and July at the company's agency in New York, N. Y. Of these bonds, \$15,880,000 are reserved by the trustee to retire the prior liens (including the \$85,000 bonds in the company's treasury—see above); \$3,000,000 are to be used for purposes agreed upon by the board of directors, and the remainder (\$6,120,000) is set apart, to be issued from time to time for extensions, betterments and improvements of the railroads, street railroads and railway property of the company now owned or hereafter to be acquired, and for the acquisition of additional railroads, to be operated by electricity, in connection with the existing system of the Detroit United Ry. The bonds are tax-free, and are secured on "all the street railway and railway property, assets and franchises of the Detroit United Ry. now held or owned by it, or which may hereafter be acquired by it." They are redeemable, in whole or in part, on any interest day, at 105 and accrued interest on sixty days' notice.

Capital Stock.—The authorized share capital of the Twin City Co. is \$20,000,000, of which \$3,000,000 is 7 p. c. cumulative preferred stock, on which interest is payable quarterly, and \$17,000,000 is common stock. The voting power of both classes of stock is equal. Of the total authorized amount of common stock (\$17,000,000) \$15,010,000 has been issued, leaving in the treasury of the company \$1,990,000, which can be sold only for improvements and at not less than par. The entire authorized amount of the preferred stock has been sold.

By resolution of the stockholders at the annual meeting, May 6, 1902, approved on same day by the Board of Directors, the holders of common stock were given the privilege of subscribing at par, for common stock to the amount of 10 p. c. of their respective holdings. This would represent approximately an increase of \$1,500,000 in the outstanding common stock.

Interest on bonds payable at trustees' offices, viz.: on M. & St. P. Sub. Ry. 1sts, and Minn. St. and St. Paul City Ry. joint gen. mtge. bonds, at Central Trust Co., New York, N. Y.; on all other issues, at Farmers' Loan and Trust Co., New York, N. Y.

The authorized amount of 1st consols of 1919 is \$5,000,000, of which a sufficient amount is held by the trustee to retire the 1st 7s of 1910 and 2d 6s of 1913. They were issued jointly and severally by the Minneapolis St. Ry. Co. and the Minneapolis, Lyndale and Minnetonka Ry. Co. The cable consols are limited in issue to \$5,500,000, and the amount issued includes \$680,000, held in trust by the Farmers' Loan and Trust Co. to redeem the St. Paul City Ry. Co. 1st consols of 1932-34. Under the provisions of the cable consolidated mtge., bonds can be issued only against the actual cash cost of construction, under a mileage limit of \$15,000 p. m., and are guaranteed, principal and interest, by the Twin City Rapid Transit Co. The Minneapolis and St. Paul Suburban Ry. 1st mtge. 5 p. c. bonds are guaranteed, principal and interest, by the St. Paul City Ry. Co. The company sold, during the past year, the balance of the issue of bonds of the Minneapolis and St. Paul Suburban Ry. Co. (\$50,000), applying the proceeds to the payment of the balance due on account of constructing and equipping the suburban line between Minneapolis, St. Paul, White

Bear Lake, and Stillwater. On May, 1901, the company cancelled \$20,000 of the remaining \$270,000 7 p. c. 1st mtge. bonds of the Minneapolis Street Ry. Co. by the issue and sale of \$20,000 5 p. c. consolidated bonds of the same company.

During the past year the company sold \$1,000,000 general mortgage 5 p. c. bonds issued under a mortgage of the Minneapolis Street Ry. Co., and the St. Paul City Ry. Co. for that amount, and dated Jan. 1, 1901, payable Jan. 1, 1911. The proceeds from the sale of these bonds were used to liquidate the balance of the floating debt incurred by the retirement of \$1,000,000 of the St. Paul City Ry. Co. 6 p. c. debenture bonds, maturing May 1, 1900, and to pay the cost of the improvements undertaken during the year.

St. Louis Transit Co.—Length of lines operated, 361.7 miles. Gauge, 4 ft. 10 in. Rail (T and girder), 63 to 85 lbs. Chartered under the laws of Missouri, and on March 20, 1889, the city of St. Louis authorized it to acquire, lease and operate until March 18, 1899, any of the lines acquired by the United Rys. Co. of St. Louis. It now operates, under lease, all the lines of railway owned by the United Rys. Co. of St. Louis (which includes all the lines in the city of St. Louis, excepting the St. Louis and Suburban RR. system), and guarantees the payment of the interest upon all the bonds of the U. Rys. Co. of St. Louis and its constituent companies, and also 5 p. c. payable semi-annually, upon its preferred stock. The St. Louis Transit Co. exchanged its stock for the common stock of the U. Rys. Co. of St. Louis, share for share, upon payment to it by the stockholders of the U. Rys. Co. of \$11 per share. All the common stock of the U. Rys. Co. of St. Louis issued under the plan of consolidation was exchanged for the common stock of the St. Louis Transit Co. This \$11 per share furnished the St. Louis Transit Co. a cash capital of \$1,898,743 free from all obligations, except these under its lease of the lines of the United Rys. Co. of St. Louis. In addition to the above mileage (361.7 m.) there are authorized 72 miles, which, when completed, will make a total mileage of the U. Rys. Co. of St. Louis system, 433.7 miles. Cars, 1,224. Power stations, 7; engines to generate power have a total capacity of 36,975 h. p.

Operations, year ending Dec. 31, 1901.—Passengers carried, 117,546,811. Gross earnings, \$5,777,599. Operating expenses and taxes, \$3,692,400. Net earnings, \$2,085,198; other receipts, \$6,313—total \$2,091,512. Paid interest and dividends, \$2,617,142. Deficit, \$525,630.

Financial Statement, March 15, 1892.—Capital stock (shares, \$100), \$20,000,000. Funded debt outstanding consists of \$5,017,000 collateral trust \$1,000 gold notes, due Nov. 1, 1904, interest May and Nov. at the office of the trustee, Mercantile Trust Co., St. Louis, Mo. The authorized amount of these notes is \$6,000,000, of which \$5,017,000 had been issued up to March 15, 1902; \$309,000 are issuable on March 31, 1902; \$225,000 on Sept. 30, 1902, and \$224,000 on Dec. 31, 1902. These notes are secured by deposit with the trustee of \$2,877,000 general mortgage gold bonds, and \$3,612,400 5 p. c. cumulative preferred stock of the United Rys. Co. of St. Louis, which the St. Louis Transit Co. received in payment for betterments, improvements and new construction on the railway lines. When the total authorized amount of bonds have been issued the aggregate amount of collateral will be \$2,877,000 gen. mtge. bonds, and \$5,272,900 preferred stock of the U. Rys. Co. of St. Louis. The notes are redeemable at par on any interest date after Nov. 1, 1902, on sixty days' notice. The capital stock (\$20,000,000) of the St. Louis Transit Co. is all to be exchanged, share for share, for the common stock of the U. Rys. Co. of St. Louis, upon payment by the stockholders of the latter of \$11 per share in cash. Up to April 1, 1902, 172,613 shares had been so exchanged.

Directors (elected March 11, 1902).—A. H. Bauer, A. D. Brown, James Campbell, Murray Carleton, Geo. L. Edwards, F. E. Marshall, Chas. D. McLure, H. S. Priest, C. H. Spencer, St. Louis, Mo.; Pat Calhoun, Eugene Delano, New York, N. Y. Officers: Murray Carleton, Pres.; C. H. Spencer, Vice-Pres.; A. B. du Pont, 2d Vice-Pres.; James Adkins, Sec. & Treas.; Frank R. Henry, Aud.; John Grant, Supt., St. Louis, Mo. General Office, 3869 Park Avenue, St. Louis, Mo.

RAILROAD LEASED BY THE ST. LOUIS TRANSIT CO.

UNITED RAILWAYS CO. OF ST. LOUIS.—Chartered March 11, 1898, under the laws of Missouri as successor to the Central Traction Co. Incorporated in 1898 for the purpose of purchasing and consolidating several street railway companies in St. Louis, Mo. On April 12, 1898, the city of St. Louis authorized the U. Rys. Co. of St. Louis to build 79.50 miles of street railroad on several of the most important streets, and gave it the further authority to acquire by lease or purchase any other street railroad in that city. This franchise runs for 50 years from the date of its passage. Under the full powers conferred upon it, the Central Traction Co. of St. Louis has changed its name to the United Rys. Co. of St. Louis, which company has acquired the railroad lines, properties, and franchises, or substantially all the shares, of all the street car lines in operation in St. Louis with the exception of the St. Louis and Suburban Ry. Co. and its controlled lines.

All of the lines of railways owned or controlled by this company are operated under lease until March 18, 1939, by the St. Louis Transit Co., which guarantees interest on the bonds, and 5 p. c. per annum on the preferred stock of the United Rys. Co. (see preceding statement).
